Directors' Report (continued)

Statement of Directors' Responsibilities in respect of the Annual Report and the Financial Statements

The Directors are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulations

Company law requires the Directors to prepare Financial Statements for each financial year. Under that law, the Directors have prepared the Financial Statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the Directors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these Financial Statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the Financial Statements, and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors confirm that they have complied with the above requirements in preparing the Financial Statements.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as each Director is aware, there is no relevant audit information of which the Company's auditors are unaware. Each Director has taken all the steps that he ought to have taken as a Director in order to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Independent Auditors' Report to the member of DH Projects 3 Limited

We have audited the Financial Statements of DH Projects 3 Limited for the year ended 31 December 2011 which comprise the Profit and Loss Account, the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Respective responsibilities of Directors and Auditors

As explained more fully in the Statement of Directors' Responsibilities set out on page 4, the Directors are responsible for the preparation of the Financial Statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the Financial Statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the Financial Statements sufficient to give reasonable assurance that the Financial Statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the Financial Statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited Financial Statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on Financial Statements

In our opinion the Financial Statements

- give a true and fair view of the state of the Company's affairs as at 31 December 2010 and of its result and cash flows for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the Financial Statements are prepared is consistent with the Financial Statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the Financial Statements are not in agreement with the accounting records and returns, or
- certain disclosures of Directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

These Financial Statements are prepared on the going concern basis, under the historical cost convention and in accordance with the Companies Act 2006 and applicable UK Accounting Standards. The principal accounting policies which have been applied consistently are set out below.

The headings and formats adopted in the profit and loss account have been adapted from those specified in the Companies Act 2006 as, in the opinion of the Directors, those adopted more appropriately reflect the nature of the Company's business.

Fixed asset investments

Investments are valued at cost less provision, if appropriate, for impairment.

Fee income, which excludes value added tax, represents the value of services supplied, accounted for on an accruals basis.

Foreign currencies

Assets and liabilities in foreign currencies are translated into Sterling at rates of exchange ruling at the end of the financial period. Transactions denominated in foreign currency are translated into sterling at the rate of exchange ruling on the date of transaction. Foreign exchange differences are taken to the profit and loss account in the year in which they arise.

2 Prior year adjustment

The comparative amount in investments (note 6) has been restated to recognise the cost of the 1 Ordinary Share in N Alpha S a r l and the 1 Ordinary Share in Avanza Alpha S a r l. This restatement has resulted in increase in creditors (note 8). There has been no impact on the opening reserves as a result of the restatement.

3 Profit on ordinary activities before taxation

The Company's fee payable for the audit for the year ended 31 December 2011 is £1,230 (2010: £1,145). This fee is met by a fellow subsidiary undertaking, Doughty Hanson & Co Managers Limited, and is not recharged to the Company.

4 Employee information

5 Directors' emoluments

The emoluments of the Directors are paid by the parent company or a fellow subsidiary which makes no recharge to the Company. The Directors are also directors of the parent company and/or a number of fellow subsidiaries and for disclosure purposes an apportionment of Directors' emoluments is made to each company in the Group based on services provided. The services provided to the Company are deemed to be immaterial in the context of Directors' emoluments as a whole and therefore the above details include no emoluments in respect of the Directors.
