Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards.

The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

The financial statements have been prepared on the going concern basis, notwithstanding net liabilities of £1,939,000 which the directors believe to be appropriate for the following reasons. Telewest UK Limited, an intermediate holding company, has indicated that for at least 12 months from the date of approval of these financial statements, it will continue to make available such funds as are needed by the Company and in particular will not seek repayment of the amounts currently made available. This should enable the Company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Based on this indication the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

In July 2004, Titan Cable plc (formerly Telewest Communications plc) successfully completed its financial restructuring. This resulted in the reorganisation of the business and operations of Titan Cable plc and its subsidiaries ('the Group') under Telewest Global, Inc., incorporated in Delaware, USA, which became the ultimate holding company. On 3 March 2006 Telewest Global, Inc. executed an agreement of merger with NTL Incorporated (incorporated in Delaware, USA), which resulted in NTL Incorporated being merged into a subsidiary of Telewest Global, Inc. The directors believe that the restructuring left Telewest Global, Inc. and its subsidiaries ('the new Group') with sufficient liquidity to meet the new Group's funding needs and enable it to provide continued support to subsidiary companies. The directors believe that the subsequent merger with NTL Incorporated continues to provide sufficient liquidity to provide continued support to subsidiary companies.

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in future or a right to pay less tax in future have occurred at the balance sheet date, except as otherwise required by Financial Reporting Standard (FRS) 19 Deferred Tax. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Group financial statements

In accordance with Section 228 of the Companies Act 1985, the company is exempt from the requirements to prepare group financial statements as it is a wholly owned subsidiary undertaking of Telewest Communications plc which prepares consolidated financial statements.

Notes (continued)

1 Accounting policies (continued)

Cash flow statement

Under FRS 1 Cash Flow Statements the company is exempt from the requirement to prepare a cash flow statement on the grounds that its ultimate parent undertaking, Telewest Global, Inc., includes the company in its own published consolidated financial statements.

Related party transactions

As the company was a wholly owned subsidiary of Telewest Global, Inc., the company has taken advantage of the exemption contained in FRS 8 Related Party Disclosures and has therefore not disclosed transactions or balances with entities where 90% or more of the voting rights are controlled within the group. The consolidated financial statements of Telewest Global, Inc., within which this company is included, can be obtained from the address given in note 11.

Investments

Investments held as fixed assets are held at cost less provision for any impairment.

2 Loss on ordinary activities before taxation

The company has undertaken a review of amounts due from subsidiary undertakings and parent companies for the year ended December 31, 2005. This has resulted in an increase in the level of provision against such debtors of £204,877 as compared to the prior year, which has been charged through the profit and loss account for the current year (2004: £nil).

The auditor's remuneration for 2005 and 2004 was borne by a fellow group company, which was Telewest Communications Group Limited.

There were no employees during the period (2004: nil). No remuneration was paid to the directors during the period. (2004: £nil)

11 Ultimate parent company and parent undertaking of larger group of which the company is a member

At 31 December 2005, the ultimate parent company was Telewest Global, Inc., which is incorporated in Delaware, USA. Telewest Global, Inc. is the parent of the largest group for which group financial statements, including the company, are prepared. The smallest group in which the results of the company are consolidated is that headed by Telewest UK Limited, incorporated in England and Wales. On 3 March 2006 Telewest Global, Inc. executed an agreement of merger with NTL Incorporated (incorporated in Delaware, USA), which resulted in NTL Incorporated being merged into a subsidiary of Telewest Global, Inc. In accordance with the terms of the agreement of merger Telewest Global, Inc. was renamed NTL Incorporated with immediate effect. Copies of the group financial statements of Telewest Global, Inc. may be obtained from The Company Secretary, Telewest Broadband, Export House, Cawsey Way, Woking, Surrey, GU21 6QX. NTL Incorporated became the ultimate parent of the Company on 3 March 2006.

12 Subsequent events

On 3 March 2006, Telewest Global, Inc., the company's ultimate parent undertaking, and NTL Incorporated announced that they had completed the merger of the two businesses, creating the UK's second largest communications company. Telewest Global, Inc. (now renamed NTL Incorporated), NTL Cable plc, NTL Investment Holdings Limited and certain of its subsidiaries and Telewest Communications Networks Limited and certain of its subsidiaries executed a Senior Facilities Agreement with a consortium of financial institutions. The new senior secured credit facility has an aggregate principal amount of £3.8 billion, mainly comprising of a £3.2 billion 5-year term loan facility and a £100 million 5-year multi-currency revolving credit facility. Telewest Global, Inc and NTL Incorporated (now renamed NTL Holdings Inc.) also entered into a Senior Bridge Facilities Agreement with a consortium of financial institutions. This facility consists of a 1-year (automatically extendable to a 10-year) senior subordinated bridge facility in an aggregate principal amount of \$3.1 billion (£1.8 billion equivalent) for the purposes of financing the cash consideration payable pursuant to the merger agreement and paying the related fees, costs and expenses in connection therewith. This facility has now been fully drawn. In addition, NTL Incorporated and NTL Investment Holdings Limited agreed to engage the financial institutions for any take-out financing for the bridge facility.
