The Directors' Report

Year ended 31 December 2010

The directors have pleasure in presenting their report and the financial statements of the company for the year ended 31 December 2010

Principal activities and business review

The principal activity of the company during the year was the provision of management services to its subsidiary company, Stapleford Park Limited, a hotel operator

Results and dividends

The profit for the year amounted to £38,771. The directors have not recommended a dividend

Directors

The directors who served the company during the year were as follows

Mr R Tang
Mr S Hussain

Directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

Arlaform Limited

The Directors' Report *(continued)*

Year ended 31 December 2010

In so far as the directors are aware

- there is no relevant audit information of which the company's auditor is unaware, and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information

Independent Auditor's Report to the Shareholders of Arlaform Limited

Year ended 31 December 2010

We have audited the financial statements of Arlaform Limited for the year ended 31 December 2010 which comprise the Profit and Loss Account, Balance Sheet, Accounting Policies and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's shareholders, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on pages 2 to 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by directors, and the overall presentation of the financial statements.

Arlaform Limited

Independent Auditor's Report to the Shareholders of Arlaform Limited (continued)

Year ended 31 December 2010

Basis for adverse opinion on financial statements

Included in investments at the balance sheet date is £6,056,578 representing the company's investment in Stapleford Park Limited. At 31 December 2010 the balance sheet of Stapleford Park Limited was showing a deficit of £7,853,785 and there were losses for the year of £1,642,655. These conditions indicate this investment has been impaired. No provision has been made for impairment of this investment. This is not in accordance with the provisions of Financial Reporting Standard 11 'Impairment of fixed assets and goodwill'. Accordingly, we believe that a full provision for impairment should be made against this investment given the financial position of Stapleford Park Limited. The result of which would be to recognise additional costs of £6,056,578 in the profit and loss account for the year, resulting in a loss of £6,017,807 and giving a deficit on the balance sheet amounting to £5,236,563.

Adverse opinion on financial statements

In our opinion, because of the significance of the matter described in the Basis for Adverse Opinion paragraph, the financial statements

- do not give a true and fair view of the state of the company's affairs as at 31 December 2010 and of its profit for the year then ended,
- have not been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice

In all other respects, in our opinion the financial statements have been properly prepared in accordance with the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

Notwithstanding our adverse opinion on the financial statements, the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Year ended 31 December 2010

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Arlaform Limited

Accounting Policies

Year ended 31 December 2010

Basis of accounting

The financial statements have been prepared under the historical cost convention, subject to the departures referred to below

The directors have adopted a going concern basis in the preparation of these financial statements. Stapleford Park Limited, the company's principal trading subsidiary, has incurred losses for the year of £1,642,655 (2009 £1,357,078). As a result of losses sustained in this and prior years, its ability to continue to trade and meet its liabilities is dependent upon the continued support of the group's investors. This in turn impacts on its ability to repay group indebtedness generally and on the resultant viability of Arlaform Limited and the group.

The company's ability to continue as a going concern is dependent on the ongoing support of the company's shareholders and investors. The directors have received written confirmation from the shareholders that it is not their present intention to seek recovery of any amounts due to them by members of the group until at least 1st October 2012.

Consolidation

The company was, at the end of the year, a wholly-owned subsidiary of another company incorporated in the EEA and in accordance with Section 400 of the Companies Act 2006, is not required to produce, and has not published, consolidated accounts.

Cash flow statement

The directors have taken advantage of the exemption in Financial Reporting Standard No 1 (Revised 1996) from including a cash flow statement in the financial statements on the grounds that the company is wholly owned and its parent publishes a consolidated cash flow statement.

Turnover

The turnover shown in the profit and loss account represents amounts due during the year, exclusive of Value Added Tax.
