NOTES TO THE FINANCIAL STATEMENTS

FOR THE PERIOD ENDED 30 APRIL 2018

1 Accounting policies

Company information

Activator Products Limited is a private company limited by shares incorporated in England and Wales. The registered office is Unit A, Brook Park East, Shirebrook, NG20 8RY.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

As permitted by FRS 102, the company has taken advantage of the disclosure exemptions available under that standard in relation to presentation of a cash flow statement, financial instrument disclosures, disclosure of related party transactions with group members and disclosing key management compensation.

Where required, equivalent disclosures are given in the group accounts of Sports Direct International plc. The group accounts of Sports Direct International plc are available to the public and can be obtained as set out in note 5.

1.2 Going concern

At the period end the company had a deficit of £1,748,850. The deficit is funded by loans from other group companies which will not be called for repayment unless the cash flow permits for a minimum period of 12 months from approval of these financial statements. Therefore, the directors consider that it is appropriate for the accounts to be prepared on a going concern basis.

1.3 Income statement

The company has not traded during the period or the preceding financial period. During this time the company received no income and incurred no expenditure and therefore no Income statement is presented in these financial statements.

2 Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

The directors do not consider that there are any significant judgements in applying the accounting policies or estimation uncertainty arising in the preparation of these financial statements.
