THE FRIENDLY HAND

TRUSTEES' REPORT

YEAR ENDED 31ST DECEMBER 2020

The Trustees, who are the directors of The Friendly Hand present their report and audited financial statements for the year ended 31st December 2020. The information on page 1 forms part of this report.

CHARITABLE AIMS

- (i) The relief of poverty throughout the world and in particular within the United Kingdom.
- (ii) The advancement of education throughout the world.
- (iii) The advancement of the Christian religion throughout the world.
- (iv) The relief and prevention of sickness disease and physical or mental disability throughout the world.
- (v) Such other purposes that are charitable under the law of England and Wales

The Trustees have had due regard to the Charity Commission's guidance on public benefit and the relevant supplementary guidance.

REVIEW OF ACTIVITIES AND FUTURE DEVELOPMENTS

Donations were received during the current year were £74,020 (2019: £0). Bank interest, dividends and rental income together totalled £30,483 for the year (2019: £29,263). During the year shares gifted with a value of £55,405. The accumulated reserves at 31 December 2020 amount to £2,124,649 (2019: £2,314,340) which are held as endowment funds.

The Trustees' investment policy continues to be to hold some reserves in investment property, with the intention of earning a regular income stream for the use on charitable purposes. The Trustees believe that the property will achieve capital growth as well as a regular income stream. Following the additional donations of the expendable endowment in prior years, the Trustees have also elected to hold significant funds with fund managers in fixed interest stocks and deposits reflecting the Trustees' desire to maximise interest whilst maintaining a risk adverse view of capital protection in view of the one-off nature of these donations. The present sanitary emergency and the Economic crisis emerging, adds a substantial element of uncertainty to all calculations for the future not only medium and long term, but also short term.

During the year, the Trustees continued to help those who are disadvantaged, also promoting the aims of the charity, through the support of a variety of charitable projects all over the world as shown below.

3. Water plant for 89 Tribal families the village of Ameenabad, Guntur, India.

The scheduled tribe community living outside the village of Ameenabad had only access to ground water with high amounts of salinity, arsenic, fluoride, and other heavy metals like cadmium. Doctors suggested not to drink this water specially children, pregnant women and aged. But the quantity of water provided by the Government is so insufficient that due to the request of Sister Joshi from the Jesuits Community, we agree to install this water treatment machinery under reverse Osmosis with a capacity of 2000 litres per hour. Through this water plant, 300 people have now access to safe drinking water.

TRUSTEES' REPORT

YEAR ENDED 31ST DECEMBER 2020

FINANCIAL REVIEW AND RESERVES POLICY

The financial position is set out in the Statement of Financial Activities, together with the Balance Sheet and Notes to the Financial Statements.

RESERVES POLICY

The accumulated reserves at 31 December 2020 amount to £2,124,649 (2019: £2,314,340).

The Trustees have set a reserves policy that will ensure the long term viability of the charity to promote its chosen causes. To facilitate this, the Trustees have not distributed unrestricted income received in the prior year. These funds are being invested to earn an income stream which is currently providing grants and scholarships. This policy will be reviewed regularly and updated annually as appropriate.

RISK ASSESSMENT

The Trustees have active involvement in the day to day running of the charity. This involvement ensures that they are fully aware of the risks and required action to sufficiently mitigate those risks. As the charity grows the Trustees will more formally record the risk assessment process they undertake as part of their duties as trustees.

The accounts are approved during a period where there is much uncertainty as a result of the emergence and international spread of a coronavirus (COVID-19). The Charity has been able to implement contingency planning arrangements for such circumstances and been able to implement remote working. The ultimate impact of COVID-19 on the UK, the world, the economy, the education community and the Charity is yet to be seen. However, through appropriate consideration of risks as part of its normal risk management processes and mitigating actions both already taken and available to be taken, the Trustees consider it appropriate for the going concern basis to be adopted for these accounts.

GRANT MAKING POLICY

The Trustees award grants based upon each grant application's individual merits. In many occasions the grant application will form part of a larger application to an educational institution. In this case the charity's trustees are represented on the panel considering the grant application and have ultimate decision making powers.

During the year grants totalling £160,134 (2019: £175,928) were made. The vast majority of the grants were made to other charitable organisations.

TRUSTEES' RESPONSIBILITIES STATEMENT

The Trustees, who are also directors of the charitable company, are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the profit or loss of the charitable company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

THE FRIENDLY HAND

TRUSTEES' REPORT

YEAR ENDED 31ST DECEMBER 2020

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as each of the directors is aware at the time the report is approved:

- there is no relevant audit information of which the charitable company's independent examiner is unaware; and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the independent examiner is aware of that information.

THE FRIENDLY HAND

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31ST DECEMBER 2020

I. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared in accordance with the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Preparation of accounts on a going concern basis

The Trustees have assessed the Charity's requirements for the foreseeable future, including any likely donations requests, in light of the COVID-19 pandemic. It is unclear what the medium-term outlook for group gatherings and meetings is likely to be, however the Trustees have taken a conservative approach to budgeting and will continue to assess the situation as it develops.

The Trustees are however confident that the Charity's reserves are sufficient to enable operations (including likely donations requests) to continue at a sustainable level for a period of at least 12 months from the date of approval of these financial statements. The Charity therefore continues to adopt the going concern basis in preparing its financial statements. As there are no material uncertainties about the Charity's ability to continue operating, the accounts have been prepared on a going concern basis.

Fund accounting

Unrestricted funds comprise accumulated surpluses and deficits on general funds. They are available for use at the discretion of the Trustees in furtherance of the general charitable objectives.

Expendable endowment funds arise where the terms of the donation stipulate that the funds are to be treated as capital but may be expended at the discretion of Trustees within the objects of the charity. Accordingly, the Trustees have the right but not the duty to expend the capital as they see fit.

Income

Income represents the total income receivable during the year and principally comprises rent receivable, donations and bank interest for the charitable objects. All income is included in the statement of financial activities when the charity is entitled to the income, it is probable that income will be received and the amount can be quantified with reasonable accuracy. Gifts in kind are included at current market value.

Expenditure

Expenditure including irrecoverable VAT is charged to the Statement of Financial Activities on an accruals basis.

Charitable expenditure

Charitable expenditure comprises expenditure directly attributable or allocated to the principal activity of the charity.

Grants

Grants payable are accounted for on an accruals and commitment basis with amounts committed but not paid included within creditors.

THE FRIENDLY HAND

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31ST DECEMBER 2020

I. ACCOUNTING POLICIES (continued)

Governance costs

Governance costs comprise those costs that cannot be directly attributed to charitable activities. These costs are incurred in connection with the compliance with constitutional and statutory requirements.

Investments

Investments are a form of basic financial instruments and are initially shown in the financial statements at market value. Movements in the market values of investments are shown as unrealised gains and losses in the Statement of Financial Activities.

Profits and losses on the realisation of investments are shown as realised gains and losses in the Statement of Financial Activities. Realised gains and losses on investments are calculated between sales proceeds and their opening carrying values or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

Investment property is stated at valuation. No depreciation is provided.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Foreign currency

Transactions denominated in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date. Any gain or loss arising from a change in exchange rates subsequent to the date of the transaction is reported as an exchange gain or loss in the profit and loss account.

Areas of critical judgement and estimation

There are no areas of critical judgement and estimation used in preparing these financial statements.
