Directors' report

The directors present their directors' report and the audited financial statements for the 52 weeks ended 12 September 2015.

Principal activity

The principal activity is that of an investment company.

Business review and future developments

The main activity of the company was to hold shares in another group company and the directors expect that any future developments will be related to this activity.

Trading results, dividends and transfer to reserves

The result on ordinary activities after tax amounted to £nil (2014 £nil).

No dividend is recommended for the period (2014 £nil).

Disclosure of information to auditors

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditor is unaware; and each director has taken all the steps that he or she ought to have taken as a director to make himself or herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Directors and directors' interests

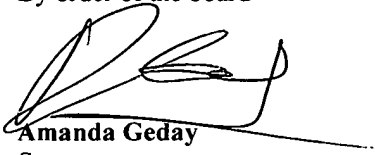

The directors who held office during the period were as follows:

Guy Weston
George Weston
Kate Hobhouse
Stephen Hancock

Notification of an interest in the shares of this company and shares in or debentures of other group companies by the directors was not required because at the end of the period each was also a director of a company of which this company is a wholly owned subsidiary undertaking.

No director had at any time during the period any material interest in a contract with the company.

Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Notes

(forming part of the financial statements)

1 Accounting reference date

The accounting reference date of the company is the Saturday nearest to 15 September. Accordingly, these financial statements have been prepared to 12 September 2015.

2 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared under the historical convention and in accordance with applicable United Kingdom accounting standards (UK GAAP) and the Companies Act 2006.

Under Financial Reporting Standard 1 (revised) the company is exempt from the requirement to prepare a cash flow statement on the grounds that it is a wholly owned subsidiary undertaking. A group cash flow statement is included in the financial statements of Wittington Investments Limited.

As the company is a wholly owned subsidiary of Wittington Investments Limited, the company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group (or investees of the group qualifying as related parties). The consolidated financial statements of Wittington Investments Limited, within which this company is included, can be obtained from Companies House.

The company is exempt by virtue of s400 of the Companies Act 2006 from the requirement to prepare group financial accounts. These financial statements present information about the company as an individual undertaking.

Profit and Loss Account

The company did not trade during the period, or the preceding period, and made neither a profit nor a loss. There were also no other recognised gains or losses for the current financial period or the preceding financial period. Accordingly neither a profit and loss account nor a statement of recognised gains and losses has been presented.

Going Concern

The financial statements have been prepared on a going concern basis, notwithstanding net current liabilities of £34,491,000 which the directors believe to be appropriate for the following reasons:

The company is dependent upon its parent company, Wittington Investments Ltd (Wittington) for continuing financial support. Wittington has provided the company with an undertaking that it will continue to make available such funds as are needed by the company until presentation of its financial statements for the period ending 12 September 2015 and accordingly the directors consider it appropriate to continue to adopt the going concern basis in preparing the company's financial statements.

Fixed asset investments

Fixed asset investments are stated at cost less amounts written off in respect of any permanent diminution in value.

3 Operating costs

The directors received no emoluments in respect of their services to the company.
