## Directors' report

The directors present their annual report and the audited financial statements for the period ended 14 September 2002.

### Principal activity

The principal activity is that of an investment company.

### Business review and future developments

During the period the main activity of the company was to hold shares in another group company and the directors anticipate that any future developments would be related to this activity.

### Trading results, dividends and transfer to reserves

The profit and loss account for the period is set out on page 4. The loss on ordinary activities after taxation amounted to £232,229 (2001: £nil).

No dividend is recommended for the period (2001: £nil).

### Directors and directors' interests

The directors who held office during the period were as follows:

Guy Weston  
HW Bailey (resigned 8 July 2002)  
Giles Ridley (appointed 8 July 2002)

Notification of an interest in the shares of this company and shares in or debentures of other group companies by Guy Weston and HW Bailey was not required because at the end of the period each was also a director of a company of which this company is a wholly owned subsidiary undertaking. Giles Ridley notified no interests.

No director had at any time during the period any material interest in a contract with the company, other than service contracts.

## Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have a general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## **Independent auditors' report to the members of WILH (Investments) plc**

We have audited the financial statements on pages 4 to 9.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### ***Respective responsibilities of directors and auditors***

The directors are responsible for preparing the directors' report and, as described on page 2, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

### ***Basis of audit opinion***

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### ***Opinion***

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 15 September 2002 and of its loss for the period then ended and have been properly prepared in accordance with the Companies Act 1985.
