Reference and administrative details of the charity, its trustees and advisors (continued)

Structure, governance and management

The charity is a company limited by guarantee and was formed on 5 June 2001. It is governed by a memorandum and articles of association incorporated 5 June 2001 as amended by special resolutions dated 28 May 2002 and 12 October 2012. The liability of the members in the event of the company being wound up is limited to a sum not exceeding £1.

The company was registered as a charity on 27 June 2002.

Method of recruitment and appointment of trustees

The trustees of the charity are also the directors for the purposes of company law and are appointed by the members at the AGM. Not more than five persons, who must be members of the Company, may be co-opted by the trustees.

- At every Annual General Meeting one third of the elected members of the Board of Trustees shall retire from office.
- The members to retire shall be those longest in office since their last election.
- A retiring member shall be eligible for re-election provided that no person shall serve for more than six consecutive years.
- Persons co-opted on the Board shall retire at the first Annual General Meeting following their appointment but shall be eligible for further co-option or election.

Objectives and activities

The charity's objects

To relieve asylum seekers and refugees and other migrants in the Leeds Metropolitan District (the area of benefit) who are in conditions of need, hardship and distress by reason of their social and economic circumstances by such charitable means as the trustees shall determine including the advancement of education, relief of poverty and the preservation and protection of good health.

The charity's main activities

Befriending - volunteers provide practical support to the refugees and asylum seekers they are matched with: helping people to access health and social care services, to make stronger connections with their communities and to make friends. Befriending reduces isolation, improves well-being, and encourages integration and greater self-reliance among asylum seekers and refugees.

- 38 volunteers were matched with 52 asylum seekers and refugees, and provided one to one support.
- Befriending enabled refugees and befrienders to find out more about Leeds and make greater social connections by arranging a wide variety of trips and social activities – from trips to the seaside, to museums and galleries, sporting events, theatre and opera visits, and cultural events.
- LASSN employed two people with lived experience to help organise summer activities for families experiencing food poverty, and to help support the families to plan and run trips to green spaces.
- #musicwithoutborders – a collaboration with Open Source Arts, Leeds Refugee Forum and RETAS – got 150 people dancing, listening, playing and DJing music from all across the world.
- LASSN collaborated with RETAS to widen access to their Welcome to Leeds programme, which helps people who are new to Leeds to make friends and find their way around their new home.

Connecting Opportunities – offers new migrants who are thinking about work the chance to build their confidence, improve their English, make contacts and friends in their local community, and to find out about additional help and support available to them. LASSN's volunteers are matched with a refugee or migrant and meet up with them for a couple of hours each week, building a relationship with them, and encouraging them to try new things.

29 volunteers were matched with 30 people who wanted to move closer to work.

Supporters - LASSN benefits from a huge number of supporters and individual donors.

Grant Making Policy

LASSN works in partnership with other stakeholders within the refugee sector, in order to provide better services for asylum seekers and refugees. On some occasions this partnership working involves receipt of a grant for specific projects, where LASSN may agree to be responsible for receipt and distribution of the full grant award to partners, in accordance with funding agreements. The Hardship Fund is administered by Leeds Refugee Forum and is made up of donations for the restricted purpose of providing subsistence support to destitute asylum seekers. Grants are made to a third party or directly to individuals in exceptional circumstances, to this end.

Related parties

- LASSN works in close partnership with Leeds Refugee Forum. The Chair of Leeds Refugee Forum is invited to attend LASSN Trustees Meeting in an advisory capacity, and vice versa.
- LASSN works in partnership with Leeds Refugee Forum to raise donations for the Leeds Hardship Fund for destitute asylum seekers.
- LASSN works closely with Positive Action for Refugees and Asylum Seekers (PAFRAS) and the British Red Cross who both provide support and advice for clients staying with Grace Hosting.

Public benefit statement

All of LASSN's activities and projects relate to the aims of the charity. All existing activities and new developments are clearly aimed at asylum seekers, refugees and other migrants at risk of harm or exploitation. LASSN's activities are organised in a way that makes them as accessible as possible – usually meeting asylum seekers and refugees in their own homes, or close to where they live.

Addressing the hardship and destitution experienced by many asylum seekers remains a key priority for LASSN, alongside integration support for people who have gained refugee status.

LASSN continues to have a good reputation and support within the local community, and seeks to partner with other agencies at every opportunity: seeking improvements and changes for individuals (eg by ensuring all Grace Guests receive destitution support from British Red Cross or PAFRAS) as well as influencing the development of local, regional and national strategy (through involvement with Leeds Migration Partnership, the West Yorkshire Destitution Network, The West Yorkshire Sub-regional Migration Group and No Accommodation Network).

Achievements and performance

LASSN has made significant progress in all three of its strategic objectives this year.

1. Supported

LASSN wants asylum seekers and refugees to be supported and relieved from hardship and distress. LASSN wants local people to support asylum seekers and refugees.

- 372 asylum seekers and refugees received one to one support from LASSN. If we count the total number of children 362 and other dependents in these households (35), LASSN supported a further 397 people - (an overall total of 769).
- 5,375 nights of accommodation were provided by Grace Hosts to 89 guests.
- 303 people volunteered with LASSN.
- £7,060 was distributed in hardship grants to 90 households.

2. Empowered

LASSN wants asylum seekers and refugees to be empowered to rebuild their lives and fulfil their potential and for individuals and refugee communities to have a voice and influence.

- By connecting asylum seekers, refugees and other migrants with mentors and befrienders, 82 people were able to improve their social connections and their overall health and well-being.
- 22 English at Home students successfully enrolled on a college ESOL course, and another 19 now attend weekly free classes outside their homes.
- 52 refugees and asylum seekers, and other people lived experience of migration volunteered with LASSN: assisting with recruitment and selection; training volunteers; representing LASSN at conferences and Strategic meetings; public speaking; interpreting and translating; organising trips and socials; making films; and publicising our work.
- The transitionguide.org.uk provides detailed summary of the rights and entitlements of new refugees living in Leeds as well as practical tips about how to secure these.

3. Integrated

LASSN wants asylum seekers and refugees to feel settled and safe in their new environment in Leeds and for Leeds to be a place of welcome and understanding for asylum seekers.

- 263 asylum seekers and refugees were supported to improve their confidence in speaking and writing English, through our befriending and English at Home projects.
- All of the people we work alongside were encouraged to find out more about life in the UK, as volunteers helped them to find their feet in Leeds, and to understand more about where they lived, and how Leeds works.
- 421 posts on migrationpartnership.org.uk helped keep 10,000 people abreast of the changing face of asylum services in Leeds and beyond.
- The lassn.org.uk website had more than 16,000 visitors, LASSN's Facebook page has over 1,500 likes and LASSN has 1,600 Twitter followers.

Financial review

The net income for the year, after transfers, was £58,942, including net income of £33,427 on unrestricted funds and net income of £25,515 on restricted funds.

The overall financial climate does not seem to be improving, and it is as difficult as ever to find grant income to replace ones which are coming to an end. It remains difficult to find funding to cover the costs of our core costs, and information and awareness.

LASSN still benefits enormously from the generosity of individual donors and supporters, whose contributions to unrestricted funds which ensures the continued operation of LASSN projects when funding streams have come to an end.

Reserves policy

The charity's free reserves at the year end were £103,060. The trustees have reviewed the reserves policy and aim to hold reserves equivalent to three months running costs or the cost of closing down the organisation in an orderly manner, whichever is higher. The trustees also aim to build up reserves to meet unexpected costs like break down of essential office machinery, staff cover for illness, maternity leave, parental leave, or unexpected gaps in funding. Currently reserves are sufficient to meet all obligations if it became necessary to close the organisation.

As at 31 March 2019 the trustees estimate £60,000 of unrestricted funds is needed to meet the requirements of the reserves policy.

The Pensions Trust continues to advise regarding a deficit in our historic pension scheme arrangements (see notes 11 and 12 to the accounts). In view of this, the trustees have decided to setup a separate reserve with the intention of building up sufficient funds to pay off this deficit and exit from the fund. In this financial year, the trustees have elected to designate a further £7,000 to this reserve.

Risk management

The trustees identify the major risks to which the charity is exposed as circumstances arise, prepare and update a strategic plan, in particular those related to the operations and finances of the charity. The trustees then review any major risks which have been identified and establish systems to mitigate these risks.

The charity is dependent on grants, gifts and donations and there is the risk that such items may not be received. There are particular risks of changes to government policy on asylum and immigration. In order to mitigate these risks, the Director prepares funding applications and senior representatives of other key agencies are called upon to give reference on our viability and effectiveness.

There are risks associated with working with children and adults at risk of harm or exploitation, as well as for volunteers working in the community and in asylum seekers' homes. LASSN's policies and procedures around the safeguarding of adults and children. In addition have all been revised and updated, and LASSN continues to provide detailed policy and guidelines for volunteer roles; the disclosure of criminal records; health and safety; equal opportunities; disciplinary and grievance procedures for staff; appropriate insurance; training volunteers on personal safety and safeguarding; references for volunteers, and regular supervision.

Statement of trustees' responsibilities

The trustees (who are also the directors for the purposes of company law) are responsible for preparing the Trustees report and the financial statements in accordance with the applicable law and UK Accounting Standards.

Company law requires the trustees to prepare financial accounts for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the trustees are required to:

select suitable accounting policies and apply them consistently;

observe the methods and principles in the Charities SORP;

make judgements and estimates that are reasonable and prudent;

state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;

prepare the accounts on a going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (Charities SORP (FRS102)), and in accordance with the special provisions of the Companies Act 2006 relating to small companies.

I report to the charity trustees on my examination of the accounts of the charitable company for the year ended 31 March 2019, which are set out on pages 10 to 18.

Responsibilities and basis of report

As the charity's trustees of the charitable company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charitable company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charitable company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act.

I confirm that I am qualified to undertake the examination because I am a member of ACIE which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the accounts

for the year ended 31 March 2019

1 Accounting policies

Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

There has been no change to the accounting policies since last year.

No changes have been made to the accounts for previous years.

Going concern

The trustees are satisfied that there are no material uncertainties about the charity's ability to continue.

Incoming resources

All incoming resources are included in the Statement of Financial Activities (SOFA) when the charity becomes entitled to the resources, it is more likely than not that the trustees will receive the resources and the monetary value can be measured with sufficient reliability.

Grants and donations

Grants and donations are only included in the SOFA when the charity has unconditional entitlement to the resources.

Where grants are related to performance and specific deliverables, they are accounted for as the charity earns the right to consideration by its performance.

Expenditure and liabilities

Expenditure is recognised on an accrual basis as a liability is incurred. Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out the resources and the amount of the obligation can be measured with reasonable certainty.

Taxation

As a charity the organisation benefits from rates relief and is generally exempt from income tax and capital gains tax but not from VAT. Irrecoverable VAT is included in the cost of those items to which it relates.

Tangible fixed assets

Tangible fixed assets costing more than £1,000 are capitalised and included at cost including any incidental expenses of acquisition. Gifted assets are shown at the value to the charity on receipt. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost on a straight line basis over their expected useful economic lives as follows:

Office (including computer) equipment: over 4 years

for the year ended 31 March 2019

1 Accounting policies (continued)

Pensions

The charity operates a defined contribution scheme for the benefit of its employees. The costs of contributions are recognised in the year they are payable.

The charity also operates a defined benefit scheme. There is one active member of the scheme and no new memberships are offered to this scheme.

It is not possible in the normal course of events to identify on a reasonable and consistent basis the share of underlying assets and liabilities belonging to individual participating employers. The Plan is a multi-employer scheme, where the assets are co-mingled for investment purposes, and benefits are paid out of the Plan's total assets. Accordingly, due to the nature of the Plan, the accounting charge for the period under FRS102 represents the employer contribution payable.

Where a plan has been agreed to fund an identified deficit a liability is recognised for the present value of the contributions payable that arise from that agreement (to the extent that they relate to the deficit) and the resulting expense recognised in the Statement of Financial Activities.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

Further explanation of the nature and purpose of each fund is included in the notes to the accounts.

11 Defined benefit pension scheme

The charity is a member of The Pensions Trust, a multi-employer defined benefit pension scheme. It is not possible in the normal course of events to identify on a reasonable and consistent basis the share of underlying assets and liabilities belonging to individual participating employers. The Plan is a multi-employer scheme, where the assets are co-mingled for investment purposes, and benefits are paid out of the Plan's total assets. Accordingly, due to the nature of the Plan, the accounting charge for the period under FRS102 represents the employer contribution payable.

Leeds Asylum Seekers' Support Network paid contributions at the rate of 5% during the accounting period. Members paid contributions at the rate of 5% during the accounting period.

As at the balance sheet date there was one active member of the Plan employed by Leeds Asylum Seekers' Support Network and no new memberships are offered to this scheme.

Defined contribution pension scheme

All other employees are now part of the NEST scheme (under auto-enrolment requirements).

Leeds Asylum Seekers' Support Network paid contributions at a rate between 2.5% and 5% during the accounting period; members paid contributions at the same rate.

New employees are enrolled in the NEST scheme.

12 Contingent liabilities

The Pension Trust Scheme buy-out funding deficit at 30 September 2018 was £149.6m (2017 - £187.2m). A revised recovery plan was implemented in April 2016 with new contributions. The charity has not been required to make any deficit contributions.

Leeds Asylum Seekers' Support Network has been notified by The Pensions Trust of the estimated employer debt on withdrawal from the Plan based on the financial position of the Plan as at 30 September 2018. As of this date the estimated employer debt for Leeds Asylum Seekers' Support Network was £10,926.
