We have audited the financial statements of 47/48 Grosvenor Street Limited for the year ended 31 December 2003 which comprise the profit and loss account, the statement of total recognised gains and losses, the balance sheet and the related notes 1 to 15. These financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets and the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. **47/48 GROSVENOR STREET LIMITED****NOTES TO THE FINANCIAL STATEMENTS****1. ACCOUNTING POLICIES****(a) Basis of accounting**

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain fixed assets, and in accordance with applicable United Kingdom accounting standards. The accounting policies adopted are consistent with the previous year.

**(b) Cash flow statement**

The directors have taken advantage of the exemption in FRS1 'Cash flow statements' from including a cash flow statement in the financial statements on the grounds that the company is wholly owned and its parent publishes a consolidated cash flow statement.

**(c) Turnover**

The turnover shown in the profit and loss account represents rents receivable in the year, excluding VAT.

**(d) Depreciation**

In accordance with SSAP19 (Revised) 'Accounting for Investment Properties' no depreciation is provided on freehold or on leasehold properties with an unexpired term exceeding twenty years. The directors consider that this departure from the requirement of the Companies Act 1985 for all properties to be depreciated is necessary for the financial statements to show a true and fair view, since depreciation is reflected in the open market valuation and cannot be quantified separately.

**(e) Investment properties**

Investment properties are valued annually at open market value by independent valuers. Any surplus or deficit on revaluation is transferred to the revaluation reserve, except that if a permanent diminution in value below original cost arises it is taken to the profit and loss account. Investment properties under development are stated at cost, except where the directors consider that the value has fallen below cost, when they are revalued to the lower amount. The revaluation deficit is transferred to the revaluation reserve unless it is considered permanent, in which case it is charged to the profit and loss account. Profits and losses on the disposal of investment properties are recognised on unconditional exchange of contracts and are calculated by reference to book value and are included in the profit and loss account.

**(f) Deferred taxation**

Deferred taxation is provided in full in respect of timing differences between the recognition of income and expenditure for accounting and taxation purposes. Deferred taxation is not provided in respect of unrealised revaluation surpluses where there is no commitment to sell the asset. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

**2. TURNOVER**

Turnover and profit before tax are attributable to the one principal activity of the company in the United Kingdom.
