FINANCIAL REVIEW

Principal funding sources

The Charity's principal funding source is from members and individuals who attend services and make contributions in the form of freewill offerings, tithes and other donations.

Investment policy and objectives

The trustees are of the opinion that the performance of the charity from a financial standpoint is in line with their expectations and plans for the charity.

Reserves policy

As at 31st March 2022, the level of reserves available for the Charity's use (i.e. unrestricted funds and not represented by fixed assets) was £2,817,763.

These reserves are held to ensure that we can meet our commitments to providing our services and activities and staffing obligations in the event of a reduction or absence of funds/volunteer donations; and to meet some key events that are capital intensive e.g. About This Time Next Year (ATTNY) and My Destiny Must Rise (MDMR), Breakthrough Nights or towards the acquisition of a permanent site or payment for venues.

FUTURE PLANS

The Charity continues to explore ways of furthering its charitable objectives in an effective manner by ensuring there is awareness of its services and by seeking opportunities to be more involved in the community.

The Charity seeks to provide services and activities that meet the needs of people and contribute to a positive change in the moral and spiritual climate in its environs, this reflects its Christian ethos and beliefs.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Church is a charitable company limited by guarantee, incorporated on 14 June 2001 and registered as a charity on 14 March 2002. It is governed by its Memorandum and Articles of Association and is managed by a Board of Trustees. Decisions are determined by a simple majority vote by the Trustees who set the strategic direction of the Charity. Delegated authority has been given to the Visionary Pastor, the Executive Pastor and the implementation team led by the Resident Pastor for the day to day running of the operations of the Charity.

Recruitment and appointment of new trustees

Trustees are selected on the basis of the contribution that they will make to the governance of the organisation and the skills that they will contribute. They are provided with copies of the "Charity Commission's Guidance to Trustees" and are also provided with training as and when required.

Risk management

The Trustees review the major risks that the charity is exposed to at their meetings and are satisfied that systems are in place to manage the risks that have been identified. In particular, insurance cover is in place and the finances of the Charity are kept under review. Appropriate Disclosure & Barring Service check (DBS), supported by regularly reviewed policies are done for all those who work with children or other vulnerable groups with the Charity. Internal control risks are minimised by the implementation of procedures for authorisation of significant transactions and projects. Qualified and appropriately experienced employees are appointed and external consultants are engaged to advise on significant issues.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of The Everlasting Arms Ministries for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act"). Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). - accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- •the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

ACCOUNTING POLICIES

1.

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention

Going concern

The trustees (who are the charitable company's directors for the purposes of company law) have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and the possible implications should projected income and / or expenditure vary unexpectedly. The trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue to operate for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Land and Buildings

- 1% Straight-line

Furniture and Fittings

- 17% Straight-line

Office equipment Motor vehicles - 20% Straight-line - 25% Straight-line

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
