Structure, Governance and Management

The Langham Partnership (UK and Ireland) [LPUKI], is a company limited by guarantee and a registered charity governed by its Memorandum and Articles of Association. LPUKI was an original member of the Langham Partnership formed in 2001. It signed up to the provisions set out in the Langham Partnership International Protocol first adopted September 2003 (latest revision adopted November 2013) and is currently one of the 6 National members. Langham's global programmes are jointly owned by, and are internationally operated through, the staff and funds provided by all 6 Members. The location and development of the Langham Service Centre in Carlisle results in additional responsibilities for LPUKI and the need for the LPUKI Board to have visibility of the programme incomes and expenditures and cash flow requirements on a regular basis, in order to exercise its fiduciary interest in the programme funds passing through the LPUKI accounts.

New Trustees are appointed by the existing Trustees in accordance with the Articles of Association, which specify that there must be a minimum of three Trustees at any one time, with no set maximum. The Board meets a minimum of three times a year, with one of these being a longer residential. Newly appointed trustees are provided with a full induction and the Chair and CEO provide training. Some roles require an appropriate professional qualification but most roles do not. Each year the Chair and CEO consider the number of vacancies likely to be available on the board against the particular skills, experience and other attributes that are being sought at that time to maintain diversity. Internal advertising to supporters and related organisations and approaches to known experts in key fields are the methods generally used for filling Trustee vacancies.

The Trustees have examined the major strategic, business and operational risks that LPUKI faces and review regularly an updated risk management matrix, confirming an assessment has been made of current risks and appropriate mitigating actions are in place. Those of primary concern to the Trustees at present continue to relate to growing current income for the charity with a donor base that is ageing and in recruiting new supporters through updated methods. Significant time and resources are now being invested in raising Langham's profile. Potential foreign exchange fluctuations post Brexit are of concern and require the transparency and modelling made possible by the new global accounting system. Where much of Langham's operation spans the globe, the rise in visa restrictions and their complexity is starting to have significant impact on planning.

Fundraising Policy

The charity is registered with the Fundraising Regulator and adheres to its Code of Practice as well as the Charity Commission guidelines on fundraising. Trustees are issued with the Institute of Fundraising 'Practical Handbook' (2016) and activity is reviewed annually against this. The charity only fundraises and promotes support via specific written information which is issued in response to explicit written consent or personal enquiry direct or through the website. No cold calling, telephone or street fundraising is carried out and no inducements are made to staff or volunteers. No professional fundraisers or commercial participators carried out any fundraising activities on behalf of the charity. Our privacy policy covers how we use our donors' data and provides opportunities for all donors to opt out of contact with us or make a complaint at any point. Overseeing fundraising is the responsibility of our Supporter Development Manager who is a member both of the Institute of Fundraising, and our senior leadership team. No complaints linked to fundraising have been received during the period under review.

Objectives and Activities

The charitable company's objects as stated in its governing document are the advancement of the Christian religion, based on the belief set out in the Bible. This is given expression in the following ways;

- The writing, printing, publication and distribution of Christian literature
- Preaching and teaching
- Provision of post-graduate theological education and training

Public Benefit

The objects of LPUKI are focused on education and teaching as a core means of advancement of the Christian religion in the Majority World (Latin America, Africa, Asia, the Middle East and Eastern Europe), to help the global church grow in maturity. This is done by providing grants, scholarships, training workshops, assistance in the creation, publication and distribution of literature and also includes the facilitation of local preaching networks.

In shaping our objectives for the year and planning our activities, the trustees have also considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

Mission and main activities

Our vision is to see churches in the majority world equipped for mission and growing in maturity in Christ, through the ministry of pastors and leaders who believe, teach and live by the Word of God. We achieve the objects of the charity and our mission to strengthen the ministry of the Word of God, through:

- Funding and nurturing national movements for biblical preaching and teaching networks in the Majority World, aimed at a wide range of church leaders who could not usually afford such training within their regions.
- Supporting individuals and publishing houses in the Majority World through mentoring, writing, publication and distribution of Christian literature. This support is provided as free consultancy work, writers' workshops and also through the provision of financial grants and books.
- Providing scholarships and family support to scholars seeking further theological training to doctoral level. It is a condition that Scholars return to their home countries in order to train others and develop training institutions in the Majority World.

The Langham Partnership carries out these programme initiatives in partnership with institutions and individuals in the countries where we operate. LPUKI has been a major contributor to a strategic planning process involving all six national Langham members and the three international programs. This process informed our global Strategic Plan and Growth Campaign which, after 2 years (out of 5) has been reassessed and extended in the light of the Covid-19 pandemic

Achievements and Performance

Our global Strategic Plan continues on course to double our global impact in financial terms over 5 years and then to sustain that level for a further 10 years, while resources are committed to growing our regular core income to match. This Plan was deliberately plateaued in the wake of Covid-19 pending greater clarity over the global economic situation and the response of our donors. In the event Langham's expansion was less constrained by the economic impact on donors, who remained extremely generous, but rather by the continuing uncertainties in international and regional travel. However, the excellent numbers given below are independently assessed and are given for Langham Partnership as a whole because UKI specific impact numbers are not independently collected.

Full use of real-time virtual, digital media continues to significantly help maintain impact as well as reducing travel and admin costs. Together with our supporters, and with God's grace, this past year these 3 programmes have accomplished:

Special Events

As well as seeing the continued momentum in all Programmes, 2021/22 saw two particular milestones in Langham's development:

First, having been delayed due to Covid restrictions, the **Centenary of Birth of our Founder, John Stott**, was celebrated exactly 1 year late (27th April) with a group of up to 55 Langham Partnership staff and board members meeting in London for 2 weeks. Many then took the opportunity for an extended break for further meetings and reflection at Sunny Bank in the Lake District. In the event unfortunately Covid-19 again impacted individual and group movements but without completely distracting from the sense of the occasion's significance.

The programme included 45 members being welcomed at St Paul's Cathedral on Easter Sunday and a special service that evening in All Souls, Langham Place. Trips to Cambridge to 'follow John Stott's footsteps' included Bishop Timothy Dudley-Smith welcoming the party of 50 to Ridley Hall and then to Trinity College where the party enjoyed presentations in the Wren Library and Chapel followed by an excellent Celebration Dinner.

Secondly, after several years of anticipation and a solid year of construction and development, handover from the contractors took place 27th August of **Langham's new International Service Centre**, Lancaster street, Carlisle. This is already enabling significant operational gains, providing a modern, spacious office workplace and large warehouse where gains in productivity, communication and efficiency are already very noticeable.

Laying the foundations for our soon-to-be-launched Magnify growth Campaign was the major mission and ministry investment of the year. The planning phase, board engagement, staff involvement and production of profile and materials all having taken place, we look forward to rolling out the Campaign during 2022/23.

Our thanks are due to so many for the successes of the year, to our committed and generous Donors, the Service Centre contractors, Centenary hosts and gifted, sacrificial staff. We give thanks to God for his continuing to draw us forward through a time of significant change and development while increasing our fellowship and growing the impact of our work. We also remember many in our Langham family in Ukraine and other inhospitable areas of the world and thank the Lord for the privilege of serving with them as we continue to pray for their blessing and protection.

Financial Review

The 2021-22 impact of our programmes (see 'Achievements and Performance', above) depends on the Group raising £7.4m in donations and other income. Much of this flows through UKI, both due to its role as banker to the group and the location of the Langham Service Centre in Carlisle, UK. There are about £2.1m of internal 'inter entity transfers' through UKI accounts.

Of the £7.4m raised by the Group in 2021-22 (largely through donations) £1.6m was contributed directly from LPUKI income. This enabled the Group to spend £7.3m on Programmes directly and via global ministry support, of which £4.0m has been expended through LPUKI.

Remuneration policy

Salaries are set by benchmarking against market rates, normally based on Church on England levels suitably adjusted where similar positions occur in the wider charity sector or in order to fit local part time job scales.

Reserves Policy

Total funds held as at 30 June 2022 were £2,390k, of which £1,191k is restricted and not available for the general purpose of the charity and £1,199k is unrestricted. Free reserves, representing unrestricted funds less designated funds totalled £1,301k.

The trustees have assessed LPUKI's risks and determined the level of free (designated 'policy') reserves required, based on a formula that takes account of 3 month's operational costs, 1-month strategic reserve, multi-year program commitments especially for Scholars and contingency reserve needs, for example for the Hookses property. As such, a Reserves Policy Fund has been established with a current calculated requirement of £279k, which is included within designated funds.

Trustees are mindful of the deficit held on the 'designated funds programme' line which is reducing the overall level of free reserves. This emerges from LPUKI's role as banker for the programmes and will be addressed as funds are received to support programme activity in the 2022-23 financial year.

Trustees will continue to review LPUKI's reserves policy and level of reserves on an annual basis, in the light of changing risks and developing strategies and plans.

Investment policy

The trustees have the power to make any investments that they think fit. They have considered the most appropriate policy for investing funds and have found the specialist unit trusts designed for the charity sector meet their requirements to generate both income and capital growth.

Auditors

Moore Kingston Smith LLP were re-appointed to act as Auditors at the last year's AGM and we are grateful for their diligence and advice during the year.

Trustees' Responsibilities

The trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial period that give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- comply with applicable accounting standards, including FRS 102, subject to any material departures disclosed and explained in the financial statements;
- observe the methods and principles in the Charities SORP
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

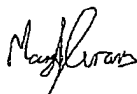

The trustees who held office at the date of approval of this Annual Report as set out above each confirm that:

- so far as they were aware, there is no relevant audit information (information required by the charitable company's auditors in connection with preparing their report) of which the charitable company's auditors are unaware; and
- as trustees of the charitable company, they have taken all the steps that they ought to have taken in order to make themselves aware of any relevant audit information and to establish that the charitable company's auditors are aware of that information.

Small company

This report has been prepared in accordance with the provisions applicable to companies subject to the Small Companies' regime in Part 15 of the Companies Act 2006.

**REPORT OF THE INDEPENDENT AUDITORS
TO THE MEMBERS OF THE LANGHAM PARTNERSHIP (UK & IRELAND)**

Opinion

We have audited the financial statements of The Langham Partnership (UK & Ireland) ('the charitable company') for the year ended 30 June 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard Applicable in the UK and Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 June 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of financial statements section of our report. We are independent of the Corporation in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

(10)

REPORT OF THE INDEPENDENT AUDITORS
TO THE MEMBERS OF THE LANGHAM PARTNERSHIP (UK & IRELAND)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' annual report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' annual report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' annual report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the Trustees' Annual Report and from preparing a Strategic Report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 8, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

(11)

**REPORT OF THE INDEPENDENT AUDITORS
TO THE MEMBERS OF THE LANGHAM PARTNERSHIP (UK & IRELAND)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the charitable company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charitable company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

The objectives of our audit in respect of fraud, are; to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with both management and those charged with governance of the charitable company.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory requirements applicable to the company and considered that the most significant are the Companies Act 2006, the Charities Act 2011, UK financial reporting standards as issued by the Financial Reporting Council and UK taxation legislation.
- We obtained an understanding of how the charitable company complies with these requirements by discussions with management and those charged with governance.
- We assessed the risk of material misstatement of the financial statements, including the risk of material misstatement due to fraud and how it might occur, by holding discussions with management and those charged with governance.
- We inquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations.

THE LANGHAM PARTNERSHIP (UK & IRELAND)
(Limited by Guarantee)

(12)

REPORT OF THE INDEPENDENT AUDITORS
TO THE MEMBERS OF THE LANGHAM PARTNERSHIP (UK & IRELAND)

- Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2022

1 ACCOUNTING POLICIES

Accounting convention

These financial statements are prepared on a going concern basis, under the historical cost convention, as modified by the revaluation of investments being measured at fair value through income and expenditure within the Statement of Financial Activities.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) including update bulletin 2, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

The principal accounting policies adopted in the preparation of the financial statements are set out below.

Going concern

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and have taken account of pressures on donation and investment income.

The trustees have given due consideration to the risks to the financial sustainability of the organisation following the Covid-19 pandemic, and the current inflationary pressures.

The 2021-22 financial year has shown the resilience of Langham's income streams in the face of these pressures.

Langham has control mechanisms in place to enable flexibility in budget planning should there be a negative impact on income streams. The Leadership Team Executive Committee, which comprises representatives from each entity and programme stream, reviews the financial forecast on a monthly basis. In previous years Langham has shown capacity to reduce budgets and costs quickly and effectively in the face of the risk of reduced income.

The charity holds reserves as at 30th June 2022.

Taking the above into account, the Trustees are confident that the charity will continue to meet its obligations as they fall due and that therefore the going concern basis continues to be appropriate.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2022

ACCOUNTING POLICIES (continued)

Income

- Donations, grants and other forms of voluntary income are recognised in the period in which the charitable company is legally entitled to its receipt and the amount can be measured and receipt is probable. Income tax recoverable on Gift Aid donations is recognised when the income is recognised. Legacies are included on a receivable basis as and when the value can be measured with sufficient reliability and receipt is probable.
- Gifts in kind donated for distribution are included at valuation and recognised as income when they are distributed to the projects. Gifts donated for resale are included as income when they are sold.
- Activities in furtherance of the charitable company's objects include income from book sales and is included in the period in which it is receivable.
- Investments are included in the balance sheet at their market value on that date. Unrealised revaluation gains are included in the Statement of Financial Activities. Investment income is credited to the income and expenditure account, and is inclusive of any income tax recoverable thereon.

Expenditure

All expenditure is accounted for on an accruals basis and is recognised when there is a legal or constructive obligation to pay. Expenditure has been classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of the resources.

- Grants payable are accounted for when paid over, or when awarded, if that award creates a binding obligation on the charitable company.
- Cost of raising funds includes all expenditure in relation to obtaining funding for the charitable company to meet its charitable aims.
- Costs of charitable activities include all expenditure directly related to furthering the objects of the charitable company.
- Support costs including governance costs are allocated to cost of raising funds and charitable activities on the basis of an estimate of time spent by the relevant staff members, and resources utilised.

Expenditure includes attributable VAT that cannot be recovered.

ACCOUNTING POLICIES (continued)

Depreciation

Fixed assets below £750 are not capitalised.

Depreciation is provided on tangible fixed assets at rates calculated to write off the cost of each asset evenly over its expected useful life, as follows:

Buildings	2% on cost
Fixtures, fittings and equipment	20% to 25% on cost

Freehold land is not depreciated.

No depreciation is charged on the Hookses freehold building as it is maintained to a high standard, which prolongs its useful life and enhances the residual value (based on prices prevailing at the time of acquisition) and accordingly any depreciation charge arising is considered to be immaterial. The freehold building is reviewed for impairment annually.

The Langham Service Centre is measured at depreciated replacement cost based on its operational use to the organisation.

Investments

Investments are stated at market value at the balance sheet date. Realised and unrealised gains or losses for the period are accounted for through the Statement of Financial Activities.

Stocks

Stocks are stated at the lower of cost and net realisable value. When publications are given to scholars, their cost is recognised within grants payable at the time of the gift.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense.

Pensions

The charitable company participates in a defined contribution pension scheme, the assets of which are held separately from those of the charitable company in a fund independently administered by the Pensions Trust. The charitable company also contributes to money purchase personal pension plans held by individual employees. Contributions are charged to the statement of financial activities for the period in which they are payable to the scheme.

Operating leases

Rentals payable for assets held under operating leases are charged as they fall due.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions denominated in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the net movement in funds.

Funds

Unrestricted funds represent the funds of the charitable company that are not subject to any restrictions regarding their use, and are available for application to the general purposes of the charitable company. Funds designated for a particular purpose by the charitable company are also unrestricted. Designations are shown as a transfer from undesignated to designated funds.

Restricted funds are those amounts given for specific purposes, which may be declared by the donor or with their authority.

Critical accounting estimates and areas of judgement

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements.

In the view of the trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

2 TAXATION

The charity benefits from exemptions on income and gains falling within sections 466-493 of the Corporation Tax Act 2010 to the extent they are derived from charitable activities.

FOR THE YEAR ENDED 30TH JUNE 2022

20 RESTRICTED FUNDS (continued)

In 2021-22, £12,010 has been transferred from the preaching fund to the Langham International designated fund. These funds were in respect of a programme staff member who is based in New Zealand. Langham Partnership New Zealand will now meet these liabilities, and the corresponding funds have been moved to the Langham International designated fund.

£119,977 has been moved from the general programmes fund to support the publisher development fund.

The John Stott Memorial Fund was established in accordance with John Stott's wish that a fund be established in his memory for the two charities that he founded; Langham Partnership, and the London Institute for Contemporary Christianity (LICC). The fund has now been fully utilised during 2021-22.

The Scholars Fund comprises funds restricted to support the Scholars programme in terms of PhD tuition fees, scholar care and consultations.

The Langham Service Centre (LSC) serves as a hub for the Literature, Preaching, and Scholars programmes. As detailed in the Report of the Directors, a new warehouse and office complex has been developed. The designated and restricted funds for this will be used to support the cost of this project as it is depreciated and maintained over its useful life.

The Hookses Fund arose from a gift of a freehold property to the charity for its use and ministry.

The LPI Fund comprises restricted funds to support the central functions of Langham (eg IT, staffing and finance).

The LPI International Ministry Director comprises funds received in respect of the IMD and used to support a wide range of international initiatives

The Literature Fund comprises funds received specifically for the literature programme and the various projects within that.

The Preaching Fund is to facilitate the improvement of biblical preaching through seminars and consultations held in different parts of the world. Covid-19 restrictions have inhibited the use of this fund during 2021-22. The fund is expected to be used during 2022-23.

The Publisher Development fund comprises funds restricted to support the development of majority world publishers through grants, support and mentoring.

The Windows on the Text fund comprises income received for this creative commentary project within the literature programme, which is being completed over time.
