### Statement of Directors' responsibilities

The Directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors confirm that they have complied with the above requirements in preparing the financial statements.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Directors' report

### Directors' declaration in relation to relevant audit information

Having made enquiries of fellow Directors and of the Company's auditors, each of the Directors confirms that:

- (a) to the best of his or her knowledge and belief, there is no relevant audit information of which the Company's auditors are unaware; and
- (b) he or she has taken all steps that a Director might reasonably be expected to have taken in order to make himself or herself aware of relevant audit information and to establish that the Company's auditors are aware of that information.

## **Independent auditors' report to the members of British American Tobacco Korea (Investments) Limited**

### **Our opinion**

In our opinion, British American Tobacco Korea (Investments) Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the Company's affairs as at 31 December 2014 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **What we have audited**

British American Tobacco Korea (Investments) Limited's financial statements comprise:

- the Balance sheet as at 31 December 2014;
- the Profit and loss account for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the Directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Strategic report and the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

### **Other matters on which we are required to report by exception**

#### **Adequacy of accounting records and information and explanations received**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

#### **Directors' remuneration**

Under the Companies Act 2006 we are required to report if, in our opinion, certain disclosures of Directors' remuneration specified by law have not been made. We have no exceptions to report arising from this responsibility.

## **Independent auditors' report to the members of British American Tobacco Korea (Investments) Limited**

### **Responsibilities for the financial statements and the audit**

#### **Our responsibilities and those of the Directors**

As explained more fully in the Statement of Directors' responsibilities set out on page 3, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

#### **What an audit of financial statements involves**

We conducted our audit in accordance with ISAs (UK and Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the Directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Directors' report and financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### 1 Accounting policies

#### Basis of accounting

The financial statements are prepared on the going concern basis, under the historical cost convention, and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom.

The Company is included in the consolidated financial statements of British American Tobacco p.l.c. which is incorporated in the United Kingdom and registered in England and Wales. Consequently, the Company has taken advantage of the exemption from preparing consolidated financial statements under the terms of section 400 of the Companies Act 2006.

The principal accounting policies have been applied consistently throughout the year and a summary is set out below.

#### Cash flow statement

The Company is a wholly owned subsidiary of British American Tobacco p.l.c.. The cash flows of the Company are included in the consolidated cash flow statement of British American Tobacco p.l.c. which is publicly available. Consequently the Company has taken advantage of the exemption from preparing a cash flow statement under the terms of FRS1 (revised 1996) 'Cash flow statements'.

#### Foreign currencies

Transactions arising in currencies other than sterling are translated at the rate of exchange ruling on the date of the transaction. Monetary assets and liabilities expressed in currencies other than sterling are translated at rates of exchange ruling at the end of the financial year. All exchange differences are taken to the profit and loss account in the year.

#### Taxation

Taxation provided is that chargeable on the profits of the year, together with deferred taxation.

The current income taxation charge is calculated on the basis of taxation laws enacted or substantially enacted at the balance sheet date.

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more taxation in the future or a right to pay less taxation in the future have occurred at the balance sheet date.

A net deferred taxation asset is recognised as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits against which to recover carried forward taxation losses and from which the future reversal of underlying timing differences can be deducted.

Deferred taxation is measured at the average taxation rates that are expected to apply in the periods in which the timing differences are expected to reverse based on taxation rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred taxation is measured on an undiscounted basis.

### Accounting policies (continued)

#### Fixed asset investments

Fixed asset investments are stated at cost less provisions for any impairment in value. Any impairment is recognised in the profit and loss account in the period in which it arises.

#### Dividends

Dividends payable that are unapproved at the year end are not recognised as a liability. Similarly, dividend income is recognised at the same time as the paying company recognises the liability to pay a dividend.

#### Future changes to accounting policies

The Financial Reporting Council has issued FRS 100 Application of Financial Reporting Requirements, FRS 101 Reduced Disclosure Framework and FRS 102 The Financial Reporting Standard applicable in the UK and Ireland. These standards will be applicable to all companies and entities in the UK and Republic of Ireland, other than listed groups which continue to report under EU-adopted International Financial Reporting Standards (IFRS), for accounting periods beginning on or after 1 January 2015.

FRS 100 sets out the overall financial reporting framework for companies in the UK and Ireland. FRS 101 applies to the individual financial statements of subsidiaries and ultimate parents, allowing them to apply the same accounting policies as in their listed group financial statements, but with fewer disclosures. FRS 102 is a single financial reporting standard that applies to the financial statements of entities that are not applying EU-adopted IFRS, FRS 101 or the FRSSE. The primary statements of entities applying FRS 101 or FRS 102 would continue to follow the requirements of the Companies Act 2006.

The Company will adopt the accounting requirements of the reduced disclosure framework under FRS 101 in the Company's reporting for 2015. The adoption of FRS 101 from 1 January 2015 will have no material impact on profit or equity.
