DIRECTORS' REPORT AND FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2023

TERRACE GP HOLDINGS LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2023

The directors present their annual report and the financial statements for the year ended 31 March 2023.

Principal activity

The company did not trade during the year.

Directors

The directors who served during the year and up to the date of signing the financial statements were:

Adam Dakin
Graham Edwards
Russell Gurnhill
Michael Hackenbroch
Graeme Hunter

Future developments

The company is a holding company which holds only an investment in a dormant company. The directors do not anticipate any significant change to the current activity in the foreseeable future.

Going concern

The company is in a net asset position and does not have any forecast cash outflows for the twelve months from the date of signing these financial statements and as such the directors believe it is appropriate to prepare these financial statements on a going concern basis.

Qualifying third party indemnity provisions

Qualifying third party indemnity provisions (as defined by section 234 of the Companies Act 2006), commonly known as Directors' and Officers' insurance, in relation to certain losses and liabilities which the directors may incur (or have incurred) to third parties in the course of their professional duties, were in force for the directors for their periods of directorship and at the date of this report.

Small companies note

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006. They have also taken advantage of the exemptions provided by section 414B of the Companies Act 2006 in not preparing a Strategic Report.

TERRACE GP HOLDINGS LIMITED

DIRECTORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Directors' responsibilities statement

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" Section 1A, and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102 Section 1A, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

This report was approved by the board on 31 July 2023 and signed by order of the board.

TERRACE GP HOLDINGS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1. Accounting policies

General information

Terrace GP Holdings Limited ("the company") is an investment holding company, owning a 50% joint venture interest in Telereal General Property Holdings Limited.

The company is a dormant company limited by shares and is incorporated in England and Wales. The registered office and principal place of business is disclosed in note 6.

Basis of preparation of financial statements

The financial statements have been prepared on a going concern basis, under the historical cost convention and in compliance with the Companies Act 2006 and Section 1A of FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' ("FRS 102").

The financial statements have been prepared in Sterling (rounded to the nearest thousand pounds), which is the functional and presentational currency of the company.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies. Management does not consider that the company faces any material risks and assumptions at this time.

The company is the parent undertaking of a small group and, as such, is not required by the Companies Act 2006 to prepare group financial statements. These financial statements, therefore, present information about the company as an individual undertaking and not about its group.

Going concern

The company is in a net asset position and does not have any forecast cash outflows for the twelve months from the date of signing these financial statements and as such the directors believe it is appropriate to prepare these financial statements on a going concern basis.

Statement of Income and Retained Earnings

The company has not presented a Statement of Income and Retained Earnings as it did not trade in either the year ended 31 March 2023 or the year ended 31 March 2022.

Financial reporting standard 102 - disclosure exemptions

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102:

- (i) preparation of a statement of cash flows in accordance with paragraph 1A.7 of FRS 102, on the basis that it is a small entity;
- (ii) preparation of a statement of changes in equity in accordance with paragraph 1A.7 of FRS 102, on the basis that it is a small entity; and
- (iii) related party disclosures in accordance with paragraph 33.1A of FRS 102, where the company transacts with other wholly owned subsidiaries of the wider group.

FOR THE YEAR ENDED 31 MARCH 2023**

1. Accounting policies (continued)

Investment in subsidiary undertakings

The company's investments comprise of interests in joint venture undertakings. These are carried at cost less any provision for impairment in value.

The carrying amount of the company's investments is reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised in the Statement of Income and Retained Earnings whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of an asset is the greater of its net selling price and its value in use.

Financial instruments

(i) Financial assets

Basic financial assets, including trade and other debtors, cash at bank and in hand and amounts owed by group undertakings, are recognised initially at transaction price, unless the transaction constitutes a financing arrangement, e.g. significantly deferred credit terms, where the transaction is measured at the present value of future receipts discounted at the market rate of interest. Such assets are held at amortised cost using the effective interest rate method.

Financial assets are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Income and Retained Earnings.

The impairment loss is measured as the difference between an asset's carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

If there is a decrease in the impairment loss arising from an event occurring after it was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed the amount at which the asset would have been stated had the impairment not previously been recognised. The impairment reversal is recognised in the Statement of Income and Retained Earnings.

Financial assets are derecognised when the contractual rights to the cash flows from the asset expire or are settled, or substantially all the risks and rewards of the ownership of the asset are transferred to another party, or control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

(ii) Financial liabilities

Basic financial liabilities, including trade and other creditors, bank loans and amounts owed to group undertakings, are recognised initially at transaction price, unless the transaction constitutes a financing arrangement, e.g. significantly deferred credit terms, where the transaction is measured at the present value of future receipts discounted at the market rate of interest. Such liabilities are held at amortised cost using the effective interest rate method.

Debt instruments (other than those wholly repayable within one year), including loans and other accounts payable, are initially measured at present value of the future cash flows and subsequently at amortised cost using the effective interest method.

TERRACE GP HOLDINGS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1. Accounting policies (continued)

Financial instruments (continued)

Debt instruments that are payable within one year, typically trade creditors, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid. However, if the arrangements of a short-term instrument constitute a financing transaction, such as the payment of a trade debt deferred beyond normal business terms or financed at a rate of interest that is not a market rate, the financial liability is measured, initially, at the present value of the future cash flows discounted at a market rate of interest for a similar debt instrument and, subsequently, at amortised cost.

Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

(iii) Offsetting

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

2. Directors' remuneration

None of the directors received remuneration for their services to the company during the year (2022: none).

Directors are remunerated by Telereal Services Limited, a fellow group undertaking. The amounts paid are disclosed in the financial statements of the companies for which services were provided. Of the emoluments paid by Telereal Services Limited, £nil (2022: £nil) related to services provided to this company, which were of negligible value.

The company did not have any employees during the year under review (2022: none).
