Directors' report

The Directors present their annual report and the audited financial statements for the nine month period ended 31 December 2008.

Results and dividends

The audited financial statements for the nine month period ended 31 December 2008 are set out on pages 7 to 11. The retained profit for the nine month period amounted to £443,000 (year ended 31 March 2007: £563,000).

The Company has changed its year end from 31 March to 31 December, hence the statutory accounts for Hamsard 2350 are for nine months to 31 December 2008.

The Directors do not recommend the payment of a dividend for the period.

Principal activity and review of the business

The principal activity of the Company is that of a financing Company. The Company receives interest on loans to other group undertakings. The Directors do not expect any change to the principal activity of this Company in the foreseeable future.

Going concern

The Directors have considered the going concern assumption given the current economic climate and have reviewed the Company forecasts for the foreseeable future.

After making enquiries and considering the above facts, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Financial risk management and policies

Credit risk

Through its activities the Company is exposed to credit risk. The Company's principal financial assets are receivables from other group companies.

The Company's credit risk is primarily attributable to its receivables from group companies. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cashflows.

Liquidity risk

In order to maintain liquidity to ensure that sufficient funds are available to meet obligations as they fall due, the Company ensures regular communication with other group companies.

Directors

The Directors who served during the nine month period ended 31 December 2008 and thereafter are as listed on page 1. No Director had any interests in the shares of the Company at 31 December 2008.

Hamsard 2350

Directors' report (continued)

Directors' liabilities

The ultimate parent undertaking has indemnified one or more Directors of the Company against liability in respect of proceedings brought by third parties, subject to the conditions set out in the Companies Act 1985. Such qualifying third party indemnity provision was in force during the year.

Auditors

Each of the persons who is a Director at the date of approval of this report confirms that:

- so far as the Director is aware, there is no relevant audit information of which the Company's auditors are unaware; and
- the Director has taken all the steps that he/she ought to have taken as a Director in order to make himself/herself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s234ZA of the Companies Act 1985.

Deloitte LLP have expressed their willingness to continue in office as auditors and a resolution to reappoint them will be proposed at the forthcoming Annual General Meeting.

Statement of Directors' responsibilities

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.
