Directors' report

for the period ended 31 March 2008

The Directors present their annual report and the audited financial statements for the 15 month period ended 31 March 2008. The Directors' report has been prepared in accordance with the special provisions relating to small companies under Section 246(4) of the Companies Act 1985.

Business review and principal activities

The principal activity of the Company was, until 18 May 2007, the management of private equity limited partnerships on behalf of UK and European institutional investors. On 18 May 2007 August Equity LLP ("AE LLP") took over the fund management and business assets, including employees, of August Equity Management Limited ("AEML"), which ceased its regulated activities that day and became a member of the LLP. On the same day the shareholders of AEML transferred their shares to AE LLP such that AE LLP became the parent organisation of AEML. The financial statements have been prepared on a basis other than going concern in accordance with reporting standards although the Directors are of the opinion that the Company will continue to be able to meet its liabilities as they fall due.

On 17 May 2007 the Company changed its name from August Equity Limited to August Equity Management Limited.

Principal risks and uncertainties

The Company ceased trading on 18 May 2007 following the transfer of its business assets to AE LLP. At the period end the net assets of the Company comprised primarily cash balances. The Directors consider that the principal risk is financial risk and in particular credit risk but there are sufficient procedures in place to mitigate these risks.

Directors and Directors' interests in the shares of the Company

None of the Directors had, during the period, directly or indirectly, a material beneficial interest in any contract to which the Company was a party and which are or were significant in relation to the Company's business.

The Directors who held office during the period under review and their interests in the share capital of the Company were as follows:

			Number of B Ordin	nary shares held at
Directors	Appointed	Resigned	31 Mar 2008	31 Dec 2006
Mr T J Clarke	01 October 2008	18 May 2007	0	522

Mr S J Watkinson	01 March 2007	18 May 2007	0	N/a
AE LLP	18 May 2007	-	5,000	0

Company Secretary

BNP Parisbas Secretarial Services Limited resigned as Company Secretary on 29 September 2008 and Mr T J Clarke was appointed as Company Secretary on that day.

Dividends

No dividend was paid in the period under review (2006: £200,000).

Auditors

Each of the persons who is a Director at the date of approval of this report confirms that:

- 1. so far as the Director is aware, there is no relevant audit information of which the Company's auditors are unaware; and
- 2. the Director has taken all the steps that he/she ought to have taken as a Director in order to make himself/herself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s234ZA of the Companies Act 1985.

Deloitte LLP have expressed their willingness to continue in office as auditors and a resolution to reappoint them will be proposed at the forthcoming Annual General Meeting.

By order of the Board of Directors

untily (Iche

Mr T J Clarke

Director and Secretary 10 Bedford Street London, WC2E 9HE 30 January 2009

Statement of Directors' responsibilities

for the period ended 31 March 2008

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial period. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- * select suitable accounting policies and then apply them consistently;
- ' make judgements and estimates that are reasonable and prudent; and
- state whether applicable UK Accounting Standards have been followed.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditors' report

for the period ended 31 March 2008

We have audited the financial statements of August Equity Management Limited for the 15 month period ended 31 March 2008 which comprise the profit and loss account, the balance sheet and the related notes numbered 1 to 21. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the Company's Directors, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the Company's Members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's Members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the directors and auditors

The directors' responsibilities for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion:

- * the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the Company's affairs as at 31 March 2008 and of its profit for the period then ended;
- * the financial statements have been properly prepared in accordance with the Companies Act 1985; and
- * the information given in the Directors' report is consistent with the financial statements.

Emphasis of matter - Financial statements prepared on an other than going concern basis

In forming our opinion on the financial statements, which is not qualified, we have considered the adequacy of the disclosure made in note 1 to the financial statements which explains that the financial statements have been prepared on a basis other than that of a going concern.

These financial statements were approved by the Board of Directors on 30 January 2009.

Signed on behalf of the Board of Directors by Mr T J Clarke.

Tundry Clahe

Notes to the financial statements

for the period ended 31 March 2008

1. Principal accounting policies

The financial statements have been prepared in accordance with applicable accounting standards. A summary of the principal accounting policies, which have been applied consistently throughout the current and preceding period, is set out below.

Basis of preparation

These financial statements have been prepared in accordance with the historical cost convention. The Company transferred its trade, assets and liabilities to a AE LLP on 18 May 2007 at book value. The Company no longer trades but is a member of AE LLP and an intermediate holding company between AE LLP and the Company's existing subsidiaries. The financial statements have therefore been prepared on an other than going concern basis in accordance with reporting standards although the Directors are of the opinion that the Company will continue to be able to meet its liabilities as they fall due. The adoption of a basis other than a going concern has not had a significant impact on the results and assets and liabilities as reported.

Consolidation

The Company has taken advantage of the exemption not to produce group accounts available under Section 228 of the Companies Act 1985 and Financial Reporting Standard 2 "Accounting for Subsidiary Undertakings" as it is consolidated in the accounts of the parent company AE LLP. These financial statements therefore present information about the Company as an individual undertaking and not about its group.

Investments

Investments are stated at cost less provision for any impairment.

Turnover

Turnover, which excludes value added tax, comprises management fees, advisory fees, arrangement fees and directors' fees, recognised as earned.

Pension costs

The Company operated a non-contributory defined contribution money purchase pension scheme for certain eligible employees until 18 May 2007. The pension costs charged to the profit and loss account represent the amount of contributions payable to the pension scheme in respect of the accounting period to 18 May 2007. The assets of the scheme were held separately in independently administered funds. The Company provides no other post retirement benefits to its employees.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost of each asset over its expected useful life, as follows:

Leasehold improvements and office equipment - fully depreciated over four years; and

Original IT equipment - fully depreciated over zero to two years from date of acquisition. Certain items are fully expensed in the year of acquisition.

Finance lease commitments

Assets obtained under finance leases are capitalised as tangible assets and depreciated over their lease terms. Obligations under such agreements are included in creditors. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant annual rate of charge on the net obligation outstanding in each period.

Taxation

United Kingdom corporation tax is provided at amounts expected to be paid (or recovered) using the tax rate and laws that have been enacted or substantially enacted by the balance sheet date.

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

Dividends

In accordance with Financial Reporting Standard 21, "Events after the balance sheet date", dividends are recognised in the period in which they are approved, and charged to equity.

Cash flow statement

The company has not prepared a cash flow statement as it has taken advantage of the exemption available in Financial Reporting Standard No 1 (Revised 1996): Cash Flow Statements. The company was, as at 31 March 2008, a wholly-owned subsidiary of its ultimate parent undertaking AE LLP, a limited liability partnership, which prepares consolidated financial statements including a cash flow statement incorporating the results of the company. The financial statements of AE LLP are available to the public.

2. Turnover		
	24 84 - 2000	31 Dec 2006
	31 Mar 2008	
	(£)	(£)
