#### **Introduction**

The director presents their strategic report for the 52 weeks ended 28 April 2019.

The principal activity of the company is that of an investment holding company.

The company's performance in the period has met the director's expectations and no significant change to the operations of the business is expected in future periods.

#### **Principal risks and uncertainties**

As a 100% owned subsidiary of the Greene King plc group, the principal risks and uncertainties faced by the company are consistent with those disclosed within the Greene King plc financial statements for the 52 weeks ended 28 April 2019. The economic, financial, liquidity and interest rate risks are considered to be minimal on this entity due to the simple nature of its trade.

#### **Financial key performance indicators**

The operations of Spirit Group Equity Limited are managed at a Greene King plc group level and the directors therefore believe that disclosure of key performance indicators for the company are not appropriate to understand the performance or position of the business. The performance of Greene King plc is discussed in the Greene King plc annual report and financial statements which are publicly available.

This report was approved by the board and signed on its behalf.

#### **Post balance sheet events**

On 19th August 2019, the boards of CK Noble (UK) Limited ("CK Bidco"), a wholly owned subsidiary of CK Asset Holdings Limited ("CKA"), a Cayman Islands company listed on the Hong Kong Stock Exchange and Greene King plc ("Greene King") reached agreement on the terms of a recommended cash offer by CK Bidco for the entire issued and to be issued share capital of Greene King, not already owned by or on behalf of the CKA group.

### **DIRECTOR'S RESPONSIBILITIES STATEMENT**

**For the 52 weeks ended 28 April 2019**

The director is responsible for preparing the strategic report, the director's report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under company law the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SPIRIT GROUP EQUITY LIMITED**

### **OPINION**

We have audited the financial statements of Spirit Group Equity Limited for the 52 weeks ended 28 April 2019 which comprise the statement of comprehensive income, the balance sheet, the statement of changes in equity and the related notes 1 to 16, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 28 April 2019 and of its profit for the 52 weeks then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **BASIS FOR OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **CONCLUSIONS RELATING TO GOING CONCERN**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the director's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the director has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **OTHER INFORMATION**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SPIRIT GROUP EQUITY LIMITED**

### **OPINIONS ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the director's report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and director's report has been prepared in accordance with applicable legal requirements.

### **MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or director's report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of director's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **RESPONSIBILITIES OF DIRECTORS**

As explained more fully in the director's responsibilities statement, set out on page 4, the director is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the director determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the director is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intends to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

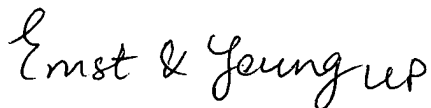

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### **NOTES TO THE FINANCIAL STATEMENTS**

**For the 52 weeks ended 28 April 2019**

#### **1. GENERAL INFORMATION**

Spirit Group Equity Limited is a private company limited by shares incorporated and domiciled in England & Wales.

The company's financial statements are presented in Sterling and all values are rounded to the nearest thousand pounds (£000) except where indicated.

#### **2. ACCOUNTING POLICIES**

##### **2.1 Basis of preparation of financial statements**

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' and applicable accounting standards.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the company's accounting policies (see note 3).

The company is itself a subsidiary company and is exempt from the requirement to prepare group accounts by virtue of section 400 of the Companies Act 2006. These financial statements therefore present information about the company as an individual undertaking and not about its group.

The following principal accounting policies have been applied:

##### **2.2 Financial reporting standard 101 - reduced disclosure exemptions**

The company has taken advantage of the following disclosure exemptions under FRS 101:

- the requirements of IFRS 7 Financial Instruments: Disclosures
- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
  - paragraph 79(a)(iv) of IAS 1;
- the requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134-136 of IAS 1 Presentation of Financial Statements

##### **2.3 Impact of new International Reporting Standards, amendments and interpretations**

###### **IFRS 9**

The company adopted IFRS 9 on 30 April 2018 prospectively, hence, the information presented for comparative periods has not been restated and is presented, as previously reported, under IAS 39.

###### **Classification and measurement**

Amounts owed to the company from group undertakings were classified under loans and receivables under IAS 39. One loan is now held at fair value through profit or loss under IFRS 9 with the remainder of the balances being held at amortised cost under IFRS 9.

# SPIRIT GROUP EQUITY LIMITED

## NOTES TO THE FINANCIAL STATEMENTS For the 52 weeks ended 28 April 2019

### 2. ACCOUNTING POLICIES (CONTINUED)

#### Impact of new International Reporting Standards, amendments and 2.3 Interpretations (continued)

There is no impact from the change in classification in the company's financial statements and no tax impact from the adoption of IFRS 9.

#### Impairment of financial assets

IFRS 9 replaces the incurred loss model in IAS 39 with an expected credit loss (ECL) model. The new impairment model applies to the company's financial assets that are held at amortised cost.

Amounts due to the company from group undertakings are subject to IFRS 9's new ECL model. The amounts owed are not considered to have had a significant increase in credit risk and therefore a twelve month expected credit loss has been determined. Applying the ECL model resulted in the recognition of a loss allowance of £5,000 on 30 April 2018 (previous allowance was £nil) with no further increase in the current reporting period.

#### IFRS 15

There have been no material impacts on the company's financial statements as a result of adopting IFRS 15 from 30 April 2018.

The following table summarises the impact of adopting new reporting standards on the company's financial statements.

#### Balance sheet (extract)

## SPIRIT GROUP EQUITY LIMITED

### NOTES TO THE FINANCIAL STATEMENTS For the 52 weeks ended 28 April 2019

## 2. ACCOUNTING POLICIES (CONTINUED)

### 2.4 Going concern

At the balance sheet date the company had net current liabilities of £411,133,000 and net assets of £54,075,000. This includes net amounts due to Greene King plc and other group undertakings amounting to £411,133,000. It is therefore clear that the company requires financial support from its ultimate parent undertaking, Greene King plc, to enable it to meet its liabilities as they fall due. Greene King plc has confirmed that it will provide the necessary financial support for at least 12 months from the date of approval of these financial statements to enable the company to meet its liabilities as they fall due. The director of the company has made appropriate enquiries of the director of Greene King plc to confirm that they are satisfied that the financial support will be available and accordingly continue to prepare the financial statements on a going concern basis.

### 2.5 Interest

Interest costs are expensed to the income statement using the effective interest method. Interest income is recognised in the income statement using the effective interest method.

### 2.6 Taxation

Tax is recognised in the statement of comprehensive income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the company operates and generates income.

### 2.7 Investments

Investments held as fixed assets are shown at cost less provision for impairment.

### 2.8 Intercompany balances

#### Policy applicable from 30 April 2018

Amounts owed by or to group undertakings are classified as short term assets or liabilities unless there is a formal loan arrangement in place that specifies repayment over a period longer than one year at the balance sheet date.

The company recognises a loss allowance for expected credit losses on amounts due from group undertakings. The methodology used to determine the amount of the expected credit loss is based on whether there has been a significant increase in credit risk since initial recognition of the financial asset.

For those financial assets where the credit risk has not increased significantly since initial recognition of the financial asset, twelve month expected credit losses are recognised. Interest income is recognised by applying the effective interest rate to the gross carrying amount of the financial asset. For those financial assets where the credit risk has increased significantly (or determined to be credit impaired), lifetime expected credit losses are recognised. Interest income is recognised by applying the effective interest rate to the gross carrying amount of the financial asset (or for credit impaired assets, to the net carrying amount of the financial asset).

#### Policy applicable prior to 30 April 2018

Amounts owed by or to group undertakings are classified as short term assets or liabilities unless there is a formal loan arrangement in place that specifies repayment over a period longer than one year at the balance sheet date. Impairments, if any, were recognised for incurred losses.

## SPIRIT GROUP EQUITY LIMITED

### NOTES TO THE FINANCIAL STATEMENTS For the 52 weeks ended 28 April 2019

#### 2. ACCOUNTING POLICIES (CONTINUED)

##### 2.9 Intercompany loans held at fair value through profit or loss

###### Policy applicable from 30 April 2018

Loans owed by group undertakings are classified as fair value through profit or loss where they do not meet the solely payments of principal and interest test in IFRS 9. The company fair values the instrument, recognising a gain or loss through interest in the statement of comprehensive income.

#### 3. JUDGMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY

##### SIGNIFICANT ACCOUNTING ESTIMATES

In the course of preparing the financial statements, the key estimate made in the process of applying the company's accounting policies is detailed below:

###### Financial assets - held fair value through profit or loss

In determining the fair value of the loans the company has estimated the future cash flows anticipated and applied an estimated discount rate factoring in the key characteristics of the loans.

##### SIGNIFICANT ACCOUNTING JUDGMENTS

In the course of preparing the financial statements, the key judgment made in the process of applying the company's accounting policies is detailed below:

###### Financial assets – held at fair value through profit or loss

The company has applied judgment in determining that certain loans do not meet the solely payments of principal and interest test in IFRS 9 and has classified the loans as fair value through profit or loss.

For those loans that do meet the solely payments of principal and interest test in IFRS 9 the company has classified the loans at amortised cost.

#### 4. STAFF COSTS

The company has no employees and did not incur any staff costs during the period (2018: £nil).

The director who held office during the period was also a director of fellow group undertakings. Total emoluments, including any company pension contributions, received by the director totals £926,000 (2018: £770,000) paid by the ultimate parent company or other group companies. The director does not believe that it is practicable to apportion this amount between qualifying services as directors to the company and to fellow group undertakings. The number of directors who received or exercised share options during the period was 1 (2018: 1).

#### 5. AUDITOR'S REMUNERATION

The auditor's remuneration for the period of £1,000 (2018: £1,000) has been borne by another group company.

The company has taken advantage of the exemption not to disclose amounts paid for non audit services as these are disclosed in the group financial statements of the ultimate parent company.

	52 weeks ended 28 April 2019 £000	52 weeks ended 29 April 2018 £000
Profit on ordinary activities before tax	<u>1,014</u>	<u>1,014</u>

#### FACTORS THAT MAY AFFECT FUTURE TAX CHARGES

The Finance (No.2) Act 2015 reduced the rate of corporation tax from 20% to 19% from 1 April 2017 and the Finance Act 2016 further reduced the rate to 17% from 1 April 2020. Both these rate reductions were substantively enacted at the balance sheet date and are therefore included in these accounts.

### NOTES TO THE FINANCIAL STATEMENTS

For the 52 weeks ended 28 April 2019

#### II. FINANCIAL INSTRUMENTS (continued)

##### Fair values

Set out below is a comparison of carrying amounts and fair values of all of the company's financial instruments.

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced liquidation or sale. The following methods and assumptions were used to estimate the fair values:

**Loans due from group undertakings held at fair value through profit or loss:** classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs. The valuation technique used to value the financial instruments was discounted cash flow analysis. Fair values of loans owed by group undertakings are calculated by discounting estimated future cash flows by an implied yield determined with reference to observable market data adjusted to take account of economic differences between the loans owed by group undertakings and the reference revolving credit facility. These adjustments reflect the credit risk of the loan. The cash flows have been assumed to take place one day after the balance sheet date.

	Hierarchical classification	Fair value 28 April 2019 £000	Carrying value 28 April 2019 £000	Carrying value 29 April 2018 £000
<b>Financial assets</b>				
Amounts owed by group undertakings held at fair value through profit or loss	Level 3	23,072	23,072	22,058

The loans owed by group undertakings have been reclassified to be held at fair value through profit and loss upon adoption of IFRS 9 on 30 April 2018. IFRS 9 was adopted prospectively, hence, fair value comparatives have not been presented. For further details on the adoption of IFRS 9 please see note 2.3.

There is no material impact from the valuation of the loans due to the fact that they are repayable on demand.

##### Hierarchical classification of financial assets and liabilities measured at fair value.

IFRS 13 requires that the classification of financial instruments at fair value be determined by reference to the source of inputs used to derive fair value:

The classification uses the following three-level hierarchy:

Level 1 - unadjusted quoted prices in active markets for identical assets and liabilities.

Level 2 - other techniques for which all inputs have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 - techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

During the periods ending 28 April 2019 and 29 April 2018 there were no transfers between fair value levels 1, 2 or 3.
