Strategic Report

Principal activities

The principal activities of the company are unchanged since last year and consist of the hiring of plant, tools and grounds maintenance equipment from one operating centre in south Wales.

Business model

The company engages in the hiring of plant, tools and grounds maintenance equipment primarily to Utility, Civil Engineering, local authorities and domestic market sectors.

Business review and results

The company's decision to concentrate primarily in the supply of equipment to market sectors as stated above and, having retained the contract for the supply of grounds maintenance equipment to our local council, has enabled us a report a profit before tax for the period of £94,232k.

The profit for the year after taxation was £210,232 (2015: £2,000). The surplus for the year has been transferred to reserves. An interim dividend of £150,000 (2015: £300,000) has been paid.

The company continues to closely monitor all costs and the directors are confident of a strong trading performance in the next financial year.

Key performance indicators

The directors have established a number of key performance indicators which they use to measure and monitor the performance of the company in a number of different areas. These measures are set out in the table below.

The directors have set a target range for operating profit (before central management charges and exceptional items) as a % of sales as a key performance indicator for the business and this is reviewed each month.

	Y/e 30 September 2016	Y/e 30 September 2015
Operating profit % of sales		
Actual performance	15.4%	6.7%
Accident Incidence Rate (A.I.R.)	0	0

Principal risks and uncertainties

This annual report contains certain forward looking statements. These statements are made by the directors in good faith, based on the information available to them up to the time of approval of this report. Actual results may differ to those expressed in such statements, depending on a variety of factors. These factors include customer acceptance of the company's services, levels of demand in the market, restrictions to market access, competitive pressure on pricing or additional costs, failure to retain or recruit key personnel and overall economic conditions.

Strategic Report (continued)

Derivatives and other financial instruments

The company's principal financial instruments comprise hire purchase loans, cash and short-term deposits. The main purpose of these financial instruments is to provide finance for the company's operations. The company has various other financial instruments such as trade debtors and trade creditors that arise directly from its operations. It is, and has been throughout the period under review, the company's policy that no trading in financial instruments shall be undertaken. The main risks arising from the company's financial instruments are interest rate risk and liquidity risk.

Liquidity risk

The company is a participant together with a number of fellow subsidiaries in the group banking arrangements of its ultimate holding company, Renew Holdings plc, and as a result has risks associated with the financial status and performance of the other companies within that group.

Credit risk

The company's principal financial assets are bank balances, cash, and trade debtors, which represent maximum exposure to credit risk in relation to financial assets.

The company's credit risk is primarily attributable to its trade debtors. Credit risk is managed by monitoring the aggregate amount and duration of exposure to any one customer depending upon their credit rating. The amounts presented in the balance sheet are net of allowances for doubtful debts, estimated by the company's management based on prior experience and their assessment of the current economic environment.

Future developments

The directors believe that the company is well positioned with a strong order book to deliver profitable results in 2016/17. Target markets remain the same as last year but the company continues to be vigilant in looking for further opportunities to enhance trading performance.

Approval

The strategic report was approved by the Board on 18 November 2016 and signed on its behalf by:

J Samuel
For and on behalf of Renew Nominees Limited – Secretary
Company registered number is 04277104

Report of the Directors

The directors present their report and the audited financial statements for the year ended 30 September 2016.

Environment

The company's policy with regard to the environment is to ensure that the actual and potential environmental impact of its activities is understood and effectively managed. Operations are conducted so as to comply with all legal requirements relating to the environment in all areas where business is carried out. During the period covered by this report the company has not incurred any fines or penalties or been investigated for any breach of environmental regulations.

The company is accredited with BS EN ISO 14001:2004.

Directors

The directors and officers serving during the year and subsequently were:

P Mason	Director
D Boden	Director
P Scott	Director
Renew Corporate Director Limited	Director
Renew Nominees Limited	Secretary

No director had a beneficial interest in the share capital of any subsidiary of Renew Holdings plc.

No directors had interests in the share capital of Renew Holdings plc, apart from the directors whose interests are disclosed in the financial statements of Renew Holdings plc.

No director was granted, or exercised, any options to subscribe in the shares of Renew Holdings plc during the year ended 30 September 2016, apart from the directors whose interests are disclosed in the financial statements of Renew Holdings plc.

Employee involvement and policy

The directors recognise the need for communication with employees at every level. All employees have access to a copy of the group annual report and financial statements, which together with regular staff briefings and internal notice board statements, keep them informed of progress within the company and the group.

The company continues to be committed to the health, safety and welfare of its employees and observe the terms of the Health & Safety at Work Act 1974 and subsequent legislation and regulations.

It is the policy of the company that there shall be no discrimination or less favourable treatment of employees or job applicants in respect of race, colour, ethnic or national origins, religion, sex, disability, political beliefs or marital status. The company engages, promotes and trains staff on the basis of their capabilities, qualifications and experience, without discrimination, giving all employees an equal opportunity to progress within the company. Full consideration will be given to suitable applications for employment from disabled persons where they have the necessary skills and abilities for that position, and wherever possible to re-train employees who become disabled, so that they can continue their employment in another position.

Report of the Directors (continued)

Safety, Health and Environmental Policies

The company continues to strive to improve its safety, health and environmental (SHE) standards and performance. The SHE objectives as set by the group were monitored regularly throughout the period and are reviewed in response to performance and changes in legislation.

All levels of management are required to undertake SHE monitoring activities, from SHE tours by directors to SHE surveys by senior managers and SHE inspections by site and workplace management.

It is the company's policy to report all accidents regardless of severity. Accident and incident reports are assessed to identify their main cause and analysed to identify trends and areas for improvement in the same way as for findings of inspection, tours and surveys.

The company recognises that effective training is important to the improvement of SHE performance. There is a regular programme of internal health and safety courses for all personnel.

Quality assurance

The company is committed to the achievement of quality. It operates a quality management system which complies with the requirements of BS EN ISO 9001:2008 and is audited on a continual basis by BSI Quality Assurance.

Report of the Directors (continued)

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE STRATEGIC REPORT, THE DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Strategic Report and the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Disclosure of information to the auditor

At the date of making this report each of the company's directors, as set out on page 4, confirm the following:

- So far as each director is aware, there is no relevant information needed by the company's auditor in connection with preparing their report of which the company's auditor is unaware, and
- each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant information needed by the company's auditor in connection with preparing their report and to establish that the company's auditor is aware of that information.

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Approval

The report of the directors was approved by the Board on 18 November 2016 and signed on its behalf by:

J Samuel
For and on behalf of Renew Nominees Limited – Secretary
Company registered number is 04277104

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HIRE ONE LIMITED

We have audited the financial statements of Hire One Limited for the year ended 30 September 2016 set out on pages 8 to 22. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 6, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 September 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Notes to the financial statements

Year ended 30 September 2016

1 ACCOUNTING POLICIES

Basis of financial statements

Hire One Limited (the "Company") is a company limited by shares and incorporated and domiciled in the UK.

These financial statements were prepared in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102") as issued in August 2014. The amendments to FRS 102 issued in July 2015 and effective immediately have been applied. The presentation currency of these financial statements is sterling. All amounts in the financial statements have been rounded to the nearest £1,000.

In the transition to FRS 102 from UK GAAP, the Company has made no measurement and recognition adjustments.

The Company's ultimate parent undertaking, Renew Holdings plc, includes the Company in its consolidated financial statements. The consolidated financial statements of Renew Holdings plc are prepared in accordance with International Financial Reporting Standards as adopted by the EU. In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the period;
- Cash Flow Statement and related notes; and
- Key Management Personnel compensation.

As the consolidated financial statements of Renew Holdings plc include the equivalent disclosures, the Company has also taken the exemptions under FRS 102 available in respect of the following disclosure:

- The disclosures required by FRS 102.11 Basic Financial Instruments and FRS 102.12 Other Financial Instrument Issues in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Measurement Convention

The financial statements are prepared on the going concern basis and under the historical cost convention, the accounting policies set out below and in accordance with FRS 102.

In the transition to FRS 102 from UK GAAP, the Company has made no measurement and recognition adjustments.

Going concern basis

The directors have reviewed the company's cash flow and operating forecasts and have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. As a result the directors believe that the going concern basis is appropriate for the preparation of these financial statements.

Notes to the financial statements (continued)

Year ended 30 September 2016

1 ACCOUNTING POLICIES (continued)

Accounting Estimates and Judgements

In the preparation of these financial statements the Board has made certain judgements and estimates which impact the measurement of various assets and liabilities in the balance sheet, the value of transactions recorded in the profit and loss account and the movements in equity as shown in the statement of changes in equity. Estimates and judgements are reviewed by management and the Board on an ongoing basis and changes which may arise in them are reflected in the financial statements for the period in which such changes are made. The Board has determined that the following area is the one in which estimates and judgements have been made and where material impacts could arise in the financial statements were such estimates and judgements to be varied:

FRS 102 requires management to estimate the total expected costs on a contract and the stage of contract completion in order to determine both the turnover and profit to be recognised in an accounting period. The Company has control and review procedures in place to monitor, and evaluate regularly, the estimates being made to ensure that they are consistent and appropriate. This includes reviewing the independent certification of the value of work done, the progress of work against contracted timescales and the costs incurred against plan.

Turnover

Turnover represents the invoiced amount of goods sold and services provided less returns and allowances, excluding value added tax.

Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost is based on the first-in first-out principle and includes expenditure incurred in acquiring the stocks, production or conversion costs and other costs in bringing them to their existing location and condition.

Impairment excluding Stocks and Deferred Tax Assets

Financial Assets

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

Notes to the financial statements (continued)

Year ended 30 September 2016

1 ACCOUNTING POLICIES (continued)

Tangible Fixed Assets and Depreciation

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Where parts of an item of tangible fixed assets have different useful lives, they are accounted for as separate items of tangible fixed assets, for example land is treated separately from buildings.

The company assesses at each reporting date whether tangible fixed assets (including those leased under a finance lease) are impaired.

Depreciation is charged to the profit and loss account on a straight-line basis over the estimated useful lives of each part of an item of tangible fixed assets. The estimated useful lives are as follows:

- | | | |
|---|-----------------------|--------------|
| • | plant and equipment | 3-5 years |
| • | motor vehicles | 4 years |
| • | fixtures and fittings | 2 – 10 years |

Depreciation methods, useful lives and residual values are reviewed if there is an indication of a significant change since last annual reporting date in the pattern by which the company expects to consume an asset's future economic benefits.

Taxation

Tax on the profit for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided, except as noted below, on timing differences that have arisen but not reversed by the balance sheet date, where the timing differences result in an obligation to pay more tax, or the right to pay less tax, in the future. Timing differences arise because of the differences between the treatment of certain items for accounting and taxation purposes.

In accordance with FRS 102 'The Financial Reporting Standard', deferred tax is not provided on permanent timing differences.

Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured at the tax rates that are expected to apply in the periods when the timing differences are expected to reverse, based on tax rates and law enacted or substantively enacted at the balance sheet date. Deferred tax assets and liabilities are not discounted.

Notes to the financial statements (continued)

Year ended 30 September 2016

1 ACCOUNTING POLICIES (continued)

Pension Commitments

The company operates defined contribution schemes in respect of certain employees. A defined contribution plan is a post-employment benefit plan under which the company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an expense in the profit and loss account in the periods during which services are rendered by employees.

Leased Assets

Leases in which the Company assumes substantially all the risks and rewards of ownership of the leased asset are classified as finance leases. All other leases are classified as operating leases. Leased assets acquired by way of finance lease are stated on initial recognition at an amount equal to the lower of their fair value and the present value of the minimum lease payments at inception of the lease, including any incremental costs directly attributable to negotiating and arranging the lease.

At initial recognition a finance lease liability is recognised equal to the fair value of the leased asset or, if lower, the present value of the minimum lease payments. The present value of the minimum lease payments is calculated using the interest rate implicit in the lease.

Operating leases

Payments made under operating leases are recognised in the profit and loss account on a straight-line basis over the term of the lease unless the payments to the lessor are structured to increase in line with expected general inflation in which case the payments related to the structured increases are recognised as incurred. Lease incentives received are recognised in profit and loss over the term of the lease as an integral part of the total lease expense.

Finance leases

Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding liability using the rate implicit in the lease. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

Basic Financial Instruments – Trade and Other Debtors/creditors

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors.
