### Notes to the Financial Statements

# Year Ended 30 September 2020

#### 1 General information

The company is a private company limited by share capital, incorporated in England and Wales.

The address of its registered office is: The Granary, Highfield Farm Clyst Road Topsham Exeter EX3 0BY

These financial statements were authorised for issue by the Board on 31 March 2021.

### 2 Accounting policies

### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

### Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', including Section 1A and the Companies Act 2006. There are no material departures from FRS102.

#### Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

### Going concern

The directors of Mallory Grant Limited has considered the impact of COVID-19.

In the opinion of the directors, the company has sufficient working capital within existing facilities to continue to trade for the forseeable future, and therefore the financial statements have been prepared on a going concern basis.

### Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods in the ordinary course of the company's activities. Turnover is shown net of value added tax and recognised on despatch of goods to customers.

### Government grants

Grant income is included in other operating income, it comprises the fair value of the consideration received as they relate to amounts previously paid.

The total of grants received during the year amounted to £10,675. This has been recognised as revenue grant income and match against the related costs.

## Notes to the Financial Statements

# Year Ended 30 September 2020

### Foreign currency transactions and balances

Transactions in foreign currencies are initially recorded at the functional currency rate prevailing at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated into the respective functional currency of the entity at the rates prevailing on the reporting period date.

#### Tax

Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current corporation tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

Deferred tax is recognised on all timing differences at the balance sheet date unless indicated below. Timing differences are differences between taxable profits and the results as stated in the profit and loss account and other comprehensive income. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

### Intangible assets

Intangible assets have a finite useful life and are carried at cost less accumulated amortisation.

## **Amortisation**

Amortisation is provided on intangible assets so as to write off the cost, less any estimated residual value, over their useful life as follows:

Asset classAmortisation method and rateSoftware costs20% straight lineWebsite costs20% straight line

## Tangible assets

Tangible assets are stated in the statement of financial position at cost, less any subsequent accumulated depreciation.

### Depreciation

Depreciation is charged so as to write off the cost of assets over their estimated useful lives, as follows:

Asset classDepreciation method and rateLeasehold improvements14.29% straight linePlant and machinery15% straight lineFixtures and fittings20% straight lineMotor vehicles25% straight lineOffice equipment20% straight line

### **Stocks**

Stocks are stated at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to complete and sell.

## Notes to the Financial Statements

## Year Ended 30 September 2020

#### Leases

Leases in which substantially all the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to profit or loss on a straight-line basis over the period of the lease.

### Defined contribution pension obligation

A defined contribution plan is a pension plan under which fixed contributions are paid into a pension fund and the company has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised as employee benefit expense when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

#### Financial instruments

#### Classification

The company holds the following financial instruments:

- · Short term trade and other debtors and creditors; and
- · Cash and bank balances.

All financial instruments are classified as basic.

### Recognition and measurement

The company has chosen to apply the recognition and measurement principles in FRS102.

Financial instruments are recognised when the company becomes party to the contractual provisions of the instrument and derecognised when in the case of assets, the contractual rights to cash flows from the assets expire or substantially all the risks and rewards of ownership are transferred to another party, or in the case of liabilities, when the company's obligations are discharged, expire or are cancelled.

Such instruments are initially measured at transaction price, including transaction costs, and are subsequently carried at the undiscounted amount of the cash or other consideration expected to be paid or received, after taking account of impairment adjustments.

#### 3 Staff numbers

The average number of persons employed by the company (including directors) during the year, was 9 (2019 - 12).
