### **Directors' Report For the Year Ended 30 September 2018**

---

The directors present their report and the audited financial statements for the year ended 30 September 2018.

#### **Directors' responsibilities statement**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Principal activities**

The principal activity of the company during the year was property trading.

#### **Results and dividends**

The profit for the year, after taxation, amounted to £609,831 (2017 - £999,490).

The directors do not recommend the payment of a dividend.

#### **Directors**

The directors of the Company who were in office during the year and up to the date of the signing of the financial statements were:

Paul Barber

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

**Independent auditors**

The independent auditors, PricewaterhouseCoopers LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

**Small companies exemptions**

### **Independent Auditors' Report to the Members of Bridgewater (Home Reversions Number 2) Limited**

---

## **Report on the audit of the financial statements**

---

### **Opinion**

In our opinion, Bridgewater (Home Reversions Number 2) Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 30 September 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Directors' Report and financial statements (the "Annual Report"), which comprise: the statement of financial position as at 30 September 2018; the statement of comprehensive income, the statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

---

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Independence**

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

---

### **Conclusions relating to going concern**

ISAs (UK) require us to report to you when:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of the above matters.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern. For example, the terms on which the United Kingdom may withdraw from the European Union are not clear, and it is difficult to evaluate all of the potential implications on the company's trade, customers, suppliers and the wider economy.

---

### **Reporting on other information**

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

### **Directors' Report**

In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' Report for the year ended 30 September 2018 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

### Independent Auditors' Report to the Members of Bridgewater (Home Reversions Number 2) Limited

---

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Directors' Report.

#### **Responsibilities for the financial statements and the audit**

##### *Responsibilities of the directors for the financial statements*

As explained more fully in the Directors' Responsibilities Statement set out on page 1, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

##### *Auditors' responsibilities for the audit of the financial statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

##### *Use of this report*

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

### **Other required reporting**

#### **Companies Act 2006 exception reporting**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

#### **Entitlement to exemptions**

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to: take advantage of the small companies exemption in preparing the Directors' Report; and take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

### **Notes to the Financial Statements For the Year Ended 30 September 2018**

---

#### **1. General information**

The entity is a private company limited by shares, incorporated in England and Wales. The address of the registered office is Cross House, Westgate Road, Newcastle upon Tyne, NE1 4XX.

#### **2. Accounting policies**

##### **2.1 Basis of preparation of financial statements**

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, *the Financial Reporting Standard applicable in the UK and the Republic of Ireland* and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies (see note 3).

The financial statements are prepared on the going concern basis in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom, which have been applied consistently throughout.

*The company has taken advantage of the small companies' exemptions in preparing the directors' report and from preparing a strategic report.*

##### **2.2 Financial reporting standard 102 - reduced disclosure exemptions**

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 11 Financial Instruments paragraphs 11.41(b), 11.41(c), 11.41(e), 11.41(f), 11.42, 11.44 to 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);

Gross rentals are recognised on a straight line basis over the lease term on an accruals basis. Sundry other income is recognised when it becomes receivable.

### Notes to the Financial Statements For the Year Ended 30 September 2018

---

#### 2. Accounting policies (continued)

##### 2.4 Stocks

Trading properties are shown in the financial statements at the lower of cost and net realisable value. Cost includes legal and surveying charges incurred during the acquisition plus improvement costs. Net realisable value is the net sale proceeds which the company expects on sale of a property with vacant possession.

Repairs are expensed to the income statement as incurred. Improvement costs are capitalised.

##### 2.5 Taxation

Tax is recognised in the Statement of Comprehensive Income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates income.

#### 3. Judgments in applying accounting policies and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

In determining that the value of trading properties are not carried at more than their recoverable amount an external valuation has been applied.

There are no other areas involving a higher degree of judgement or complexity or areas where assumptions and estimates are significant to the financial statements.

#### 4. Turnover

An analysis of turnover by class of business is as follows:

	2018 £	2017 £
Gross sale proceeds	922,250	1,594,081
	<u>922,250</u>	<u>1,594,081</u>

All turnover arose within the United Kingdom.

**Factors affecting tax charge for the year**

The tax assessed for the year is the same as (2017 - the same as) the standard rate of corporation tax in the UK of 19% (2017 - 19.5%) as set out below:

	2018 £	2017 £
Profit on ordinary activities before taxation	<u>752,878</u>	<u>1,241,581</u>
Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 19% (2017 - 19.5%)	143,047	242,091
Effects of:

<b>Total tax charge for the year</b>	<u>143,047</u>	<u>242,091</u>

**Factors that may affect future tax charges**

No provisions have been made for the tax that would have become payable if the company's properties had been sold at their year end replacement values. The total unprovided deferred tax in respect of this is £920,013 (2017: £894,090).

There are no other factors that are expected to significantly affect the taxation charge in future years.

**9. Stocks**

	<u>3,332,038</u>	<u>3,593,085</u>

The replacement value of stock (sale at market value of the property subject to occupation by a resident) is £8,743,880 (2017: £8,852,439) based on market value at 30 September 2018, as assessed by external experts.

The directors have reviewed the net realisable value of the properties. They have concluded that the net realisable value exceeds the book cost of the properties and therefore no provision against the carrying value of stock is required.

The stock expense to cost of sales in the income statement amounted to £261,047 (2017: £369,256).
