Directors' responsibilities for the financial statements

The Directors are responsible for preparing the Annual Report and the Company financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare Company financial statements for each financial year. They have elected to prepare the Company financial statements in accordance with International Financial Reporting Standards ('IFRSs') as adopted by the EU.

The Company financial statements are required by law and IFRSs as adopted by the EU to present fairly the financial position of the Company and of the performance for that period; the Companies Act 2006 provides in relation to such financial statements that references in the relevant part of that Act to financial statements giving a true and fair view are references to their achieving a fair presentation.

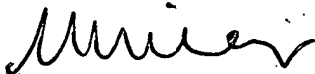

In preparing the Company financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether they have been prepared in accordance with IFRSs as adopted by the EU; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the parent Company and enable them to ensure that its financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Under applicable law and regulations, the Directors are also responsible for preparing a Directors' Report that complies with that law and those regulations.
