## **Statement of directors' responsibilities in respect of the financial statements**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# **Independent auditors' report**

## **to the members of UTV Radio Limited**

We have audited the company's financial statements of UTV Radio Limited for the year ended 31 December 2011 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditors**

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the report and financial statements to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2011 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been properly prepared in accordance with the Companies Act 2006.

### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

## Independent auditors' report

to the members of UTV Radio Limited (continued)

### Matters on which we are required to report by exception

- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or

The parent company has confirmed its willingness to continue to support the company for foreseeable future.

### 2. Accounting policies

#### *Basis of preparation*

The financial statements have been prepared in accordance with applicable accounting standards under the historical cost convention.

The Company is not required to prepare group financial statements under Section 400 of the Companies Act 2006 as it was during the year ended 31 December 2011 a wholly owned subsidiary of UTV Media plc, a company registered in Northern Ireland and it is included in that company's consolidated financial statements. The financial statements therefore present information about the Company as an individual undertaking and not about its group.

### 3. Operating loss

Auditor's remuneration in respect of the current and prior year has borne by the parent company.

### 4. Remuneration of directors

The average number of directors employed by the company during the year was Nil (2010 Nil). The directors received no remuneration during the year (2010 - £nil).

	<u>          </u>	<u>          </u>
Loss on ordinary activities before taxation multiplied by standard rate of tax in the UK of 26.5% (2010: 28%)	(3,975)	(4,200)
	<u>          </u>	<u>          </u>
Current tax credit for the year	(3,975)	(4,200)
	<u>          </u>	<u>          </u>

#### Factors affecting future tax charge

The company has unrecognised deferred tax assets of approximately £8,000 (2010: £217,000) relating primarily to the availability of losses. These may reduce the tax charge on profits in future years. These deferred tax assets have not been recognised on the grounds of uncertainty of future taxable profits against which the losses are recoverable.

The company expects a reduction in future corporation tax rates following HM Treasury's announcement of their intention for the main rate of corporation tax to decrease to 24% by April 2012 and of 1% per annum thereafter were to be fully approved and the tax rate reduced to 22% by 2014.
