The director is satisfied that the company is entitled to exemption from the provisions of the Companies Act 1985 (the Act) relating to the audit of the accounts for the year by virtue of section 249A(1), and that no member or members have requested an audit pursuant to section 249B(2) of the Act.

The director acknowledges her responsibility for:

- i) ensuring that the company keeps proper accounting records which comply with section 221 of the Act, and
- ii) preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 226, and which otherwise comply with the requirement of the Act relating to financial statements, so far as applicable to the company.

These accounts have been prepared in accordance with the special provisions for small companies under Part VII of the Companies Act 1985.

These financial statements were approved by the directors on the 2nd April 2004 and are signed on their behalf by:

+ 

Ms A Neath ~ Director

2nd April 2004

The attached notes form part of these accounts.

ACTIVE ENVIRONMENTAL SERVICES LIMITED
NOTES TO THE ABBREVIATED FINANCIAL STATEMENTS
YEAR ENDED 30TH APRIL 2003

1. ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the period, exclusive of Value Added Tax.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Tools and Equipment	- 15% reducing balance basis
Furniture and Fixtures	- 15% reducing balance basis
Motor Van	- 25% reducing balance basis

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for accounting and taxation purposes. When applicable provision is made for deferred tax only to the extent that it is probable that an actual liability will crystallise in the foreseeable future.
