Profit and loss account			15,585		29,635
Shareholders' funds			215,585		289,635
					-

The directors are satisfied that the company is entitled to exemption from the provisions of the Companies Act 1985 (the Act) relating to the audit of the financial statements for the year by virtue of section 249A(1), and that no member or members have requested an audit pursuant to section 249B(2) of the Act.

The directors acknowledge their responsibilities for:

- (i) ensuring that the company keeps proper accounting records which comply with section 221 of the Act, and
- (ii) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Act relating to financial statements, so far as applicable to the company.

These abbreviated financial statements have been prepared in accordance with the special provisions for small companies under Part VII of the Companies Act 1985.

These abbreviated financial statements were approved by the directors and authorised for issue on 24th August 2009, and are signed on their behalf-by:

Mr J S Green

#### Notes to the abbreviated financial statements

### for the year ended 31st March 2009

#### 1. Accounting policies

#### Basis of accounting

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain fixed assets, and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

#### Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year.

#### Fixed assets

All fixed assets are initially recorded at cost.

#### **Investment properties**

Investment properties are shown at their open market value. The surplus or deficit arising from the annual revaluation is transferred to the investment revaluation reserve unless a deficit, or its reversal, on an individual investment property is expected to be permanent, in which case it is recognised in the profit and loss account for the year.

This is in accordance with FRSSE which, unlike Schedule 4 to the Companies Act 1985, does not require depreciation of investment properties. Investment properties are held for their investment potential and not for use by the company and so their current value is of prime importance. The departure from the Act is required in order to give a true and fair view.

#### Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

#### 2. Fixed assets

	Tangible		Total
	Assets	Investments	
	£	£	£
Cost			
At 1st April 2008	260,000	13,000	273,000
Revaluation	(85,000)	· –	(85,000)
At 31st March 2009	175,000	13,000	188,000
Depreciation	<u></u> -	_	_
Net book value			
At 31st March 2009	175,000	13,000	188,000
At 31st March 2008	260,000	13,000	273,000

The investment properties have been valued by the directors at their open market value at the balance sheet date.

The properties have been revalued to less than the historic cost and the excess revaluation over that included in the revaluation reserve has been taken to the profit and loss account.
