## **Strategic report**

The directors present their Strategic report for Hawkslease Finance Company Limited ("the Company") for the year ended 31 December 2017.

### **Principal activities**

The Company's principal activity is to act as a holding company.

### **Review of the business**

The loss before taxation for the financial year was £6.9 million (2016: £12.6 million).

The loss before taxation is due to net interest payable and similar expenses of £6.9 million (2016: £12.6 million).

The net liabilities of the Company at 31 December 2017 were £31.4 million (2016: net liabilities of £25.8 million).

### **Objectives and strategy**

The directors do not expect any change in the Company's activities during the next financial year as the Company will continue to act as a holding company.

### **Principal risks and uncertainties**

The management of the business and execution of the Company's strategy are subject to a number of risks. The key business risks and uncertainties affecting the Company are considered to relate to local and national competition factors which would cause a decline in the market. Further discussion of these risks and uncertainties in the context of the group as a whole, is provided in the annual report of parent company INEOS Group Holdings S.A., which does not form part of this report.

### **Key Performance Indicators**

The directors of INEOS Group Holdings S.A. manage the group's operations on a divisional basis. For this reason, the Company's directors believe that analysis using performance indicators of the Company is not necessary or appropriate for an understanding of the development, performance or position of the business of Hawkslease Finance Company Limited. The development, performance and position of the group, including this company, is discussed in the group's annual report which does not form part of this report.

Approved and signed on behalf of the Board

## **Directors' report**

The directors present their report and the audited financial statements of Hawkslease Finance Company Limited for the year ended 31 December 2017.

### **Directors**

The directors who held office during the year, and up to the date of signing the financial statements, were as follows:

CE Tane  
M J Maher

### **Going concern**

The directors have received confirmation that INEOS Holdings Limited intends to support the Company to ensure that the Company can continue to meet its financial obligations as and when they fall due. Having received this support, the directors believe that preparing the financial statements on the going concern basis is appropriate.

### **Directors' indemnities**

As permitted by the Articles of Association, the Company, via a policy maintained by its parent undertaking, has maintained cover for its directors and officers under a directors' and officers' liability insurance policy as permitted by Section 234 of the Companies Act 2006. The indemnity was in force throughout the last financial year and is currently in force.

### **Financial risk management**

The Company's operations expose it to a variety of financial risks that include the effects of changes in credit risk, liquidity risk and interest rate risk. The Company has in place a risk management programme that seeks to limit the adverse effects on the financial performance of the Company where appropriate. The Company is funded internally by the INEOS group and therefore has no direct exposure to liquidity or debt market risk. Interest rate exposures are managed on a group basis and are fully disclosed in the consolidated financial statements of INEOS Group Holdings S.A.

### **Future developments**

The directors do not expect any change in the Company's activities during the next financial year.

### **Dividends**

The directors do not recommend the payment of a dividend (2016: nil).

### **Statement of directors' responsibilities**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;

## **Directors' report (continued)**

### **Statement of directors' responsibilities (continued)**

- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Disclosure of information to auditors**

The directors confirm that as far as they are aware, there is no relevant audit information of which the Company's auditors are unaware and that they have taken all steps necessary as directors in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

### **Independent auditors**

PricewaterhouseCoopers LLP are deemed to be reappointed in accordance with an elective resolution made under section 487 of the Companies Act 2006.

## **Independent auditors' report to the members of Hawkslease Finance Company Limited**

### **Report on the audit of the financial statements**

#### **Opinion**

In our opinion, Hawkslease Finance Company Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual report and financial statements (the "Annual Report"), which comprise: the Balance sheet as at 31 December 2017; the Profit and loss account, the Statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Independence**

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

#### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you when:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

#### **Reporting on other information**

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

## **Independent auditors' report to the members of Hawkslease Finance Company Limited (continued)**

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic report and Directors' report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

### ***Strategic report and Directors' report***

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic report and Directors' report for the year ended 31 December 2017 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic report and Directors' report.

### **Responsibilities for the financial statements and the audit**

#### ***Responsibilities of the directors for the financial statements***

As explained more fully in the Statement of directors' responsibilities set out on pages 3 and 4, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### ***Auditors' responsibilities for the audit of the financial statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

## **Independent auditors' report to the members of Hawkslease Finance Company Limited (continued)**

### ***Use of this report***

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

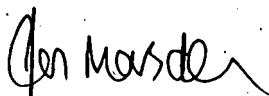

### **Other required reporting**

#### **Companies Act 2006 exception reporting**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

## Notes

*(forming part of the financial statements)*

### 1 Accounting policies

Hawkslease Finance Company Limited (the "Company") is a private company, limited by shares, incorporated, registered and domiciled in England, UK.

The Company is exempt by virtue of s400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

These financial statements were prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework* ("FRS 101").

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

In these financial statements, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- a Cash flow statement and related notes;
- Disclosures in respect of transactions with wholly owned subsidiaries;
- Disclosures in respect of capital management;
- The effects of new but not yet effective IFRSs;
- Disclosures in respect of the compensation of Key Management Personnel.

The accounting policies set out below have, unless otherwise stated, been applied consistently on the going concern basis, to all periods presented in these financial statements and in accordance with the Companies Act 2006 as applicable to companies using FRS 101.

#### 1.1 Measurement convention

The financial statements are prepared on the historical cost basis.

#### 1.2 Going concern

The directors have received confirmation that INEOS Holdings Limited intends to support the Company to ensure that the Company can continue to meet its financial obligations as and when they fall due. Having received this support, the directors believe that preparing the financial statements on the going concern basis is appropriate.

**Notes (continued)**  
*(forming part of the financial statements)*

**1 Accounting policies (continued)**

**1.3 Foreign currency**

Transactions in foreign currencies are translated to the Company's functional currencies at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined. Foreign exchange differences arising on translation are recognised in the profit and loss account.

**1.4 Non-derivative financial instruments**

Non-derivative financial instruments comprise investments in equity securities, trade and other debtors, loans and borrowings and trade and other creditors.

*Trade and other debtors*

Trade and other debtors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses.

*Trade and other creditors*

Trade and other creditors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method.

*Investments in equity securities*

Investments in jointly controlled entities, associates and subsidiaries are carried at cost less impairment.

*Interest-bearing borrowings*

Interest-bearing borrowings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

**1.5 Impairment**

*Financial assets (including trade and other debtors)*

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. For financial instruments measured at cost less impairment an impairment is calculated as the difference between its carrying amount and the best estimate of the amount that the Company would receive for the asset if it were to be sold at the reporting date. Interest on the impaired asset continues to be recognised through the unwinding of the discount. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

**Notes (continued)**  
**(forming part of the financial statements)**

**1 Accounting policies (continued)**

**1.6 Expenses**

*Interest receivable and interest payable*

Interest payable includes interest payable on loans from group undertakings and net foreign exchange losses that are recognised in the profit and loss account (see foreign currency accounting policy).

Other interest receivable and similar income includes interest receivable on funds invested and net foreign exchange gains.

Interest income and interest payable is recognised in profit or loss as it accrues, using the effective interest method. Foreign currency gains and losses are reported on a net basis.

**1.7 Taxation**

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for: the initial recognition of goodwill; the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination, and differences relating to investments in subsidiaries to the extent that they will probably not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

**2 Operating result**

The auditors' remuneration of £1,000 (2016: £1,000) was borne by a fellow group undertaking.

**3 Staff costs and directors' remuneration**

The Company had no employees during the year (2016: nil). No directors received any fees or remuneration in respect of their services as a director of the Company during the financial year (2016: £nil).
