## **DIRECTORS' REPORT**

The Directors present their annual report and the financial statements of the company for the year ended 31 January 2013

### **Principal Activity**

The Company's principal activity during the year was the orderly wind-down of the business subsequent to the cessation of active business in 2010

### **Directors and their Interests**

The current Directors of the Company and those who served in the year are

Mr J Byrne (Appointed 20<sup>th</sup> March 2013)

Mr R J Fallowfield

Ms J L Fayed (Resigned 25<sup>th</sup> March 2013)

### **Results and Dividends**

The profit after taxation for the year ended 31 January 2013 amounted to £22,930 (2012 loss of £56,029)

The Directors do not recommend the payment of a dividend and an amount of £22,930 has been transferred to reserves

### **Review of Business**

Following a review of the business in the Spring of 2010, prompted by the resignation of the Chief Executive Officer, it became apparent that the prospects for becoming profitable in a reasonable period of time were low. As a consequence, a period of consultation with staff was undertaken, culminating in a decision on 30<sup>th</sup> June 2010 to conduct an orderly run-down of the business. A program of redundancies was announced and the final employee left on 31<sup>st</sup> March 2011. Since then the focus has been on collecting the remaining trade debtors and paying remaining creditors. The latter was concluded in July 2011, by which time the remaining unpaid debtors had all been referred to collection agencies. It is anticipated that collecting the balances still owing may take considerable time due to the scattered geography of the customer base and difficult economic circumstances in the global fashion industry.

### **Directors' responsibilities**

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements the directors are required to.

## **Jasmine Di Milo Limited**

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether applicable United Kingdom accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

As explained in note 1 to the financial statements, the directors do not believe the going concern basis to be appropriate and these financial statements have not been prepared on that basis

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Small company provisions**

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

This report has been approved by the board of directors on 4<sup>th</sup> October 2013 and signed on behalf of the board by

### **NOTES TO THE ACCOUNTS**

#### **1 Accounting Policies**

##### **Basis of preparation**

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards

Following the resignation of the Chief Executive in Spring 2010, a review of the business led to a decision to cease activities, and a program of orderly run-down began on 30<sup>th</sup> June 2010

At the balance sheet date, a significant value of trade debtors remained unpaid. At the date of signing these financial statements all unpaid debts have been placed in the hands of collection agents and full provision has been made for the value of these, although efforts to collect will continue

As a result the financial statements have been prepared on a basis other than that of a going concern. Accordingly, all assets have been restated to reflect their net realisable value

##### **Going Concern**

Following the decision to close the business, indications have been received from the ultimate parent company, Gemini Holdings Limited Inc, and verbal indications received from Mr M Al Fayed that funding will be made available to enable the Company to meet all its liabilities as they fall due. Although there is no legal obligation for either Gemini Holdings Limited inc or Mr Al Fayed to provide such support, the Directors are confident that such funding will be forthcoming

##### **Deferred Taxation**

Deferred taxation is provided on material timing differences between the incidence of income and expenditure for taxation and accounts purposes using a full provision basis in accordance with the provisions set out in Financial Reporting Standard No 19 "Deferred Tax". Deferred tax assets are only recognised when they arise from timing differences where their recoverability in the short-term is regarded as more likely than not

##### **Foreign Currency**

Transactions denominated in foreign currency are translated at exchange rates ruling at the transaction date. Realised gains and losses are dealt with in the profit and loss account

##### **Pension Costs**

The cost of defined contribution pensions represent the contributions payable by the company during the year
