**FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED 31 MARCH 2020**

## **LAND SECURITIES SPV'S LIMITED**

### **DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2020**

The directors of Land Securities SPV's Limited (the 'Company') present their report and the audited financial statements for the year ended 31 March 2020.

#### **Directors' responsibilities statement**

The directors are responsible for preparing the Directors' Report and the audited financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare audited financial statements for each financial year. Under that law the directors have elected to prepare the audited financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under company law the directors must not approve the audited financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these audited financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the audited financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the audited financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Going concern**

Given the significant impact of Covid-19 on the macro-economic conditions in which the Company is operating, the Directors have placed a particular focus on the appropriateness of adopting the going concern basis in preparing the financial statements for the year ended 31 March 2020. The directors are closely monitoring the impact of Covid-19 on the Company and, given the Company's operating model, believe that the Company has sufficient resources to meet its obligations as they fall due for 12 months after the date of approval of the financial statements. Based on this, together with available market information and the Directors' knowledge and experience of the Company, the Directors continue to adopt the going concern basis in preparing the financial statements for the year ended 31 March 2020.

#### **Principal activity, review of the business and future developments**

The Company has continued its business of investment holding in the United Kingdom. No changes in the Company's principal activity are anticipated in the foreseeable future.

#### **Results for the year and dividend**

There was no activity in the Company for the year ended 31 March 2020 and consequently no Statement of Comprehensive Income has been disclosed.

The directors do not recommend the payment of a dividend for the year ended 31 March 2020 (2019: £Nil).

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LAND SECURITIES SPV'S LIMITED

### Opinion

We have audited the financial statements of Land Securities SPV's Limited (the 'Company') for the year ended 31 March 2020 which comprise the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 9, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 101 'Reduced Disclosure Framework'.

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2020 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LAND SECURITIES SPV'S LIMITED (CONTINUED)**

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement set out on page 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### **Use of our report**

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

The financial statements have been prepared on a going concern basis and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' ('FRS 101') and the Companies Act 2006. The financial statements are prepared under the historical cost convention.

Land Securities SPV's Limited (the 'Company') is a private company limited by shares and is incorporated, domiciled and registered in England and Wales (Registered number: 04365195). The nature of the Company's operations is set out in the Directors' Report on page 1. The results of the Company are included in the consolidated financial statements of Land Securities Group PLC which are available from the Company's registered office at 100 Victoria Street, London, SW1E 5JL.

The accounting policies which follow set out those policies which apply in preparing the financial statements for the year ended 31 March 2020. The financial statements are prepared in Pounds Sterling (£) and are rounded to the nearest thousand pounds (£000).

##### 1.2 Group accounts

The financial statements present information about the Company as an individual undertaking and not about its group. The Company has not prepared group accounts as it is exempt from the requirement to do so by section 400 of the Companies Act 2006 as it is a subsidiary of Land Securities Group PLC, a Company incorporated in England and Wales whose consolidated financial statements are publicly available.

##### 1.3 Financial reporting standard 101 - reduced disclosure exemptions

The Company has taken advantage of the following disclosure exemptions under FRS 101:

- the requirements of IFRS 7 Financial Instruments: Disclosures
- the requirements of paragraphs 91-99 of IFRS 13 Fair Value Measurement
- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
  - paragraph 79(a)(iv) of IAS 1;
  - paragraph 73(e) of IAS 16 Property, Plant and Equipment;

The equivalent disclosures relating to IFRS 7, IFRS 13 & IAS 36 are included in the consolidated financial statements of Land Securities Group PLC, in which the entity is consolidated.

##### 1.4 Investment in subsidiary undertakings

Investments in subsidiary undertakings are stated at cost in the Company's Balance Sheet, less any provision for impairment in value.

##### 1.5 Provisions

A provision is recognised in the Balance Sheet when the Company has a constructive or legal obligation as a result of a past event and it is probable that an outflow of economic benefits will be required to settle the obligation. Where relevant, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

##### 1.6 Going concern

Given the significant impact of Covid-19 on the macro-economic conditions in which the Company is operating, the Directors have placed a particular focus on the appropriateness of adopting the going concern basis in preparing the financial statements for the year ended 31 March 2020. The directors are closely monitoring the impact of Covid-19 on the Company and, given the Company's operating model, believe that the Company has sufficient resources to meet its obligations as they fall due for 12 months after the date of approval of the financial statements. Based on this, together with available market information and the Directors' knowledge and experience of the Company, the Directors continue to adopt the going concern basis in preparing the financial statements for the year ended 31 March 2020.

##### 1.7 Statement of Comprehensive Income and other primary statements

There was no activity during the year and consequently no Statement of Comprehensive Income has been disclosed.

## LAND SECURITIES SPV'S LIMITED

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

#### 1. Accounting policies (continued)

##### 1.8 Impairment

The carrying amounts of the Company's non-financial assets, other than investment properties, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated (see below). An impairment loss is recognised in the Statement of Comprehensive Income whenever the carrying amount of an asset exceeds its recoverable amount.

The recoverable amount of an asset is the greater of its fair value less costs to sell and its value in use. The value in use is determined as the net present value of the future cash flows expected to be derived from the asset, discounted using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount after the reversal does not exceed the amount that would have been determined, net of applicable depreciation, if no impairment loss had been recognised.

##### 1.9 Amounts due from Group undertakings

Amounts due from Group undertakings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, amounts due from Group undertakings are stated at amortised cost and, where relevant, adjusted for the time value of money. The Company assesses on a forward-looking basis, the expected credit losses associated with its amounts due from Group undertakings. A provision for impairment is made for the lifetime expected credit losses on initial recognition of the amounts due. If collection is expected in more than one year, the balance is presented within non-current assets.

In determining the expected credit losses, the Company takes into account any future expectations of likely default events based on the level of capitalisation of the counterparty, which is a fellow subsidiary undertaking of Land Securities Group PLC.

##### 1.10 Dividends

Final dividend distributions to the Company's shareholders are recognised as a liability in the Company's financial statements in the period in which the dividends are approved by the Company's shareholders. Interim dividends are recognised when paid.

#### 2. Changes in accounting policies and standards

The accounting policies used in these financial statements are consistent with those applied in the last annual financial statements, as amended where relevant to reflect the adoption of new standards, amendments and interpretations which became effective in the year, the impact of which is outlined below.

##### Changes in accounting policy

The Company adopted IFRS 16 Leases on 1 April 2019. There has been no net impact on Total Comprehensive Income or on the Company's balance sheet.

##### Amendments to IFRS

A number of new standards, amendments to standards and interpretations have been issued but are not yet effective for the Company none of which are expected to have a material impact on the financial statements of the Company.

#### 3. Significant accounting judgements and estimates

The Company's significant accounting policies are stated in note 1 above. Not all of these significant accounting policies require management to make difficult, subjective or complex judgements or estimates. The following is intended to provide an understanding of the policies that management consider critical because of the level of complexity, judgement or estimation involved in their application and their impact on the financial statements. These estimates involve assumptions or judgements in respect of future events. Actual results may differ from these estimates.

##### Estimates

##### Amounts due from Group undertakings

The Company is required to judge when there is sufficient objective evidence to require the impairment of amounts due from Group undertakings. It does this by assessing on a forward-looking basis, the expected credit losses associated with its amounts due from Group undertakings. A provision for impairment is made for the lifetime expected credit losses on initial recognition of the amounts due. In determining the expected credit losses, the Company takes into account any future expectations of likely default events based on the level of capitalisation of the counterparty, which is a fellow subsidiary undertaking of Land Securities Group PLC.
