Directors' report

The directors present their annual report and the audited financial statements for the year ended 31 December 2010

The directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption

Principal activity and review of the business

The company's principal activities are undertaking the building of PetAid hospitals on behalf of The People's Dispensary for Sick Animals and the provision of preventive veterinary services

Results

The directors report a net profit for the financial year of £Nil (2009 £Nil) after payment under a charitable deed of covenant, under the Gift Aid scheme, to PDSA of £1,172,540 (2009 £808,325)

Future prospects

The directors review the performance and financial forecasts of the business on a regular basis

Financial forecasts for the current and next financial year form part of PDSA's ongoing financial control processes across the group. The most recent update to this (December 2010) suggests that PDSA PetAid Enterprises Limited has a strong demand for its major activity of preventive services and the expectation for 2011 is that the surplus generated will continue to grow

No matters have come to the attention of the directors which might suggest that the company will not be able to maintain its current activities and they therefore consider that it is appropriate for the financial statements to be prepared on a going concern basis

Directors and their interests

The directors during the year were as follows

J McLoughlin
R Hooker

Directors' responsibilities statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report To The Members Of PDSA PetAid Enterprises Limited

We have audited the financial statements of PDSA PetAid Enterprises Limited for the year ended 31 December 2010 which comprise the profit and loss account, the balance sheet and the related notes 1 to 16. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Independent Auditor's Report To The Members Of PDSA PetAid Enterprises Limited (cont'd)

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2010 and of its result for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on the other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit
- the directors were not entitled to take advantage of the small companies exemption in preparing the directors' report

Notes to the financial statements

1 Accounting policies

The financial statements are prepared in accordance with applicable UK accounting standards. The particular accounting policies which have been applied consistently in the current and preceding year are described below.

Basis of accounting

The financial statements are prepared under the historical cost convention.

The directors review the performance and prospects of the business and in particular individual products on a regular basis. The unprecedented economic uncertainty has made this activity an increasingly important one.

Financial forecasts for the current and next financial year form part of PDSA's ongoing financial control processes across the group. The most recent update to this (December 2010) suggests that PDSA PetAid Enterprises Limited has a strong demand for its major activity of preventive services and the expectation for 2010 is that the surplus generated will continue to grow.

No matters have come to the attention of the directors which might suggest that the company will not be able to maintain its current activities and they therefore consider that it is appropriate for the financial statements to be prepared on a going concern basis.

Turnover

Turnover represents amounts receivable for goods and services net of VAT. Profit is recognised on long term contracts, if the final outcome can be assessed with reasonable certainty, by including in the profit and loss account turnover and related costs as contract activity progresses. Turnover is calculated as that proportion of total contract value which costs incurred to date bear to total expected costs for that contract.

Long term contracts

Amounts recoverable on long term contracts which are included in debtors, are stated at the net sales value of the work done after provision for contingencies and anticipated future losses on contracts less amounts received as progress payments on account. Excess progress payments are included in creditors as payments on account.

Stocks

Stock and work in progress are stated at the lower of cost and net realisable value. Cost represents direct materials and labour.

Finance leases

The minimum lease payments receivable from finance leases, less appropriate future income arising from finance charges are included in net investment in finance leases. Income from finance leases is credited to the profit and loss account using methods which produce an approximate constant rate of return on net cash investment.

Operating leases

Operating lease rentals receivable are credited to the profit and loss account as earned and operating lease rentals payable are charged to the profit and loss on a straight line basis over the life of the lease.

Taxation

The company is potentially exempt from corporation tax as all of its taxable profits are covenanted under the Gift Aid Scheme to the charitable parent entity.
