STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements the directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for ensuring that the director's report and other information included in the annual report is prepared in accordance with company law in the United Kingdom.

NOTES TO THE ACCOUNTS

1 Accounting Policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and preceding year.

The accounts have been prepared under the historical cost convention and in accordance with all applicable accounting standards.

The financial statements present information about the company as an individual undertaking and not about its group. The company has not prepared group financial statements as it is exempt from the requirement to do so by section 401 of the Companies Act 2006, as it and its subsidiaries are included in the consolidated financial statements of Stericycle Inc., a company incorporated in the United States of America.

The company has taken advantage of the exemption under FRS1 (Revised) not to prepare a cash flow statement on the basis that the company is wholly owned and its parent publishes consolidated financial statements
