### **DIRECTORS' REPORT**

The directors submit the annual financial statements of Hanway Residents Limited for the year ended 31 March 2011

---

#### **Business Review**

---

The Company's principal activity is that of the ownership of the headlease of 5-6 Hanway Place, London W1T 1HF. It is also responsible for administering and maintaining the common parts of the property. Underleases of the nine flats and one garage at the property have previously been granted by the former owner of the headlease to sub-lessees.

The management of the property has been sub-contracted to Pembertons Property Management Limited since 1 April 2011, the previous contract with County Estates Limited having been novated as at that date. The tenants were invoiced by and account directly to the management agents in respect of service charges and ground rents falling due under the underleases. This company was responsible for managing the employment of contractors for the provision of services in respect of the property and for discharging, out of sums received by them from the tenants, all payments due to those contractors. Accordingly, no transactions relating to Pembertons Property Management Limited and County Estates Limited's functions are shown in these accounts.
