## STATEMENT OF DIRECTORS' RESPONSIBILITIES

United Kingdom company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and the Group as at the end of the financial year and of the profit or loss of the Group for that period.

In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Group will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and the Group and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for the system of internal control, for safeguarding the assets of the Company and the Group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REGENTER LIMITED

We have audited the financial statements of Regenter Limited for the year ended 31 December 2004 which comprise the Group profit and loss account, the balance sheets, cash flow statement, the related notes 1 to 16 and the list of principal subsidiaries. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the Company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### Respective responsibilities of directors and auditors

As described in the statement of directors' responsibilities, the Company's directors are responsible for the preparation of the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibility is to audit the financial statements in accordance with relevant United Kingdom legal and regulatory requirements and auditing standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report if, in our opinion, the directors' report is not consistent with the financial statements, if the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the Company is not disclosed.

We read the directors' report for the above year and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

## Basis of audit opinion

We conducted our audit in accordance with United Kingdom auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

## **Opinion**

In our opinion the financial statements give a true and fair view of the state of the Company's and the Group's affairs as at 31 December 2004 and of the loss of the Group for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

### Notes to the financial statements for the year ended 31 December 2004

### 1 ACCOUNTING POLICIES

### a) Basis of preparation of accounts

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards.

In accordance with Section 230 of the Companies Act 1985 no separate profit and loss account has been presented for the company. The company's retained loss for the year ended 31 December 2004 was £6,500 (2003 - £nil).

### b) Basis of consolidation

The group profit and loss account and balance sheet include the financial statements of Regenter Limited and its subsidiary undertakings made up to 31 December. Where subsidiaries are acquired or sold during the period the group profit and loss account includes the results for the part of the period for which they were subsidiaries. On acquisition of subsidiaries goodwill is capitalised and amortised over its useful economic life.

### c) <u>Investments</u>

Except as stated below, fixed asset investments are shown at cost less provision for impairment. Income from investments is included in the profit and loss account as declared.

### d) Taxation

Current tax, including United Kingdom Corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date.

In accordance with FRS 19 'Deferred Tax', deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the group's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. Deferred tax is measured at the average tax rates that are expected to apply in the period in which the timing differences are expected to reverse, based on the tax rates and laws that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are not discounted.

#### e) PFI Bid Costs

PFI bid costs are charged to the profit and loss account until such time as the Company is virtually certain that it will enter into contracts for the relevant PFI project. Virtual certainty is generally achieved at the time the Company is selected as preferred bidder. From the point of virtual certainty, bid costs are capitalised and held in the Company balance sheet as a debtor prior to achieving financial close. On financial close of PFI project and financing agreements, the Company recovers capitalised bid costs from the relevant project company. If the recovery of bid costs exceeds the amount capitalised by the Company to financial close, the over-recovery is credited to the profit and loss account.
