REPORT OF THE DIRECTORS
for the year ended 31 March 2016

The directors present their report with the financial statements of the company for the year ended 31 March 2016.

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of the holding of the freehold of 33-35 Hill Street, 27-30 Hays Mews and 1-4 Saddle Yard London W1 together with the holding of the leasehold reversionary interest and other ancillary properties and the management of these properties.

As set out in note 1 to the financial statements, the service charge expenditure relating to the property is not reflected in the income statement on the basis that such costs are incurred on behalf of tenants, for which the company receives full reimbursement. The total service charge expenditure incurred in the year is, however, disclosed in note 3 to the financial statements.

Also the service charge monies held by the company, together with other related service charge assets and liabilities (with the exception of those which have arisen as a result of the company entering into a contractual obligation with a third party - see note 1 to the financial statements), are not included on the balance sheet on the basis that these are held in trust by the company on behalf of the tenants.

The company prepares separate service charge accounts which are tailored specifically for the tenants of the property and these include a detailed analysis of the service charge costs for the year together with a balance sheet showing the assets and liabilities held in trust at the year end. Copies of these accounts can be obtained on request from Tideway Investment Management Limited, 6 Deanery Street, Mayfair, London, W1K 1BA.
