Notes to the Financial Statements

for the Period Ended 31 March 2018

1. Accounting policies

These financial statements have been prepared in accordance with the provisions of Section 1A (Small Entities) of Financial Reporting Standard 102

Turnover policy

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, VAT and other sales taxes.

Tangible fixed assets and depreciation policy

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life. Fixtures fittings and equipment - 15% on reducing balance

Other accounting policies

Taxation Taxation for the year comprises current and deferred tax. tax is recognised in the Income Statements, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. Current or deferred taxation assets and liabilities are not discounted. Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference. Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Pension costs and other post-retirement benefits The company operates a defined pension scheme. Contributions payable by the company's pension scheme are charged to profit or loss in the period to which they relate.
