7.5 **Ratification**

The Grantor ratifies and confirms and agrees to ratify and confirm whatever may lawfully be done by the Participant in exercising any power granted to it by this Clause 7.

8. **GENERAL PROVISIONS**

8.1 **New account**

If any subsequent Encumbrance affects the Collateral or any part of it, the Participant may open a new account with the Grantor. If the Participant does not open a new account, it will nevertheless be treated as if it had done so at the time it received or was deemed to have received notice of that other Encumbrance. As from that time all payments to the Participant will be credited or be treated as having been credited to the new account and will not operate to reduce any of the Secured Obligations.

8.2 **Delegation by Participant**

The Participant may delegate by power of attorney or in any other manner all or any of the rights, powers and discretions exercisable by it under this Agreement in such manner upon such terms (including the power to sub-delegate) and to such persons as the Participant may in its discretion think fit. The Participant will not be in any way liable or responsible to the Grantor for any loss or liability arising from any act, default, omission or misconduct on the part of any such delegate or sub-delegate.

8.3 **Exercise of rights**

Every right, benefit, power, discretion, authority and remedy given to or vested in the Participant by or pursuant to this Agreement or by law shall be:

- (a) in addition to and not a limitation of any and every other right, benefit, power, discretion, authority and remedy given to or vested in the Participant by or pursuant to this Agreement, any other Guernsey Security Document or by law; and
- (b) exercisable from time to time and at any time and in any circumstances and without waiving or releasing any other right, benefit, power, discretion, authority or remedy and as often as the Participant may in its discretion deem expedient,

and the Participant shall without prejudice to its other rights and powers under this Agreement be entitled (but not bound) at any time and as often as may be necessary to take any such action as it may in its discretion think fit for the purpose of protecting the Security Interests.

8.4 **No obligation to fulfil Grantor's obligations, enquire, claim or collect**

Neither the Participant nor any Nominee is obliged to:

- (a) fulfil any obligation of the Grantor or to make any payment in respect of the Collateral or any part of it;
- (b) make any enquiry as to the nature or sufficiency of any payment received by the Participant, any Nominee or the Grantor in respect of the Collateral; or

- (d) exercise any right,

in its sole and absolute discretion having regard to the interests of the Participant alone.

8.6 Discretion to fulfil Grantor's obligations

Without prejudice to Clause 5.1(b), the Participant may elect to satisfy obligations or liabilities of the Grantor and any obligation or liability so satisfied shall be an obligation or liability (as the case may be) owing by the Grantor to the Participant and shall be satisfied on demand and where the Participant has paid money to satisfy such an obligation or liability shall be repaid together with interest at the Default Rate from the date of such payment by the Participant and pending such reimbursement shall form part of the Secured Obligations.

8.7 Certification

Any certificate submitted by the Participant to the Grantor as to the amount of the Secured Obligations or any part of them will be in the absence of manifest error conclusive evidence of the matters to which it relates.

8.8 Change in constitution of Participant

The rights, benefits, powers, discretions, authorities and remedies of the Participant under or pursuant to this Agreement shall remain valid and binding for all purposes notwithstanding any change which may be made (whether by amalgamation, consolidation, merger, universal succession or otherwise) in the constitution of the entity by which the business of the Participant may from time to time be carried on and shall be available to the entity carrying on that business for the time being.

8.9 Currency conversion

The Participant may convert any monies received, recovered or realised by the Participant in connection with this Agreement from their existing currency of denomination into such other currency of denomination as the Participant may in its discretion think fit and any such conversion shall be effected at the Participant's then prevailing spot selling rate of exchange for such other currency against the existing currency or if there is no such rate at such other rate as the Participant shall in its discretion consider appropriate and any costs or commissions for or charges payable in respect of such conversion shall form part of the Secured Obligations.

8.10 No enquiry by person dealing with Participant

No person (including a purchaser) dealing with the Participant or a representative of the Participant shall be concerned to enquire (whether upon the exercise of any power granted by Clause 7 or otherwise):

- (a) whether or not an Event of Default is continuing;
- (b) whether the Secured Obligations have become due or payable;
- (c) whether any power which any of them is purporting to exercise has become exercisable;
- (d) as to the propriety or regularity of any action of any of them; or

- (e) how any money paid to the Participant is to be applied.

8.11 Severability

If at any time one or more provisions of this Agreement become invalid, illegal or unenforceable in any respect under the laws of any jurisdiction, this will not affect:

- (a) the legality, validity or enforceability in that jurisdiction of any other provision of this Agreement; or
- (b) the legality, validity or enforceability in other jurisdictions of that or any other provision of this Agreement.

8.12 Time of the essence

Time shall be of the essence for the purposes of this Agreement, both as regards the dates and periods mentioned in the Guernsey Security Document and as to any dates and periods which may by agreement in writing between or on behalf of the Participant and the Grantor be substituted for them.

8.13 Variations in writing

No variation of this Agreement shall be valid unless it is in writing and signed by or on behalf of each of the parties to this Agreement.

8.14 Withholding

All payments to be made by the Grantor under this Agreement shall be made without any withholding (in respect of tax or otherwise), set off or counterclaim.

9. PRESERVATION OF SECURITY

9.1 Continuing security

- (a) The Security Interests are a continuing security for the payment, performance and discharge of all the Secured Obligations and will extend to the ultimate balance of the Secured Obligations regardless of any intermediate payment or discharge in whole or in part.
- (b) While all or part of a payment made or other value given by the Grantor or a surety to the Participant is liable to avoidance it shall not be effective to extinguish or reduce the Secured Obligations.

9.2 Security independent

The security created by this Agreement:

- (a) is independent of and in addition to; and
- (b) will not merge with, be prejudicially affected by, or prejudicially affect,

any other Encumbrance or guarantee for any of the Secured Obligations now or subsequently held by the Participant, any Counterparty or any representative of the Participant.

9.3 Reinstatement

- (a) If any discharge (whether in respect of the Secured Obligations or any security for the Secured Obligations or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or must be restored on bankruptcy, insolvency, liquidation or

otherwise without limitation, the obligations and liabilities of the Grantor under this Agreement shall continue as if the discharge or arrangement had not occurred.

- (b) The Participant may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration provided that, where practicable, the Participant shall consult with the Grantor before taking any such action.
- (c) The obligations of the Grantor under this Agreement will not be affected by any act, omission, matter or thing which but for this provision would reduce, release or prejudice any obligation or liability of the Grantor under this Agreement (whether or not known to it), including:
- (d) any time, waiver, concession or indulgence granted to any person;
- (e) any delay or omission of the Participant in exercising any right or power vested in it under this Agreement or under the Guernsey Security Document which impairs such right or power or is construed as a waiver of, or as an acquiescence in, any default or breach of the Grantor or any other person;
- (f) the release of any person under the terms of any composition or arrangement;
- (g) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce any rights against or security over the property of any person;
- (h) any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (i) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any person;
- (j) any amendment (however fundamental) or replacement of a Credit Agreement or any other document or security;
- (k) any unenforceability, illegality, invalidity or non-provability of any obligation of any person under any Credit Agreement or any other document or security; and
- (l) the bankruptcy, winding-up or dissolution of any person.

9.4 Grantor intent

Without prejudice to the generality of Clauses 9.5 and 9.6 the Grantor expressly confirms that it intends that the Security Interests and its obligations under this Agreement shall extend from time to time to any (however fundamental and of whatever nature and whether or not more onerous) transfer, variation, increase, extension or addition of or to any of the Guernsey Security Document and/or any facility or amount made available under any of the Guernsey Security Document for the purposes of or in connection with any of the following:

- (a) business acquisitions of any nature;
- (b) increasing working capital;
- (c) enabling investor distributions to be made;
- (d) carrying out restructurings;
- (e) refinancing existing facilities;
- (f) refinancing any other indebtedness;

- (h) any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and
- (i) any fees, costs and/or expenses associated with any of the foregoing.

9.5 Immediate recourse

The Participant is not obliged, before exercising any of the rights, powers or remedies conferred upon it pursuant to this Agreement or by law:

- (a) save as required by the Security Law, to make any demand of any person;
- (b) to take any action or obtain judgment in any court against any person;
- (c) to make or file any claim or proof in a bankruptcy, winding-up or dissolution of any person; or
- (d) to enforce or seek to enforce any security taken in respect of or pursuant to any Guernsey Security Document or any other document or arrangement relating to the Secured Obligations.

9.6 Specific waiver of customary law rights

Without prejudice to the generality of any waiver granted in any Guernsey Security Document, the Grantor irrevocably and unconditionally abandons and waives any right which it may have at any time under the existing or future laws of Guernsey:

- (a) whether by virtue of the *droit de discussion* or otherwise to require that recourse be had to the property of any other person before any claim is enforced against the Grantor in respect of the obligations or liabilities assumed by the Grantor under this Agreement (including under Clause 2) or any other Guernsey Security Document; and
- (b) whether by virtue of the *droit de division* or otherwise to require that any liability under this Agreement (including under Clause 2) or any other Guernsey Security Document be divided or apportioned with any other person or reduced in any manner whatever.

9.7 Appropriations

The Participant or any representative of the Participant may at any time during the Security Period without affecting the obligations and liabilities of the Grantor under this Agreement:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by it (or any trustee or agent on its behalf) in respect of the Secured Obligations or apply and/or enforce the same in such manner and order as it sees fit (whether against the Secured Obligations or otherwise); and
- (b) hold in a suspense account any monies received from the Grantor or on account of the Secured Obligations.

9.8 Non-competition

Unless all amounts which are or may become payable to the Participant under or in connection with the Guernsey Security Document have been irrevocably paid in full, the Grantor shall not (unless the Participant otherwise directs the Grantor in writing) at any time during the Security Period after any claim has been made under this Agreement or by virtue of any payment or performance by it under this Agreement:

- (a) be subrogated to any rights, security or monies held, received or receivable by the Participant, any Counterparty or any representative of the Participant;
- (b) be entitled to any right of contribution or indemnity in respect of any payment made or monies received on account of the Secured Obligations;
- (c) claim, rank, prove or vote as a creditor of any person or any person's estate in competition with the Participant, any Counterparty or any representative of the Participant; or
- (d) receive, claim or have the benefit of any payment, distribution or security from or on account of a debtor of the Participant, or exercise any right of set-off as against a debtor of the Participant.

9.9 **Turnover**

Without prejudice to Clause 9.8, the Grantor shall hold on trust for and immediately pay or transfer to the Participant:

- (a) any payment or distribution or benefit of security received by the Grantor contrary to Clause 9.8; and
- (b) a sum equal to any right of set-off exercised by the Grantor contrary to Clause 9.8.

10. **SET-OFF**

- (a) The Participant may set-off any matured obligation due from the Grantor under this Agreement against any matured obligation owed to the Grantor, regardless of the place of payment, booking branch or currency of either obligation.
- (b) If the obligations are in different currencies, the Participant may convert either obligation at a market rate of exchange for the purposes of the set-off.
- (c) Where any obligation of the Grantor under any Guernsey Security Document is a contingent obligation, the Participant may, while an Event of Default is continuing, withhold payment of any sum owed by the Participant to the Grantor until the contingent obligation becomes a mature obligation or ceases to exist.

- (b) set-off or transfer any sum standing to the credit of any one or more such accounts in or towards satisfaction of all or any of the Secured Obligations which to the extent not then payable shall automatically become payable to the extent necessary to effect such set-off.

10.3 **Authorisation**

For this purpose and without prejudice to Clause 8.9, the Participant is authorised to purchase with the monies standing to the credit of any such account such other currencies as may be necessary to give full effect to this Clause 10.
