## NOTES TO THE ABBREVIATED ACCOUNTS

**FOR THE YEAR ENDED 31 MARCH 2015**

---

### **1 Accounting policies**

#### **1.1 Accounting convention**

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements have been prepared on a going concern basis. During the period the company made a loss of £90210 before taxation and at the balance sheet date the company had net current assets of £302284.

The director consider the going concern basis to be appropriate because in his opinion, the company will continue to obtain sufficient funding to enable it to pay its debts as they fall due and also will receive continuing support from the director. If the company were unable to obtain such funding, it would be unable to continue trading and adjustments would have to be made to reduce the value of assets to their realisable amount and to provide for any further liabilities which might arise.

#### **1.2 Compliance with accounting standards**

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

#### **1.3 Turnover**

Turnover represents amounts receivable for providing housing and social care net of VAT.

Revenue is recognised as earned when, and to the extent that, the firm obtains the right to consideration in exchange for its performance under these contracts.

#### **1.4 Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Leasehold	Straight line over the life of the lease
Fixtures, fittings & equipment	15% reducing balance
