REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 DECEMBER 2007

The Trustees present their Report and the Financial Statements for the year ended 31 December 2007

ORGANISATION

The company is a charitable company limited by guarantee, incorporated on 18 April 2002 and registered by the Charity Commission on 6 December 2002 - It commenced to operate on 1 January 2003

The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. Under those Articles, the Trustees are elected at the Annual General Meeting to serve a period of three years, subject to ratification at each AGM. The Trustees meet on a regular basis and appoint new Trustees following consultation amongst themselves. The previous Trust was an unincorporated charity, registered number 293976, which transferred all its assets and liabilities to the company on 1 January 2003 at their balance sheet value.

The Articles of Association state that there must be not more than 10 trustees. New trustees receive internal training as to their responsibilities.

The Trustees have authorised four senior executives, none of whom are Trustees, to supervise the day to day running of the company. The executives are the President of The Proclamation Trust, the Director of Cornhill Training, the Director of Ministry and the Director of Finance and Administration. They report to the Trustees at their meetings Decisions are made by the trustees at regular meetings by a simple majority.

OBJECTS AND ACTIVITIES

The principal object of the company is the advancement of the Christian Gospel and in particular to preach and teach the Gospel of Jesus Christ as set forth in Scripture. This is achieved through (a) Conferences at which increased numbers are attending and (b) the Cornhill Training Course from which more people are being placed in full time Christian work.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of its financial activities for that period. In preparing these financial statements the Trustees are required to

- select suitable accounting policies and then apply them consistently
- make judgments and estimates that are reasonable and prudent
- state whether the policies adopted are in accordance with the Chanties SORP and with applicable accounting standards, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time that the financial statements comply with the Companies Act 1985. They are responsible for safeguarding the assets of the company and hence for taking responsible steps for the prevention and detection of fraud and other irregulanties.

INVESTMENT POWERS

The trustees have the power to invest funds as set out in the Trustees Investment Act 1961, as modified by the Trustees Act 2001. The investment manager continues to be A.C. Green, a trustee. The policy adopted is to hold quoted investments to provide income and some capital growth. The trustees consider the return of both income and value to be satisfactory.

Investment property is fully let at current commercial rent

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 DECEMBER 2007 (Continued)

REVIEW OF THE YEAR

The total income derived from gifts under Gift Aid, including income tax refunds, and general donations amounted to £182,507. Income from investments, deposits and bank interest totalled £23,471. Conference fees at £132,347 reflected the level of activity during the year. The company's share of the loss from the Audio Partnership, a joint venture with St Helen's Church, was £118. Rent received from residential properties was £Nil and £156,732 from Willcox House. The total income from the Cornhill Training Course was £153,250. Total income from all sources amounted to £666,884 and total expenditure was £787,250.

At the year-end the unrealised gains on quoted investments over cost were £20,784

One half of Willcox House is held as an Investment Fixed Asset and the Trustees have included this proportion at market value. At the year end the unrealised gain over cost was £1,156,012. The other half of Willcox House is used for the purposes of the company's charitable activities and is shown in Tangible Fixed Assets at cost less depreciation. The Trustees of the company acknowledge with gratitude the employees and those providing funds to the Trust, without whose support the present strength of the company would not have been achieved.

The company had a Joint Venture with St Helen's Church which ceased on 31 March 2007 Details of the Audio Partnership are included in note 9 of the financial statements

The Trustees believe that the Company is successfully achieving its objectives and future plans involve building on the success of the past

GRANT MAKING POLICY

The Trust offers a small number of grants to overseas students to attend the Cornhill Training Course These grants are offered at the discretion of Cornhill Training and the Trustees

RESERVES POLICY

A significant proportion of the unrestricted fund reserves represents the gift of the freehold property and unrealised gains on investments. The charity retains the balance of reserves to fund future bursaries to Cornhill Students and to meet the company's running costs, in total covering the period of approximately six months expenditure (approximately £395,000). The free reserves are approximately £160,000 which are considered adequate to meet this requirement following receipt of the proceeds of £560,000 from a property sale in February 2008. Restricted funds are retained according to the instructions of donors of the funds.

RISK MANAGEMENT
