**Chartered Accountants' Report to the Director on the Preparation of the Unaudited Statutory
Financial Statements of
Molly's Limited
for the Year Ended 31 May 2020**

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the financial statements of Molly's Limited for the year ended 31 May 2020 as set out on pages 3 to 10 from the company's accounting records and from information and explanations you have given us.

As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at <http://www.icaew.com/regulation>.

This report is made solely to the director of Molly's Limited, in accordance with the terms of our engagement. Our work has been undertaken solely to prepare for your approval the financial statements of Molly's Limited and state those matters that we have agreed to state to the director of Molly's Limited, in this report in accordance with ICAEW Technical Release 07/16 AAF. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Molly's Limited and its director for our work or for this report.

It is your duty to ensure that Molly's Limited has kept adequate accounting records and to prepare statutory financial statements that give a true and fair view of the assets, liabilities, financial position and loss of Molly's Limited. You consider that Molly's Limited is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or a review of the financial statements of Molly's Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory financial statements.

For the financial year ended 31 May 2020 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

The director acknowledges her responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared and delivered in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006. The statement of income and the director's report are not delivered to the Registrar of Companies in accordance with the special provisions applicable to small companies subject to the small companies regime.

Approved and authorised for issue by the director on 8 February 2021

Director

Molly's Limited

Notes to the Unaudited Financial Statements for the Year Ended 31 May 2020

1 General information

The company is a private company limited by share capital incorporated in England. The registered office is shown on page 1.

The principal place of business is:

14-15 St Dominic's Square
Lewsey Farm
Luton
Bedfordshire
LU4 0UN

2 Accounting policies

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A Small Entities and the Companies Act 2006.

Basis of preparation

These financial statements have been prepared using the historical cost convention except where otherwise disclosed in these accounting policies certain items are shown at fair value.

The financial statements are presented in sterling which is the functional currency of the company and rounded to the nearest £.

Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Turnover

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the company's activities. Turnover is shown net of value added tax, returns, rebates and discounts and recognised at point of sale.

Government grants

Government grants receivable are recognised as income if all performance conditions have been met in full.

Tax

The tax expense for the period comprises current and, where applicable deferred tax. Tax is recognised in statement of income, except that a change attributable to an item of income or expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The company's liability for current tax is calculated using tax rates and laws that have been enacted or substantively enacted by the end of the reporting period.

Molly's Limited

Notes to the Unaudited Financial Statements for the Year Ended 31 May 2020

Deferred tax is recognised on all timing differences arising between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the reporting date and that are expected to apply to the reversal of the timing difference.

The carrying amount of deferred tax assets are reviewed at each reporting date and a valuation allowance is set up against deferred tax assets so that the net carrying amount equals the highest amount that is more likely than not to be recovered based on current or future taxable profit.

Current and deferred tax assets and liabilities are not discounted.

Tangible assets

Tangible assets are stated in the Balance Sheet at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

Depreciation

Depreciation is provided on tangible assets so as to write off the cost, less any estimated residual value, evenly over their estimated useful economic life, as follows:

Asset class	Depreciation rate and method
Fixtures, fittings & equipment	25% reducing balance basis
Short leasehold land & buildings	14% straight line basis
Freehold land & buildings	2% straight line basis

Goodwill

Goodwill arising on the acquisition of an entity represents the excess of the cost of acquisition over the company's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities of the entity recognised at the date of acquisition. Goodwill is initially recognised as an asset at cost and is subsequently measured at cost less accumulated amortisation and accumulated impairment losses. Goodwill is amortised over its useful life.

Amortisation

Amortisation is provided on intangible assets so as to write off the cost over their estimated useful economic life, as follows:

Asset class	Amortisation rate and method
Goodwill	10% and 20% straight line basis

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand.

Financial instruments

Classification

Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than its legal form.

Recognition and measurement

The company's cash at bank and in hand, trade and other debtors, trade and other creditors are measured initially at transaction price, and subsequently at amortised cost using the effective interest method.

Molly's Limited

Notes to the Unaudited Financial Statements for the Year Ended 31 May 2020

Trade debtors

Trade debtors are amounts due from customers for goods sold or services provided in the ordinary course of business. A provision for the impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the debtors.

Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost is determined using the first-in, first-out (FIFO) method. Net realisable value is based on estimated selling price less additional costs of disposal.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Trade creditors are classified as current liabilities if the company does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Leases

Leases in which substantially all the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to profit or loss on a straight-line basis over the period of the lease.

Dividends

Equity dividends are recognised when they become payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders at the annual general meeting.

Pension costs

Contributions to the company's defined contribution pension scheme are charged to the statement of income in the year. The assets of the scheme are held separately from those of the company in an independently administered fund. In addition, the pension costs also include the amount paid by the company into the director's personal pension plan.

3 Employee information

The average number of persons employed by the company (including the director) during the year, was 42 (2019 - 40).

Molly's Limited
