Prescribed particulars of rights attached to shares

Please give the prescribed particulars of rights attached to shares for each class of share shown in the statement of capital share tables in Section 2.

Class of share

Ordinary

Prescribed particulars

The shares have attached to them full voting, dividend and capital distribution (including on winding up) rights; they do not confer any rights of redemption

Prescribed particulars of rights attached to shares

The particulars are:

- particulars of any voting rights, including rights that arise only in certain circumstances;
- particulars of any rights, as respects dividends, to participate in a distribution;
- particulars of any rights, as respects capital, to participate in a distribution (including on winding up); and
- whether the shares are to be redeemed or are liable to be redeemed at the option of the company or the shareholder.

A separate table must be used for each class of share.

Please use a statement of capital continuation page if necessary.
