STRATEGIC REPORT FOR THE YEAR ENDED 31 MARCH 2016

The directors present the strategic report and financial statements for the year ended 31 March 2016

Review of the business

Following the acquisition of Tollok S p A and Euroflex Transmissions (India) Private Limited in the year ended 31 March 2015, the company received dividend income from its subsidiaries during the year and continued to incur interest and exchange movements on its intercompany loans, resulting in a profit before tax of £13 1m (2015 -£0 8m) It ended the year with net assets of £87 9m (2015 - £74 7m) including cash of £1 3m (2015 - £0 7m)

Planned changes

No major changes are foreseen

Expansion of the business

The company is expected to continue to operate as a holding company in connection with other Autogard and Rexnord entities

Principal risks and uncertainties

In the opinion of the directors, given that the company's activity relates only to other group companies, the company faces no significant external risks and uncertainties

On behalf of the board

W J Howgego

Director

20 Dumber 2016

DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2016

The directors present their annual report and financial statements for the year ended 31 March 2016

The principal activity of the company during the year was the management and controlling of investments and the provision of management services to other group companies

Directors

The directors who held office during the year and up to the date of signature of the financial statements were as follows

W J Howgego P M Whaley E Saglik

Results and dividends

The results for the year are set out on page 5. No ordinary dividends were paid. The directors do not recommend payment of a final dividend

Directors' insurance

The group of which the company is a member maintains professional indemnity insurance covering directors, officers and senior managenal staff

Future developments

There are no plans to change the nature of the company's activities for the foreseeable future

Auditor

RSM UK Audit LLP has indicated its willingness to continue in office. A resolution to reappoint RSM UK Audit LLP as auditor will be proposed at the annual general meeting.

Statement of disclosure to auditor

So far as the directors are aware, there is no relevant audit information of which the company's auditors are unaware. Additionally, the directors have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditors are aware of that information.

On behalf of the board

W J Howgego

Director

20 December 2016

DIRECTORS' RESPONSIBILITIES STATEMENT FOR THE YEAR ENDED 31 MARCH 2016

The directors are responsible for preparing the Strategic Report and the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period in preparing these financial statements, the directors are required to

- · select suitable accounting policies and then apply them consistently,
- · make judgements and accounting estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AUTOGARD HOLDINGS LIMITED

We have audited the financial statements on pages 5 to 18. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditor

As more fully explained in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at http://www.frc.org.uk/auditscopeukprivate

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 March 2016 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- · the financial statements are not in agreement with the accounting records and returns, or
- · certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

1 Accounting policies

Company information

Autogard Holdings Limited is a company limited by shares incorporated in England and Wales The registered office is c/o Curtis, Mallet-Prevost, Colt & Mosle LLP, 99 Gresham Street, London, England, EC4V 7NG

The company's principal activities are disclosed in the Directors' Report

Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006

The financial statements are prepared in sterling, which is the functional currency of the company Monetary amounts in these financial statements are rounded to the nearest \pounds

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below

Transition to FRS102

These financial statements are the first financial statements of Autogard Holdings Limited prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102) The financial statements of Autogard Holdings Limited for the year ended 31 March 2015 were prepared in accordance with previous UK GAAP

Some of the FRS 102 recognition, measurement, presentation and disclosure requirements and accounting policy choices differ from previous UK GAAP Consequently, the directors have amended certain accounting policies to comply with FRS 102. The directors have also taken advantage of certain exemptions from the requirements of FRS 102 permitted by FRS 102 Chapter 35 'Transition to this FRS'

Having considered the company's financial position on 1 April 2014 (the date of transition to FRS 102) and its result for the comparative period ended 31 March 2015, the directors have concluded that no adjustments are required to the figures as previously reported for (i) equity at the date of transition to FRS 102, (ii) equity at the end of the comparative period, and (iii) profit or loss for the comparative period reported under previous UK GAAP

Reduced disclosures

The company is a qualifying entity under the FRS 102 Reduced Disclosure Framework and has taken advantage of the exemptions from the following disclosure requirements

- Section 7 'Statement of Cash Flows' Presentation of a Statement of Cash Flow and related notes and disclosures
- Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instrument Issues' Carrying amounts, interest income/expense and net gains/losses for each category of financial
 instrument, basis of determining fair values, details of collateral, loan defaults or breaches, details
 of hedges, hedging fair value changes recognised in profit or loss and in other comprehensive
 income
- Section 33 'Related Party Disclosures' Compensation for key management personnel

The financial statements of the company are consolidated in the financial statements of Rexnord Corporation, incorporated in the USA. The consolidated financial statements of Rexnord Corporation are filed at Companies House together with the financial statements of the company's parent, Rexnord Industries (UK) Limited.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2016

1 Accounting policies (Continued)

Group accounts

The financial statements present information about the company as an individual undertaking and not about its group. The company has not prepared group accounts as it is exempt from the requirement to do so by section 401 of the Companies Act 2006 as it is a subsidiary undertaking of Rexnord Corporation, a company incorporated in the United States of America, and is included in the consolidated accounts of that company

Going concern

The company ended the year with net current assets. As an intermediate holding company its principal dealings are only with other group companies. Where liabilities exist with these other group companies the directors have no reason to believe that these companies will demand repayment unless funds exist to do so. The company has received a letter of support from the ultimate parent company, Rexnord Corporation, confirming the parent company will continue to support the company for at least twelve months from the expected date of signing of these financial statements. Accordingly the directors have prepared these financial statements on a going concern basis.

Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost net of depreciation and any provision for impairment. Fixed assets are reviewed for impairment if events or changes in circumstances indicate that the carrying amount may not be recoverable or as otherwise required by relevant accounting standards.

Depreciation is calculated so as to write off the cost of a tangible fixed asset, less its estimated residual value, over the useful economic life of that asset as follows

Leasehold improvements

5 years straight line

Plant and machinery

3-10 years straight line

Computer equipment

3 years straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss

Fixed asset investments

Fixed asset investments, reflecting investments in subsidiaries, are initially measured at cost and subsequently measured at cost less any accumulated impairment losses. The investments are assessed for impairment at each reporting date and any impairment losses or reversals of impairment losses are recognised immediately in profit or loss.

Impairment of fixed assets

At each reporting end date, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2016

1 Accounting policies (Continued)

Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all its financial instruments. Financial instruments are recognised when the company becomes party to the contractual provisions of the instrument. Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the financial asset is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. Basic financial liabilities, including trade and other payables, bank loans, loans from fellow group companies and preference shares that are classified as debt are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Financial liabilities are derecognised when, and only when, the company's contractual obligations are discharged, cancelled, or they expire

An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities. Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

Taxation

The tax expense represents the sum of the current tax expense and deferred tax expense. Current and deferred tax is charged or credited to profit or loss, except when it relates to items charged or credited to other comprehensive income or equity, when the tax follows the transaction or event it relates to and is also charged or credited to other comprehensive income or equity.

Current tax is based on taxable profit for the year. Taxable profit differs from total comprehensive income because it excludes items of income or expense that are not taxable or deductible, or that are taxable or deductible in other periods. Current tax assets and liabilities are measured using tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax liabilities are recognised in respect of all timing differences that exist at the reporting date Timing differences are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in different periods from their recognition in the financial statements. Deferred tax assets are recognised only to the extent that it is probable that they will be recovered by the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled based on tax rates that have been enacted or substantively enacted by the reporting date Deferred tax is not discounted

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2016

Accounting policies (Continued)

Current tax assets and current tax liabilities and deferred tax assets and deferred tax liabilities are offset if, and only if, there is a legally enforceable right to set off the amounts and the entity intends either to settle on the net basis or to realise the asset and settle the liability simultaneously

Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets. The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received. Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits

Retirement benefits

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the profit and loss account

Leases

Rentals payable under operating leases, including any lease incentives received, are charged to income on a straight line basis over the term of the relevant lease except where another more systematic basis is more representative of the time pattern in which economic benefits from the lease asset are consumed

Foreign exchange

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit or loss

Judgements and key sources of estimation uncertainty 2

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods

In the opinion of the directors, there are no estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities

2015
