# **Exchequer Partnership (No 2) Holdings Limited**

## **Directors' report for the year ended 31 December 2006**

The directors present their report and the audited financial statements of the company and the group for the year ended 31 December 2006

### **Principal activities and business review**

The company is a holding company with a single subsidiary, Exchequer Partnership (No 2) Plc ('EPP'). EPP was established to bid for, and subsequently to complete, a 35-year contract with HM Customs and Excise and Inland Revenue to renovate and then manage the facilities at the East End of the main Treasury building formerly Government Offices, Great George Street, Whitehall, London. The renovations were completed in November 2004 and HM Customs and Excise and Inland Revenue then moved into the refurbished accommodation. Management of the facilities commenced from this time.

The project agreement with HM Customs and Excise and Inland Revenue was signed on 13 December 2002 and Financial Close for the project was achieved on 15 January 2003.

### **Development and performance of the business**

The business has operated smoothly with minimal deductions from availability fee payments. The facilities maintenance service has been closely monitored throughout the year. This takes the form of full-time representation on site through the Company's management services agent and periodic reporting by the independent Technical Assessor. A number of contract variations have been successfully implemented.

### **Principal risks and uncertainties**

The availability fee and the majority of the costs are contractually linked to the RPI index. A relatively small proportion of total costs is not inflation-linked and a rise in these costs above the general rate of inflation would reduce debt service cover ratios. The most significant of these costs is insurance, though claims history so far is good and current premium renewals are within budgeted amounts.

### **Key performance indicators**

The level of performance and availability deductions arising from failures to achieve specified levels of contract service is a key performance indicator. These are reported monthly to the Board and have been extremely small in relation to total availability fee payments.

Another key indicator is the ratio of operating cash flow to the senior debt service amount. This ratio is tested at six-monthly intervals and each time it has been to the satisfaction of the senior debt provider.

### **Results and dividends**

The group achieved a loss of £430,000 in the year (2005 profit of £3,805,000). No dividend is proposed (2005 £nil).

### **Directors and their interests**

The directors who held office during the year are given below:

T D Anderson  
D J Camp (resigned 31 March 2006)  
S Hockaday  
F P Lewis (resigned 31 March 2006)  
Sir Stuart Lipton (resigned 31 March 2006)  
J McDonagh (appointed 31 March 2006)  
M Ryan (appointed 31 March 2006)

The directors have no interest in the share capital of the company according to the Register maintained by the company under Section 325 of the Companies Act 1985.

## Directors' report for the year ended 31 December 2006 (continued)

### Creditor payment policy

The company's policy is to agree terms of payments with key suppliers. For all other suppliers, terms are agreed for each transaction. The company endeavours to abide by the terms of payment agreed with suppliers. As at 31 December 2006 the creditor days represented by the closing creditors balance were 45 (2005: 36).

### Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the company and the group and of the profit or loss of the group for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors have confirmed that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and the group and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Disclosure of information to auditors

Each director at the date of the approval of the financial statements has confirmed

- (a) that so far as the Director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- (b) that they have taken steps that to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

### Auditors

PricewaterhouseCoopers LLP have indicated their willingness to act as auditors, and a resolution concerning their appointment will be proposed at the Annual General Meeting.

By order of the Board

## Independent auditors' report to the shareholders of Exchequer Partnership (No 2) Holdings Limited

We have audited the group and parent company financial statements (the "financial statements") of Exchequer Partnership (No 2) Holdings Limited for the year ended 31 December 2006 which comprise the consolidated profit and loss account, the consolidated and company balance sheets, the consolidated cash flow statement and the related notes. These financial statements have been prepared under the accounting policies set out therein.

### Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). This report, including the opinion, has been prepared for and only for the company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements. We also report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

### Basis of audit opinion

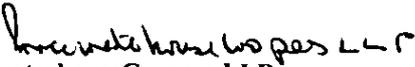

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the group's and company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### Opinion

In our opinion:

- the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the group's and the parent company's affairs as at 31 December 2006 and of the group's loss and cash flows for the year then ended,
- the financial statements have been properly prepared in accordance with the Companies Act 1985, and
- the information given in the Directors' Report is consistent with the financial statements.

## Accounting policies

A summary of the principal accounting policies of the company, all of which have been applied consistently, is set out below

### **Basis of preparation**

The financial statements have been prepared under the historical cost convention and in accordance with applicable UK Financial Reporting Standards. They include the results of the activities described in the Directors' Report all of which are continuing.

The consolidated profit and loss account, cash flow statement and balance sheet include the financial statements of the company and its subsidiary as at 31 December 2006.

### **Turnover**

Turnover represents amounts due from HM Customs and Excise and Inland Revenue in respect of the company's trading activities. All turnover originates in the United Kingdom and is stated exclusive of value added tax.

### **Taxation**

Corporation tax is provided on taxable profits at the applicable rate.

### **Finance receivable**

The costs incurred in respect of bid development, design and construction prior to the occupational availability of the Treasury building have been accumulated within a finance receivable in accordance with FRS 5 as the costs are to be recovered over the contract period.

Occupational availability payments from HM Customs and Excise and Inland Revenue are allocated between turnover in relation to the service element of the contract, reimbursement of the finance receivable and interest on the finance receivable so as to generate a constant rate of return over the contract period.

### **Finance charges**

Arrangement fees and certain costs directly relating to the issuing of the facilities have been offset against the related loans and are being amortised over the duration of each respective financial instrument as part of the finance cost in accordance with FRS 4. The directors have determined this to be 34.5 years for the bonds and 29 years for the mezzanine loan.

### **Deferred taxation**

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

Deferred tax assets are recognised when it is more likely than not they will be recovered. The deferred tax assets and liabilities are not discounted.

### **Provisions**

Provisions are made in accordance with FRS 12 where an obligation exists for a future liability in respect of a past event and where the amount of the obligation can be reliably estimated.
