# Directors' report

The directors present their annual report and the audited financial statements for the year ended 31 December 2005.

### Principal activity and review of the business

The company was incorporated on 9 May 2002 and is a wholly owned subsidiary of Fashion Box International S.A., and was set up to distribute the key Fashion Box Group S.p.A. brands within the UK and Ireland.

#### Results and dividends

The company made a profit after tax of £445,000 (2004: £50,000). The directors do not recommend the payment of a dividend (2004: £nil).

#### Directors

The directors who served throughout the year were as follows:

A Biancardi

B Kreel

N Kreel

None of the directors had any interests in the shares of the company at the beginning or end of the year.

## Financial risk management

The Directors believe that they have the policies in place to ensure all potential financial risks are managed effectively. The Company has receivable balances from third party customers and group companies. The Directors do not consider that the Company is exposed to significant credit risk due to there being no reliance on an individual customer.

They have reviewed the potential financial risks and believe no further action is required.

#### **Auditors**

Deloitte & Touche LLP have expressed their willingness to continue in office as auditors and a resolution to reappoint them will be proposed at the forthcoming Annual General Meeting.

# Statement of directors' responsibilities

United Kingdom company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- · state whether applicable accounting standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for the system of internal control, for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Independent auditors' report to the members of Fashion Box UK Limited

We have audited the financial statements of Fashion Box UK Limited for the year ended 31 December 2005 which comprise the profit and loss account, the balance sheet and the related notes 1 to 16. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of directors and auditors

As described in the statement of directors' responsibilities the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Our responsibility is to audit the financial statements in accordance with relevant United Kingdom legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view in accordance with the relevant financial reporting framework and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the directors' report and the other information contained in the annual report for the above year as described in the contents section and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

#### Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### Opinion

In our opinion the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the company's affairs as at 31 December 2005 and of its profit for the year then ended and the financial statements have been properly prepared in accordance with the Companies Act 1985.

## Notes to the accounts Year ended 31 December 2005

#### 1. Accounting policies

The financial statements are prepared in accordance with applicable United Kingdom accounting standards. The particular accounting policies adopted are described below and have been adopted consistently in the current year and prior period.

#### Basis of accounting

The financial statements have been prepared under the historical cost convention.

The company has taken advantage of the exemption from preparing consolidated financial statements afforded by Section 228 of the Companies Act 1985 because it is a wholly owned subsidiary of Fashion Box S.p.A., which prepares consolidated financial statements that are publicly available. The company is also, on this basis, exempt from the requirement of FRS 1 to present a cash flow statement.

#### **Turnover**

Turnover comprises the value of invoiced sales and store takings net of Value Added Tax.

#### Intangible fixed assets

Intangible fixed assets represent an acquired lease premium recorded at historical cost and being amortised on a straight line basis over the lease term.

#### Tangible fixed assets

Tangible fixed assets are stated at cost, net of depreciation and any provision for impairment.

Depreciation has been provided in order to write off the cost of depreciable fixed assts over their useful lives, as follows:

Fixtures and fittings	20%	Straight line
Plant and machinery	25%	Straight line

#### Stocks

Stocks are stated at lower of cost and net realisable value. Stocks represent finished goods only.

#### **Taxation**

Current UK corporation tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date.

Deferred tax is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset, or on unremitted earnings of subsidiaries and associates where there is no commitment to remit these earnings. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

#### Foreign currency

Transactions in foreign currency are recorded at the rate of exchange at the date of the transaction.

# Notes to the accounts Year ended 31 December 2005

### 1. Accounting policies (continued)

#### Finance costs

Finance costs of debt are recognised in the profit and loss account over the term of such instruments at a constant rate on the carrying amount.

#### Leases

Rentals under operating leases are charged to the profit and loss account on a straight-line basis over the lease term.

#### **Pension costs**

The company provides pensions to certain employees through a number of defined contribution pension schemes. The amounts charged to the profit and loss account are the contributions payable in the year.

#### 2. Turnover

Turnover represents amounts derived from the provision of goods and services which fall within the company's ordinary activities after deduction of trade discounts and Value Added Tax and any other tax based on the amounts so derived.

Current tax	
United Kingdom corporation tax at 30%	6 4

The differences between the total current tax shown above and the amount calculated by applying the standard rate of UK corporation tax to the loss before tax is as follows:

	£'000	£'000
Profit on ordinary activities before taxation	451	54
UK corporation tax at 30 % (2004 - 30%) thereon:	135	16
Expenses not deductible for tax purposes Capital allowances in excess of depreciation Utilisation of tax losses Unprovided deferred tax movement	33 19 (181)	43 (16) - (39)
Current tax charge	6	4

A deferred tax asset of £289,000 at 31 December 2005 has not been recognised in respect of timing differences relating to tax losses carried forward. This is due to there being insufficient evidence that the asset will be recovered.
