ADMINISTRATION AND PLANNING

Statutory information

Statutory information may be found at Appendix I.

The Joint Liquidators are required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the administration of the case, which ensures that work is carried out to high professional standards. A detailed list of these tasks may be found at Appendix III.

The Joint Liquidators have met their statutory and regulatory duties to report to creditors. In consideration of the need for transparency and engagement with creditors, care has been taken to ensure that reports and other communications with creditors have provided useful details of the strategies pursued and the outcomes anticipated.

ENQUIRIES AND INVESTIGATIONS

As mentioned in my previous progress report, the Joint Liquidators initial review of the Company's affairs in the period prior to appointment revealed matters that needed further investigation and may lead to recoveries for the benefit of creditors.

These investigations have been progressed during the Review Period, however, I am unable to comment of the specifics of my investigations as to not prejudice any potential recoveries or rights of action.

Creditors will be updated upon conclusion of these investigations.

REALISATION OF ASSETS

Please note that no asset realisations have been made during the Review Period, other than the interest received totalling £1,401, relating to the funds held in the bank account. Please revert to my previous report for details of assets realised in the prior period.

VAT Receivable

Please note that the Joint Liquidators have not received a response from HM Revenue and Customs ('HMRC') in relation the disbanding of the VAT group that the Company was party to and the Company's de-registration date to allow them to submit a VAT reclaim. The Joint Liquidators will continue to liaise with HMRC to establish the position and whether HMRC require anything further for the Joint Liquidators in order to expedite this matter and enable the current VAT to be reclaimed and any further VAT. As soon as the Joint Liquidators are able, the VAT will be recovered.

CREDITORS

Irrespective of whether sufficient realisations are achieved to pay a dividend to creditors, the Joint Liquidators have had to carry out key tasks which are detailed in the list at Appendix III. The following sections explain the anticipated outcomes to creditors and any distributions paid.

Secured creditors

The Company had granted the following security: -

Type of charge	Date created	Beneficiary
Fixed and Floating charge	16 May 2016	Santander UK Plc
Rent Deposit Deed	1 May 2007	Kuthe GMBH

The debt due to Santander UK Plc at the date of appointment was nil and a claim has not been received. Additionally, to date, no claim has been received from Kuthe GMBH.

Preferential creditors

As mentioned in my previous report, the Company did not have any employees and the contractors held by the Company were transferred under the Transfer of Undertakings Protection of Employment Regulations 2006. Accordingly, no preferential claims have been submitted.

If any former contractors have been affected by the Company's incorrect submission to HM Revenue and Customs ('HMRC'), and not been in touch with either the Joint Liquidators or Clumber Consultancy ERA, please do so as a matter of urgency in order for the issue to be rectified.

Unsecured creditors

As per the Directors Statement of Affairs, HMRC were shown to be owed £699,081. A claim of £1,214,193 has been received in relation to PAYE and VAT.

The Joint Liquidators have received unsecured creditor claims that were not included in the Directors' Statement of Affairs, totalling £13,826.

Inter-Company Claims

As per Directors Statement of Affairs, there were intercompany claims totalling £495,116. During the Review Period, the Joint Liquidators have attempted to identify the quantum of these claims to reconcile the balances in order to establish the validity of the claims. Due to the quality of the records obtained and the complexity and age of the transactions, the Joint Liquidators have been unable to obtain bank statements from the inception of the Company to establish the starting point of the loans in order to work forward.

As such it is the intention of the Joint Liquidators to admit the inter-company claims for the amounts detailed in the Directors' Statement of Affairs.

Dividend prospects

It is anticipated that a 65p in the £ distribution will be made to unsecured creditors. Note that this is an estimate and may be subject to change.

Where a floating charge is created after 15 September 2003 a prescribed part of the Company's net property shall be made available to unsecured creditors.

The Company granted a fixed and floating charge to Santander UK Plc on 16 May 2016. However, there are no amounts due to Santander UK Plc, accordingly, there will be no prescribed part in this Liquidation.

ETHICS

Please also be advised that the Joint Liquidators are bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment.

General ethical considerations

During the Review Period, the following threats to compliance with the Code of Ethics were identified. The Joint Liquidators identified that they had accidentally drawn fees over and above the amount that creditors had approved at the Section 100 meeting on 21 September 2018. During the Review Period creditors had approved a fee increase on 30 December 2019 and the Joint Liquidators had sufficient authority to cover the amount over billed. The reason for this was human error in the completion of the internal billing form.

The safeguards put in place to mitigate this threats is that additional evidence is now required when bills are being processed and approved and the internal billing form has been updated to include additional information (so that the reviewer and processor have all the necessary information and documents) to ensure that this error does not happen again.

Specialist Advice and Services

When instructing third parties to provide specialist advice and services or having the specialist services provided by the firm, the Joint Liquidators are obligated to ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work undertaken. The firm reviews annually the specialists available to provide services within each specialist area and the cost of those services to ensure best value. The specialists chosen usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment. Details of the specialists specifically chosen in this matter are detailed below.

Clumber Consultancy ERA – Employment Specialists
Hill Dickinson LLP – Solicitors
Leaf Technology – IT Specialists
Fyfield Equipment Limited – Record Collection and Storage Agent
David Currie and Co – Valuation Agents

FEES AND EXPENSES

Pre-Appointment Costs

A fixed fee of £12,778 was agreed and paid by the Company prior to the winding-up resolution.

The Joint Liquidators' fees

It is the firm's practice to ensure that work is conducted by the appropriate staff member at the appropriate level of experience. Junior members of staff deal with the day to day administration on cases and a manager and/or partner then oversees the work undertaken. Where the issues are complex and litigious, the work will be closely supervised or undertaken by a manager and/or partner.

The basis of the Joint Liquidators' fees was initially approved by creditors on 21 September 2018 in accordance with the following resolution:

"That the basis of the Joint Liquidators' fees be fixed by reference to the time properly given by the Joint Liquidators and their staff in attending to matters as set out in the fees estimate, totalling £25,937.50. Such time to be charged at the prevailing standard hourly charge out rates used by Opus Restructuring LLP at the time when the work is performed."

Further fees in excess of the fees estimate were approved by the creditors on 30 December 2020 with the following resolution:

"That in the absence of a Liquidation Committee, the basis of the Joint Liquidators' be authorised to draw a further £328,387.50, as set out in the fees estimate. Such time to be charged at the prevailing standard hourly charge out rates used by Opus Restructuring LLP at the time when the work is performed."

The time costs for the Review Period total £173,065, representing 1,050 hours at an average hourly rate of £165.. The time costs for the Review Period are detailed at Appendix V.

The total time costs during the period of appointment amount to £238,013 representing 1,330 hours at an average hourly rate of £179 and the sum of £233,737.50 has been drawn on account of time costs incurred. A comparison between the adjusted estimate and time costs to date is given at Appendix VI.

Investigations

As you will note from the time cost summary at Appendix V, the majority of the Joint Liquidators time has been incurred in conducting investigations into the Directors conduct and the Company's dealings. As noted above, I cannot comment on the specifics of the Joint Liquidators investigations, however, the time has been incurred in conducting the below work.

- Requesting delivery of the Companies' 771 boxes of records, reviewing the contents with 3
 members of staff conducting this review full time. Reviewing the Companies' 120 plus
 mailboxes containing in excess of 3 million emails.
- Extracting and reviewing the Company's financial data. This review highlighted unusual entries for which there is no explanation and therefore further investigations were required.
- Drafting reports and meeting with the Company's major creditors.
- Interviewing the former directors and key staff members in order to gain further insight into the running of the Company and the roles of both the directors and other senior members of staff and to put to them a number of questions.
- Establishing the intercompany loan position which has entailed reviewing the Company's records and highlighting various intercompany transactions which required further investigations and explanation from the Directors.
- Conducting bank analyses of the Company's bank accounts and identifying transactions that require further investigations.
- Liaising with the Company's former bank to obtain additional statements.
- Liaising with the Joint Liquidators solicitors to obtain advice on the course of the assignment and any potential actions that may be taken.
- Reviewing documents received from the Joint Liquidators solicitors in relation to all aspects of the Joint Liquidators investigations.

• Liaising with the Clumber Consultancy regarding payments made to the group pension scheme.

Administration and Planning

The Joint Liquidators have incurred time in relation to the general administration of the Liquidation in conducting the following tasks:

- Drafting statutory reports and issuing to creditors.
- Drafting an update report and issuing to creditors.
- Drafting and issuing documents relating to the creditors' decision procedure.
- Case planning and discussions regarding case strategy and planning.
- Liaising with HMRC in relation to the Company's VAT returns and deregistration.
- Drafting and issuing the Company's corporation tax returns and ensuring payment is made to HMRC regarding any liability.
- Completing statutory forms and ensuing they are issued and filed with the relevant parties.
- Conducting case and file reviews to ensure matters are progressed.

Realisations of Assets

Although no assets have been realised in the Review Period, the Joint Liquidators have undertaken investigations in relation to monies transferred from the Company's account at a time the Company's bankers should have been aware of the Company's financial position.

- Liaising with the Joint Liquidators solicitors regarding the transfer of funds.
- Liaising with the Company's former bankers.
- Collating correspondence with the Company's former bankers.
- Reviewing advice received from the solicitors and Counsel.
- Internal meetings to discuss this matter.

Creditors

The Joint Liquidators have incurred time in completing the following tasks:

- Receiving and responding to calls and emails from former contractors in relation to their personal tax matters.
- Liaising with Clumber Consultancy regarding rectification and resubmission of the contractors earnings information to HMRC.

Having regard for the costs that are likely to be incurred in bringing this Liquidation to a close, the Joint Liquidators consider that:

- the adjusted fees estimate is unlikely to be exceeded; and
- the original expenses estimate has been exceeded.

Disbursements

The disbursements that have been incurred and paid during the Review Period are detailed at Appendix VII. Also included at Appendix VII is a comparison of the expenses likely to be incurred in the Liquidation as a whole with the original expenses estimate, together with reasons where any expenses are likely to exceed that estimate.

The category 1 disbursements paid for in the Review Period total £3,072 are detailed at Appendix II and represent the simple reimbursement of actual out of pocket payments made in relation to the assignment.

The category 2 disbursements for the Review Period total £25 The basis of calculation of this category of disbursement was disclosed to creditors prior to their approval, which was given on 21 September 2020, and are also detailed at Appendix VII.

Information about this insolvency process may be found on the R3 website at http://www.creditorinsolvencyguide.co.uk/. A copy of 'A Creditors' Guide to Fees' together with the firm's charge-out rate and disbursement policy may be found at www.opusllp.com. A hard copy of both the Creditors' Guide and the firm's charge-out rate and disbursement policy may be obtained on request.

Other Professional Costs

Solicitors

Hill Dickinson LLP were instructed as legal advisors to assist the Joint Liquidators in all aspects of the Liquidation where legal advice is deemed necessary, namely their investigations. Their costs have been agreed on the basis of their standard hourly charge out rates, plus disbursements and VAT. Hill Dickinsons' fees for the Review Period amount to £2,142. The solicitors' total time costs from the date of appointment amount to £25,845 of which the sum of £20,938 has been paid.

CREDITORS' RIGHTS

Any secured creditor may request the same details in the same time limit.

An unsecured creditor may, with the permission of the Court or with the concurrence of 10% in value of the creditors (including the creditor in question), apply to Court to challenge the amount and/or basis of the Joint Liquidator's fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report. Any secured creditor may make a similar application to Court within the same time limit.

EU REGULATIONS (WHETHER PROCEEDINGS ARE MAIN PROCEEDINGS OR TERRITORIAL)

The Company's centre of main interest was in the UK as their registered office address and trading address was Unitum House 1 The Chase, John Tate Road, Hertford, SG13 7NN and therefore it is considered that the EU Regulations apply. Disbursement recovery

Disbursements are categorised as either Category 1 or 2 Category 2.

Category 1 disbursements will generally comprise of external supplies of incidental services specifically identifiable to the case. Where these have initially been paid by Opus Restructuring LLP and then recharged to the case, approval from creditors is not required. The amount recharged is the exact amount incurred.

Examples of Category 1 disbursements include postage, case advertising, specific bond insurance, company search fees, invoiced travel and properly reimbursed expenses incurred by personnel in connection with the case, (including business mileage up to the HMRC approved rate for cases commenced before 1 November 2011.) Also included will be services specific to the case where these cannot practically be provided internally such as printing, room hire and document storage.

Category 2 disbursements include elements of shared or allocated costs incurred by Opus Restructuring LLP and are recharged to the estate; they are not attributed to the estate by a third party invoice and/or they may include a profit element. These disbursements are recoverable in full, subject to the basis of the disbursement charge being approved by creditors in advance. Examples of Category 2 disbursements are photocopying, all business mileage (for cases commencing on or after 1 November 2011), internal room hire and internal storage.

The current levels of Category 2 disbursements recovered by Opus Restructuring LLP are as follows:

Smartsearch charges for UK based searches which range from £2.53 to £7.49. Accordingly, an average of £5 is charged.
