REPORT OF THE DIRECTORS

The directors present their report with the accounts for the year ended 1 April 2009.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ACTIVITIES

The company was incorporated on 30 May 2002 for the purpose of holding the freehold of 36 Redcliffe Square, London SW10, and then to hold the same as landlord granting long term leases to flats in this property at a peppercorn rent.

Completion of the purchase took place on 9 September 2002 with funds provided by participating lessees who are also shareholders of the company. It is intended that company administration costs will be borne by the service charge fund.

The company does not trade and has no income or expenses; consequently these accounts contain no Profit and Loss account. The costs of maintaining the property are borne by the leaseholders by way of service charges. All service charge fund is administered on the company's behalf by managing agents. As the company has no beneficial interest in the service charge fund it has been excluded from these accounts. Service charge accounts prepared in accordance with the Landlord and Tenant Act and the terms of their leases are provided to contributing tenants annually.
