Notes to the Abbreviated Accounts
for the year ended 30 November 2007

1 Accounting policies

Basis of preparation

The full financial statements from which these abbreviated accounts have been extracted have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005)

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cashflow statement on the grounds that it is a small company

Turnover

Turnover represents the value of invoiced and uninvoiced work carried out during the year, net of value added tax

Depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows

Plant and machinery	25% straight line
Fixtures, fittings and equipment	25% straight line

Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from timing differences between the recognition of gains and losses in the financial statements and their recognition for corporate tax purposes
