1. INTRODUCTION

1.1 Introduction

This report has been prepared in accordance with Rules 4.49B and 4.49C of the Rules to provide members with an update on the progress of the liquidations of the Companies since our last report to members dated 12 February 2014, which covered the period 13 December 2012 to 12 December 2013

A schedule of statutory information in respect of the Companies is attached at Appendix 1

2. LIQUIDATORS' RECEIPTS AND PAYMENTS ACCOUNT

2.1 Introduction

Please refer to Appendix 2 where we have summarised the total Receipts and Payments since the date of our appointment and also the Receipts and Payments made over the twelve months since we last reported to you

2.2 Receipts

During the period there were no receipts

2.3 Estimated future realisations/claims

We estimate no future realisations before closure. The assets of the Companies will be distributed 'in specie' to their respective shareholders

2.4 Payments

During the period there were no payments

3. DISTRIBUTIONS TO MEMBERS

3.1 Distributions made

During the period the Liquidators made no distributions

3.2 Future distributions

A first and final in specie distribution in respect of each of the Companies will be made prior to the closure of the liquidations. We are currently liaising with the client to confirm the position regarding the intercompany balances as we note some movement since the Declarations of Solvency were signed at the outset of the liquidations. Once these positions have been confirmed, we will be in a position to make these distributions and to convene the final meetings to close the liquidations.

4. OTHER MATTERS AND INFORMATION TO ASSIST MEMBERS

4.1 Liquidation Matters

The matters completed during the course of the liquidations have included mandatory tasks such as statutory advertising, filing and notifications of the liquidations, plus obtaining clearances from HM Land Registry and The Pension Tracing Service

4.2 Taxation Issues

All relevant corporation tax returns have been submitted and formal tax clearance has been received from HMRC in respect of all of the Companies

5. LIQUIDATORS' REMUNERATION AND EXPENSES

5.1 Liquidators' Remuneration

Basis of Remuneration

There are no funds in the liquidation estates. The Liquidators' fees and expenses are being met by the ultimate parent company, Mattel Inc., and the respective shareholders have fixed the basis of the Liquidators' remuneration by reference to the time properly given by the Liquidators' and their staff in attending to matters arising in the Liquidations, calculated at the prevailing standard hourly charge out rates used by Deloitte at the time when the work is performed, plus VAT.

5.2 Members' right to request further information

Members of the Companies with at least 5% in value of the total voting rights of all the members having the right to vote at general meetings of the Companies, or, any member with permission of the Court, may, in writing, request the Liquidators to provide additional information regarding remuneration or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report, in accordance with Rule 4.49E of the Rules.

5.3 Members' right to challenge Remuneration and/or Expenses

Members of the Companies with at least 10% of the total voting rights of all the members having the right to vote at general meetings of the Companies, or, any member with permission of the Court, may apply to the Court for one or more orders (in accordance with Rule 4.148C of the Rules), reducing the amount or the basis of remuneration which the Liquidators are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within 8 weeks of receipt by the applicant(s) of the progress report detailing the remuneration and/or expenses being complained of, in accordance with Rule 4.148C(2) of the Rules.

Please note that such challenges may not disturb remuneration or expenses approved or deemed to be approved under prior progress reports.
