Financial Reporting Standard Number 1

Exemption has been taken from preparing a cash flow statement on the grounds that the Company qualifies as a small company

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter

Plant and machinery etc - 25% on reducing balance

Stocks

Stock is valued at the lower cost and ent realisable value, after making due allowance for obsolete and slow moving items

Deferred taxation

Provision is made at current rates for taxation deferred in respect of all material timing differences except to the extent that, in the opinion of the diretor, there is reasonable probability that the liability will not arise in the foreseeable future

Hire purchase and leasing commitments

Assets obtained under hire purchase contrafts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives of the lease term, whichever is the shorter.

the interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability

2 TURNOVER

The turnover and profit before taxation are attributable to the one principal activity of the Company
