Basis of Accounting

The Accounts have been prepared under the historical cost convention in accordance with the Charities (Accounts and Reports) 2000, and the Financial Reporting Standard for Smaller Entities (effective June 2002), and follow the recommendations in Accounting and Reporting By Charities: Statement of Recommended Practice (Issued October 2000).

Donations and Fund Accounting

Donations and Grants for activities restricted by the donors are taken to restricted funds if the wishes and conditions of the donor are legally binding on the Trustees.

Resources expended are accounted for on an accruals basis. Certain expenditure is apportioned to cost categories based on estimated amount attributable to that activity in the year. These estimates are based on the time and level of activity as appropriate.

Management and administration costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

The irrecoverable element of VAT is included with the item of expense to which it relates.
