Statement of Directors Responsibilities

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the net movement in funds of the Company for that period. In preparing those financial statements, the Directors are required to -

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue to operate

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Report which has been prepared in accordance with the special provisions of the Companies Act 2006 applicable to small companies was approved by the Board on 15th September 2010 and signed on their behalf

Encams Limited is constituted as a Company limited by guarantee and is governed by its memorandum and articles. In the event that the company is wound up, the liability of the members is limited to £1.
