**Notes to the Abbreviated Accounts**  
**For The Year Ended 31 July 2016**

---

**1. Accounting Policies**

**1.1. Basis of Preparation of Financial Statements**

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

**1.2. Turnover**

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

**1.3. Intangible Fixed Assets and Amortisation - Goodwill**

Goodwill is the difference between amounts paid on the acquisition of a business and the fair value of the separable net assets. It is amortised to profit and loss account over its estimated economic life of 10 years.

**1.4. Tangible Fixed Assets and Depreciation**

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant & Machinery	20% per annum of cost
-------------------	-----------------------

**1.5. Leasing and Hire Purchase Contracts**

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired under finance leases are depreciated over the shorter of the lease term and their useful lives. Assets acquired under hire purchase contracts are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in the creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to profit and loss account as incurred.
