DIRECTORS' REPORT

For the year ended 24 September 2011

The directors present their report and the audited financial statements for the year ended 24 September 2011. These financial statements are drawn up to the last Saturday in September each year.

RESULTS AND DIVIDENDS

The result for the year after taxation amounted to £nil (2010: £nil). No dividends were paid or proposed during the year (2010: £nil).

PRINCIPAL ACTIVITY AND FUTURE DEVELOPMENTS

The Company is a holding company which manages investments in subsidiary companies. The directors propose to continue the same activity next year.

PRINCIPAL FINANCIAL RISKS AND UNCERTAINTIES

The Group's risks are managed at a consolidated level, rather than at an individual business unit level, and the company's directors believe that a discussion of the group's risks would not be appropriate for an understanding of the development, performance or position of Coral Eurobet Holdings Limited's business. The principal and financial risks and uncertainties of the group, which include those of the company, are discussed on pages 12 to 15 of Gala Coral Group Limited's annual report which does not form part of this report.

BUSINESS REVIEW AND KEY PERFORMANCE INDICATORS

The Group's operations are managed on a divisional basis. For this reason, the company's directors believe that analysis using key performance indicators for the company is not necessary or appropriate for an understanding of the development, performance or position of the business of Coral Eurobet Holdings Limited. The development, performance and position of the group, which includes this company, is discussed on pages 5 to 9 of the Gala Coral Group Limited's annual report which does not form part of this report.

GOING CONCERN

The directors have reviewed the Group's cash flow forecasts and trading budgets and, after making appropriate enquiries, have formed the view that the Group is operationally and financially robust and will generate sufficient cash to meet its ongoing requirements for at least the next 12 months. As such, they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

The financial statements have been prepared on a going concern basis as the directors of fellow group companies have confirmed they will continue to support the Company for a period of at least one year from the date these financial statements were approved.
