NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 December 2006

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards.

1.2 Cash flow

The company, being a subsidiary undertaking where 90% or more of the voting rights are controlled within the group whose consolidated financial statements are publicly available, is exempt from the requirement to draw up a cash flow statement in accordance with FRS1.

1.3 Turnover

Turnover comprises property rentals and other goods and services, which fall within the company's ordinary activities, exclusive of Value Added Tax. All turnover arose from within the United Kingdom.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant & machinery

15% straight line

1.5 Stocks and work in progress

Stocks and work in progress are stated at the lower of cost and net realisable value.

1.6 Taxation

UK corporation tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Provision is made in full on timing differences, which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements.

Deferred tax assets are recognised to the extent that it is regarded, as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

1.7 Leases

Rentals received under leases are recorded according to the terms of the lease.
